Read the following paper:—

From the Collector of Trichinopoly, dated 24th September 1878.

„ *Offg. Deputy Accountant-General, dated 11th November 1878, No. A.D.J.-126.*

ORDER THEREON, 17th December 1878, No. 591.

In October 1876 C. Mamundia Pillai, then a Peon in the Museri Taluk, Trichinopoly, deposed before the Tahsildar that he was sixty years of age, and was desirous of leaving the service, as he was too old and infirm to perform his duties properly. His request was granted, but no application for a retiring allowance was submitted on his behalf until September last, when a Medical Certificate of unfitness for further service, dated 31st July 1878, was also forwarded, as it was believed that the applicant was 59 and not 60 when he left the service.

2. The Accountant-General considers that the applicant resigned his post, and is therefore not entitled to any retiring allowance; but it is clear that he was really superannuated and unfit for further work, and was removed on this account without its being considered necessary to obtain a Medical Certificate of unfitness.

3. Under these circumstances His Grace the Governor in Council is pleased to grant to Chettycolam Mamundia Pillai an invalid gratuity of Rupees (36) thirty-six for his qualifying inferior service of twenty-three years, ten months, and twenty-eight days.

4. Copy of these Proceedings will be communicated to the Government of India.

Accountant General's Office,

FROM THE ACCOUNTANT GENERAL, MADRAS,

To THE Collector of Trichinopoly

VIDE your Application for Gratuity on behalf of *Se. Mammudiah Pillay*
Sahib Poon of the Masuri Taluk, Trichinopoly.

THE undersigned has the honor to enquire whether the Collr of Trichinopoly would have recommended the applicant for a Gratuity, had he applied for it in Oct. 76, although the application was not supported by a proper Judicial Certificate.

2. Please forward to this Office a Translation (if the original was not written in the English Language) of the applicant's Petition whereby he tendered his resignation of his appointment.

N. 283

As far as it can be ascertained, there is nothing against the applicant calculated to deprive him of his claim to gratuity, and under this circumstance the applicant would have been recommended for a gratuity if he had applied for it in October 1876, and his application was supported by a proper Medical Certificate.

The applicant was below 60 years of age in October 1876, and his application unsupported by a proper Medical Certificate could not at that time be entertained under section 53 of Civil Pension Code.

A translation of the applicant's petition whereby he tendered his resignation of his appointment is herewith sent. It does not appear that he made any claim for pension or gratuity at the time of resigning his post.
