ther from the records of this office or from those of the Divisional Office, owing to the omission in the Audit Registers of the names of incumbents in inferior grades, and also owing to the pay of the lascar having been shown in the acquittance rolls of the Divisional Office against lump sums (vide District Engineer's Godavari No. 2465, dated 30th October 1877). An affidavit in support of the continuous employment of the applicant with copies of statements of contemporary servants has, however, been obtained, and the period classed as qualifying. His services from October 1867 to 5th July 1877 have been duly verified from the records of the Divisional Office. They cannot for the reason stated above be verified from the Audit Registers on record in this office.

Certified that I have carefully examined Warre Nanchanygadu, Lascar Department Public Works Godavery District, son of Warre Soobooder. His age by his own statement 45 years and by appearance about 50 years, I consider Warre Nanchanygaru to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of Leprosy. His incapacity does not appear to me to have been caused by irregular or intemperate habits

I am a pensioned Anicut Maistry. I know Velugabanda Venkanna and Vara Nancharigadu. They were employed on the anicut work. The 1st was employed on Rs 5/ for two years and then till he left the service i.e. till he is made to retire on Rs 6/ per mensem.

(2) He was continuously in the employ.

(3) The other servant Nancharigadu was at first on Rs 3½ for about four months - on Rs 4 for about the same time, and afterwards for about 4 or 5 months on Rs 5 and lastly on Rs 6 till he last left the service

(4) He was also continuously in service

Copy of letter No. 258 dated 18th December 1877 from the Examiner P. W. Accounts Madras to the Superintending Engineer Godavari.

The undersigned has the honor to return the enclosed applications for gratuity of anicut Lascars Venkannah alias Venkiah and Mancharigadu and the papers therewith received, and to request that the Superintending Engineer will be good enough to ascertain from the applicants, whether the Establishment in which they were employed during the period for which their services cannot be verified from the Divisional Office records, was permanent or temporary. This information should be furnished in the applicants' affidavits together with the names of officers or subordinates under whom they were employed during the period in question.

2. It is requested that any document such as testimonial, order of appointment &c, which may prove the applicants continuous employment on the permanent establishment may be forwarded in support of the applicants services. In the absence of such documents the evidence of two or more contemporary servants is necessary in support of the service.

3. It is observed from the Audit Registers

of

of this Office that no pay was passed for the conservancy Establishment from 1st July 1862 to 31st March 1863. It should be explained how the pay of the Anicut Establishment was disbursed during this period.

4. According to the entries in the audit Registers of this office it is observed that the lascars on the Conservancy Establishment had drawn pay @ Rs 5/ only per mensem till the 31st July 1868, while the entries in the History of Service shew that the applicants were in receipt of Rs 6/ per mensem from 1st October 1867. The cause of this difference should be explained.

5. The enclosed applications for gratuity and the service books should be returned with the signature of the Superintending Engineer in the places provided for the same and column "How verified" in the 2d. page of the applications should be completed with the required information.

Copy of letter No. 276 dated 27th July 1878 from the Executive Officer in charge of Eastern Delta Division to the District Engineer Godavari.

With reference to your predecessor's memorandum No. 3157 dated 16th January 1878, forwarding Examiner's letter× No. 258. G. D of the 15th December 1877 with 7 enclosures, I have the honor to afford the following information on each para of his letter.-

× herewith returned.

Para 1. From the enclosed affidavit presented by W. Naunchanigadu, giving the names of subordinates &c under whom he served it would appear that the whole period of his service was permanent and continuous.

Para 2. The documents of the kind referred to by the Examiner not having been possessed by the applicant the evidence of 2 of his contemporary servants is herewith sent.

Para 3. As regards the salaries of the Conservancy Establishment from 1st July 1862 to 31st March 1863 which the Examiner states, were not passed by his Office. I have the

the honor to refer you to Para 2 of this Office letter No. 132 dated 7th June 1875 explaining how the pay of N. Sambiah late embankment Superintendent who was simultaneously employed on the Conservancy Establishment of the Anicut, was passed.

Para 4- The entries in the Histories of Services of the applicants made as having drawn at Rs6/ per month from 1st October 1867 are incorrect because they have drawn so from 1st June 1868 as verified from copies of acquittance Rolls obtainable in this Office, but not from 1st July 1868 as referred to by the Examiner.

The necessary corrections are now made in the Histories of Services.

Of these 2 Applicants. V. Venkamiah having since died, only the affidavit presented by Naunchariyadu is herewith submitted.
