Lakid from W. F. Hathaway Esq.
Sub Collector of South Arcot, to
Kruppaiah Chaidu, Tahsildar of the
Chilambaram Taluk.

It has come to notice that the
Revenue Inspector Hormooga Pillai,
who was entrusted with the work of
measuring out the lands required
for the Thennur village road has
conducted himself in a most careless
manner in that respect. It appears
that the Public works Dept marked
out the lands required for the road,
several times, but that the pegs
removed away the pegs driven in the
earth to serve as marks. The Revenue
Inspector ought to have been present
when the road was marked out. If he
had done so, he would have been able
to know the situation of the road, and
could have arranged to keep the pegs
in their respective places. He never

visited the place where the road is to be formed; but reported now and then that the road had not been marked out. The consequence was that the ryots were enabled to remove the pegs as soon as they were driven in. The Revenue Inspector received orders about this road on the 12th Sept last. For 2 months he did not do anything in consultation with the majority of the DPM, and on the 17th November he simply reported that the road had not been pegged out.

As the overseer in his reply dated 18th Idson fixed a certain day on which he would come, the Revenue Inspector ought to have gone to the place on that day, prepared an account in the proper form showing the fields taken up for the road and the money or land compensation asked for by the ryots, taken their signatures to the statement and disposed of the matter at once. But it has been allowed

to remain undisposed of for so long time, and this shows that the Revenue Inspector is utterly unfit to do his work. He is suspended from office for one year. The 20th of this month having been fixed for measuring the road, another Revenue Inspector will be sent to whom the overseer will show the line of the road. The Revenue Inspector should remain in the village until the whole line is measured. If the line is to be altered, the permission of the Assistant Engineer should be obtained.

The apathy and neglect of Mr. Pillai in this matter is very great. He had only to inspect the line and measure the lands. Tahsildar will report whether the Revenue Inspector arranged with the Engineer Dept. to meet and whether the overseer or any other officers of that Dept. failed to attend on the appointed day.

Now, another Inspector should be sent

to that village on the 20th Instant. to
measure the lands. If the proposed
line is not then shown, the fact
should be reported to me. Vukataraya
Pillai, your Salug Goomastah, is
appointed to act for Choomooga Pillai
during the period of his suspension.
You will nominate one to act for
Vukataraya Pillai.

Takid from W. F. Hathaway Esquire,
Sub Collector of South Arcot, to Choomooga
Pillai, 1st Class Revenue Inspector of
Chilambaram Salug.

On reconsideration of the
matter of your suspension from office
for one year from the 8th Instant, I
have deemed it advisable to reduce
you to the post of 4th Class Revenue
Inspector in Virudachalam Salug
rather than suspend you as above
and you are accordingly ^{appointed} from this
date as a matter of grace. You
will therefore come here at once and
take charge.

Certified that I have carefully examined *Aurcomroga Pillay*
son of *Goolroya Pillay* a *2nd Class Prussian Inspector* in the
Chedimherum Talug. His age is, by his own statement, *58* years, and, by
appearance about *58* years. I consider *Aurcomroga Pillay* to be
completely and permanently incapacitated for further service of any kind in the
Department to which he belongs, in consequence of *being old and worn out*.
His incapacity does not appear to me to have been caused by irregular or
intemperate habits.
