Proceedings of Government, Pension Department, dated 25th June 1877, No. 328.

Read also the following paper:—

From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Under Secretary to Government, Pension Department, dated Chepauk, 9th February 1878, No. 761.

I have the honor to forward, for the information of Government, copy of a letter received from the District Engineer, South Arcot, and to suggest the desirability of furnishing the Head of the Office, by whom an application for pension is first submitted, with a copy of the Government Order that may eventually be passed with regard to the application.

ENCLOSURE No. 1.

From Major H. R. MEAD, R.E., District Engineer, South Arcot, to the Examiner of Public Works Accounts, No. 159, dated 28th January 1878.

In acknowledging receipt of your letter, No. 118, S. A., dated 10th instant, I have the honor to observe from the Government Order which accompanied it that an invalid gratuity of Rupees 24 was granted to Abdulla Khan, late Lascar under Sub-Overseer Kullakurchi Taluq, so far back as 25th June last, that is, seven months ago, but this was not, before this, known to this office, and the applicant, who, of course, has not been aware of the sanction, could not draw the amount granted.

2. It would thus appear that the late lascar has been for a long period, without any reason, kept out of his gratuity duly sanctioned by Government. I would therefore suggest, for the consideration of Government, the advisability of their at once furnishing copy of their order, on application for gratuity or pension, to the District Engineer or officer by whom the application may be in the first instance submitted, in order that he may know the result and communicate the same at once to the applicant.

ORDER THEREON, 16th February 1878, No. 68.

The practice recommended is in force, but there appears to have been an omission to follow it in the present case.
