The undersigned has the honor to state that as the names of persons in inferior grades were omitted from the Annual Returns on record in this Office the services of one of Anthony Smith cannot be verified from those of 1st May 1836 and subsequent years up to 1864. But from the returns it appears that there were persons in the Establishment on a pay of Rs. 42 each per mensem.

In the Annual Returns previous to 1836 the Establishment of the Consulting Engineer was not shown. Service in the Capacity of a Law Clerk towards pension or gratuity according to the length of qualifying time spent in Government employ.
