In the first of the foregoing papers the Government of India desired to be informed of the probable number of Government servants in the Madras Presidency who have, during any part of their service, been employed on Devasthanum Establishments and whose claims to pension will be affected if such service is regarded as qualifying for pension. The Collectors' letters read above are the replies.

2. The only districts in which there are Government servants formerly employed on Devasthanum Establishments are those noted in the margin, and a nominal list is enclosed. Of these officers, forty-eight in number, Deputy Collector Kistnarao's claim to pension will not be affected by the exclusion of his service on the Devasthanum Establishment, and the service of Hanumantha Row, Taluk Gumastah in the Bellary District, appears to have been rendered at a very early age; that period of service will not therefore count towards pension. Of the remaining forty-six individuals the period of service on Devasthanum Establishments in the case of eight is less than three months, and in the case of nine more ranges between three months and one year; there are eighteen with service extending over one year and below five years, and eleven who have served for more than five years; only two have served for more than ten years. It is not possible at present to state how far the claims of these men to pension will be affected if their service on Devasthanum Establishments is admitted as qualifying, but it is probable that several of them will complete the full period for pension irrespective of their Devasthanum service. Even should it prove otherwise in some cases the admission of Devasthanum service is not likely to entail any considerable outlay, seeing that most of the officers concerned are at present in receipt of low salaries and are not of a class likely to rise to the higher grades in the service.

(Signed) C. A. GALTON,
Acting Secretary.

Ordered to be communicated to the Government of India with reference to their letter, dated 23rd June 1877, No. 1445.

2. Excluding the two cases remarked on by the Board twelve persons have, it is observed, already served Government long enough to qualify for the highest rate of pension apart from their service on the Devasthanum Establishments, and twelve more have less than five years to serve for the same rate of pension.
