Read the following papers :—

From C. T. LONGLEY, Esq., President of the Municipal Commission, Salem, to the Chief Secretary to Government, dated 15th September 1876, *No.* 138.

In forwarding herewith the application, in original, of one Chinnan, a cook attached to the Municipal Dispensary, Salem, requesting a compassionate allowance, and a copy of the resolution thereon of the Municipal Commissioners, dated 18th July 1876, I have the honor to request you will be so good as to lay the matter before Government for favorable consideration.

2. From the enclosed copy of a letter received on the subject from the Zillah Surgeon, Salem, referred by the Collector for the consideration of the Municipal Commissioners, it would appear that Chinnan was serving Government for a very long time on Rupees 6 per mensem previous to the Dispensary being taken over by the Municipality, his service amounting to more than fifty years.

3. Chinnan would appear to be more than ninety years old, and consequently incapable of serving any longer. The Commissioners therefore resolved that, in the event of Government sanctioning a compassionate allowance to him, they would bear one-tenth of the allowance.

From Surgeon-Major R. E. PEARSE, Zillah Surgeon, Salem, to the Collector of Salem, dated 8th May 1876, No. 31.

I have the honor herewith to enclose, for favorable consideration and such action as you may deem proper, a petition from the old cook attached to this Dispensary. He has served first Government and more recently the Municipality for a period of over fifty years, and in his extreme old age would now seem to merit some consideration and recompense at the hands of Government for his long and good service.

To
R. E. PEARSE, Esq.,
Zillah Surgeon, Salem.

MOST HONORED SIR,

I, Chinnan, Cook of the Salem Civil Dispensary, humbly beg to state that I was first employed in the Jail Hospital where I remained for twenty years, and subsequently I was transferred to the Municipal Dispensary where I am serving since thirty-five years. My service extends to a period of fifty-five years, during which time I discharged my duties to the entire satisfaction of my superiors, and I am now nearly ninety-five or ninety-six years old and very weak, but still I am obliged to serve as I have no other means of subsistence to support my large family. Under the circumstances, I humbly request that your honor will be good enough to recommend me for a compassionate allowance to maintain myself and my large family.

For which act of kindness I shall, as in duty bound, ever pray.

Sir,

With reference to the Accountant General's letter dated 5th March 1878, I have the honor to inform you:-

1st There was a cook in the Civil Dispensary Salem till Oct 1871.

2d I cannot trace any Government Order sanctioning the post of a Cook.

3. Previous to the Municipality taking charge of the Civil Dispensary the Cook's pay was drawn through the Commissary Department together with the Contingent Bills, while the peon's pay was and is still drawn by monthly pay abstract, hence his name was not shewn in the detail list submitted to the Accountant General from 1864 to 1871.
