The applicant's services from 1st August 1858 to 30th April 1860 have been classed as non-qualifying, as service rendered on the Temporary Establishment. His services from 1st May 1860 to 30th April 1861, cannot be verified both from the records of this Office and those of the Berhampore Division. An affidavit with statements of contemporary servants as required by rule 4, section 74, of the Civil Pension Code has, however, been obtained, and the period classed as qualifying. His services for the period from 1st May 1861 to 30th June 1863 have been duly verified from the audit Registers on records in this Office. The applicant was thrown out of employ on the reorganization of the Department in June 1863. His services for the period from 1st July 1863 to 30th April 1865, and from 1st May 1865 to 15th September 1865, have been classed as non-qualifying, as service rendered on the Temporary Establishment in the one case and on the Inferior grade in the other.

His services from 16th September 1865 to 2nd November 1877 have been duly verified from the audit Registers on record in this Office.

Sir,

Your letter dated 8th March /78 No 136 G. N.

I have the honor to retransmit the application for pension, in regular printed form, and Service book of late clerk Dusa Audynarayadu Naidu.

There are no records either in this or Range offices to verify his Services from 1st May 1860 to 30th April 1861 and the applicant's affidavit and the evidence of his two Contemporary Servants, have therefore been obtained and are herewith submitted as requested in the latter part of para 1 of your letter under review.

From the evidence of Contemporary Servant G. Iyanah, pensioned accountant, it is presumed that the applicant was in actual Service from 1st May 1860 to 30 April 1861 and after that to 30 June /63 when the Establishment was abolished; the applicant was appointed Duftirband on 15 February 1864 in the Teckaly Sub Magistrates office & acting Gumastha from 2 to 12th March 1864, in the Kimedy Demarcation party (Estate Service) and since resigned.

References on the Subject have been made by me to those two Departments for verification of this Service; the principal Asst Collector, states in reply that the applicant was appointed duftirband, but never served

and

and the Survey Superintendent informs that he was never entertained in that department. Both the replies, in original, of the officers are herein enclosed for your information.

The 2d Contemporary Servant, P. Paupiah Naidu, a pensioned accountant declares that the applicant had been in actual Service during the period in question and informs that he knew nothing of the applicants' further service from 30 June 1863, the date of abolision of the office in which he served.

In conclusion what I understand from the above papers, the applicant has continued serving in the D.P.W as a temporary Gumastha on a salary of Rs 15 per mensem which is chargeable to Estimates, till he is made pucka on 1st May 1865.

The

I further request you will order for early verification of his Services in your office and grant him the pension applied for, as he ~~is~~, is, out of Service and without pay from 2d November 1877 or 10 months about.

The services of a Dufterbund are of the peons grade and if he has served the full term of 35 years in ~~with-~~ that ~~-out~~ grade he is entitled to a Compassionate allowance which is allowed to peons. Third Accountant D. Anthenarayadoo has to my knowledge been in the service upwards of 14 years and is a very steady and good man. Lately he was removed from his present post to an Overseer's Writer but I protested against these arrangements and pointed out to the District Engineer that it was great injustice on the part of Offg. District Engineer to have removed him from the permanent appointment in which he has been so long. It is true that he is not fit for further advancement but I hope he may be allowed to hold his present post until he himself deems it necessary to vacate it as there is not much responsibility of 3d Accountant of course the 1st and 2d must be good men and so long as the 2d is able to take the Accountant's post there will be no difficulty in carrying out the duties of the Office. Moreover the 3d Accountant is of respectable family and his father ~~was~~ is a Subadar drawing his pension as such when I was in Chicacole Berhampur 2nd July 1876 (Signed) James Lever Lieutt Assistant Engr.
