Read the following papers :—

No. 104. *From G. HAMNETT, Esq., the Receiver of the Carnatic Property, to the Chief Secretary to Government, dated Madras, 10th April 1876, No. 23.*

With reference to the Order of Government, dated 16th February 1875, No. 103, appointing me Receiver of the Carnatic Property, I have the honor to submit, for the information of His Grace the Governor in Council, a statement showing the Receipts and Charges connected with the Estate of His Highness the late Nāwab of the Carnatic, from 7th February 1875 to 31st March 1876.

2. Mr. Grose in his report, dated the 8th February 1875, No. 11, paragraphs 5, 16, 21, and 26, intimated that he anticipated further recoveries to the extent of Rupees 40,260 from the following sources, viz. :—

|                                                                     | RS.    |

| II. Arrears due by the heirs of Nur-ul Oomrah, Hyderabad ..         | 20,260 |
| III. Sums said to have been withheld by a Hyderabad Sowcar ..       | 10,000 |

3. “ *The Equity of Redemption of the Villages of Noomble and Pullumpett.* ”—Mr. Grose fixed the price at Rupees 10,000, and was in course of a negotiation which he hoped might result in the sale. The negotiation fell through. Subsequently four other offers were made. Of these three have failed, and the fourth is now pending. It may or may not result in a sale. I shall report further.

4. “ *Arrears due by the Heirs of Nur-ul Oomrah, Hyderabad.* ”—After considerable delay the Agents, Messrs. Nuswanjee and Co., informed me on the 27th March ultimo, that the Nizam’s Government offered to settle the claim of H. S. Rupees 20,260 by payment of a compensation of H. S. Rupees 20,000 in full of all demands. The Agents deemed it advisable to accept the offer “ knowing from various circumstances that no better compensation can be had.” I approved of their having done so, and have

*Pension.—*Communicating copy of a Resolution of the Government of India, intimating that the Secretary of State for India has sanctioned the grant of a compensation pension of Rupees 28-6-4 a-month to Pundit Narayanaswamy Naidoo, late a Clerk in the Office of the Receiver of the Carnatic Property, Madras.

requested them to submit a final account of their transactions, which will, on receipt, be laid before Government.

5. "*Sums said to have been withheld by a Hyderabad Sowcar*"—Rupees 10,000.—This matter is still unsettled. The accounts which the Government Agent has furnished show that the Jaghire, named Aynum Goondla, in the Hyderabad territory, did belong to the late Nāwab, but that not more than about Rupees 4,309 are due by the Sowcar. The Agent cautions me against placing reliance on the accounts, "for there is no diary or index to the records, no distinguishing seal or mark on them, and nothing in fact to prevent them having been introduced into the records (which remained in the custody of the Nāwab's people long after his death) by interested persons: as evidence therefore they are of little value." Ghoolam Mahomed Shurf-ood Dowlah Bahadoor, who acted as Private Secretary to the Nāwab, and who first brought the subject to Mr. Grose's notice, still offers, if I will address the Resident, to proceed to Hyderabad and recover the money (about Rupees 35,000) which he asserts is due. I have asked Ghoolam Mahomed Shurf-ood Dowlah Bahadoor to state in writing what guarantee he proposes giving for the due recovery and payment to me of the money. On the receipt of his reply I shall take the requisite action.

6. It will be observed from what I have stated that Mr. Grose's expectation in paragraph 3 of his letter, No. 12, of the 8th February 1875, that "the business (of the Receiver) will be settled in a few months" has not been realized.

7. It remains therefore for the Government to decide whether, under the circumstances now brought to notice, it is necessary to continue the services of the Clerk P. Narayanasawmy Naidoo on Rupees 70 per mensem, or give effect to the recommendation made by Mr. Grose in paragraph 7 of his letter of the 8th February 1875, No. 12, to pension the clerk, on condition that he shall attend whenever his services may be required to refer to the records.

8. On the 18th March 1875, I placed in the deposit account of the Bank of Madras Rupees 6,000, which realized interest at 4 per cent. per annum, Rupees 240. I have not renewed the deposit.

MADRAS,  
10th April 1876.

(Signed) G. HAMNETT,  
Receiver of the Carnatic Property.

No. 105. *From G. HAMNETT, Esq., the Receiver of the Carnatic Property, to the Chief Secretary to Government, dated Madras, 8th January 1877, No. 3.*

In continuation of my report, dated the 10th April 1876, No. 23, I have the honor to state that the negotiation regarding "The equity of redemption of the villages of Noomble and Pullumpett," adverted to in paragraph 3, has fallen through, and that there is not the remotest prospect of any sale being effected.

2. "*Arrears due by the Heirs of Nur-ul Oomrah, Hyderabad.*"—This claim has been finally settled, and Messrs. Nuswanjee and Co. remitted to me on the 6th May 1876 Rupees 1,622-3-0, the equivalent of H. S. Rupees 2,000.

3. "*Sums said to have been withheld by a Hyderabad Sowcar.*"—It did not appear to me politic to take any further action in this matter, or to enter into an agreement with Ghoolam Mahomed Shurf-ood Dowlah Bahadoor on the guarantee offered by him in his letter,\* copy of which is enclosed.  
\* Dated 10th April 1876.

4. In accordance with instructions personally received from you, the Clerk P. Narayanasawmy Naidoo was informed, in August last, that his services would be dispensed with at the end of 1876.

5. I enclose a statement of account brought up to 5th January 1877, and beg to recommend that I may be authorized to pay into the Public Treasury the balance Rupees 8,291-11-8, and the Accountant-General to arrange for the payment therefrom, through the Hyderabad authorities, of H. S. Rupees 1,500 to Messrs. Nuswanjee and Co., as recommended by Mr. Grose in paragraph 5 of his report, dated the 8th February 1875, No. 12.

## ENCLOSURE No. 1.

From GHOOIAM MAHOMED SHURF-ODD DOWLAH BAHADOOR, to the Receiver of the Carnatic Property, dated Royapet, 10th April 1876.

I beg to acknowledge the receipt of your letter, dated 8th instant, No. 21, and beg to state that I am the Government Pensioner drawing the monthly stipend of Rupees 125 per mensem, and the same will I believe stand as sufficient guarantee. Further I have to inform you that the money I may recover from Govindram Jay Gopaul Doss at Hyderabad will be then and there paid to the Resident whom you may address on the subject, and request the due remittance of the same to you after my recovering it through the Nizam's Courts.

(Signed) G. HAMNETT,  
Receiver of the Carnatic Property.

No. 106. From G. HAMNETT, Esq., the Receiver of the Carnatic Property, to the Chief Secretary to Government, dated Madras, 23rd January 1877, No. 11.

In continuation of my report, dated the 8th instant, No. 3, I beg to state that I have received a sum of Rupees 100 from Shurf-odd Dowlah Bahadoor, being the amount stated to have been paid to him on account of Muktah Cocibollahpoor at Hyderabad, and have paid the money into the Bank of Madras. This addition raises the balance in the Bank from Rupees 8,291-11-8 to Rupees 8,391-11-8.

No. 107. From P. NARAYANASAWY NAIDU, to the Receiver of the Carnatic Property, dated Madras, 8th February 1877.

I most respectfully beg to bring to your kind consideration the following circumstances:—In your letter to Government, dated the 8th January 1877, No. 3, you reported that my services were dispensed with from the 31st December 1876. I have

faithfully served in the office of the Receiver of the Carnatic Property for a period of about eighteen years and three months, and I still attend and do such office work as there may be.

2. Being however thrown out of my appointment, and not yet having any pension assigned to me, I am put to very great inconvenience for the want of means to support myself and family.

3. I earnestly entreat therefore that you will move the Government to grant me the pension to which I may, under the rules, be entitled.

No. 14.

Submitted for consideration, with reference to letter, No. 3, dated 8th January 1877.

MADRAS,  
8th February 1877.  
(Signed) G. HAMNETT,  
Receiver of the Carnatic Property.  
To the Chief Secretary to Government.

No. 108. From G. HAMNETT, Esq., the Receiver of the Carnatic Property, to the Officiating Chief Secretary to Government, dated Madras, 13th March 1877, No. 18.

With reference to my letters marginally noted, I beg to bring to the notice of Government that the last negotiation regarding "The equity of redemption of the villages of Noemle and Pullumpett," which appeared to have finally failed when

I wrote my letter dated 8th January 1877, No. 3, has been revived in a very curious way.

2. The party with whom I was in negotiation in 1876 was M. S. Moothoosawmy Moodelly; he incurred some expense in drawing up the necessary conveyance, &c., but suddenly dropped all action in the matter. I concluded, from his abrupt termination of the negotiation, that he was indisposed to close the purchase, and reported accordingly.

3. On the 19th January 1877, however, I received a letter, dated 16th idem, from Ramdoss Narraindoss and P. Luchamiah stating that they had heard I was about closing the office of Receiver, without completing the sale of the villages in question; that under the conditions prescribed by me they were prepared to pay at once or deposit bonds for the sum of Rupees 10,000. I replied on the 19th January, letter No. 10, "that I was not aware of having had any communication with them on the subject."

4. M. S. Moothoosawmy Moodelly then came forward\* and stated that he had "wilfully transferred to Ramdoss Narraindoss and P. Luchamiah, respectable Sowcars at Madras, all the copies of the documents and correspondence on the subject of the sale of the equity of redemption of the villages of Noemle and Pullumpett."

5. I shall not describe the further correspondence which followed; suffice it to say that Ramdoss Narraindoss and P. Luchamiah have called on me and have agreed to close the purchase.

\* Letter, dated 20th January 1877.

6. I shall report again when the purchase has been finally closed. Meanwhile I respectfully solicit that orders may be passed on my former letters.

No. 109.

ORDER THEREON, 31st March 1877, No. 240.

In February 1875 Mr. J. Grose resigned the office of Receiver of the Carnatic Property, and Mr. G. Hamnett was appointed to succeed him. At this date all substantial recoveries had been effected; but it was calculated as possible that about Rupees 40,260 more could be realized on account of the Carnatic property, as under:—

|                                                                                                                                       | RS.    |
|---------------------------------------------------------------------------------------------------------------------------------------|--------|
| I. From the equity of redemption held by the Receiver in the villages of Noomble and Pullumpett in the District of Chingleput .. .. . | 10,000 |
| II. From arrears due by the heirs of one Nur-ul Oomrah of Hyderabad to the extent of H. S. Rupees 24,123 .. .. .                      | 20,260 |
| III. From moneys withheld from the late Nāwab by a Hyderabad Sowcar .. .. .                                                           | 10,000 |
| Total .. .. .                                                                                                                         | 40,260 |

2. From Mr. Hamnett's reports above recorded, it appears that the overture for the purchase of the equity of redemption of the villages of Noomble and Pullumpett, which fell through at one time, has been revived by certain persons to whom the individual who originally proposed to buy has transferred the negotiation, and that there is some definite prospect of the purchase being concluded. The second prospective item of Rupees 20,260 has been compromised for a sum of H. S. Rupees 2,000 equal to Rupees 1,022-3-0, through the Agency of Messrs. Nuswanjee and Co. of Hyderabad, the Nizam's Government being unwilling to make further compensation. As to the third item of Rupees 10,000 withheld by a Sowcar of Hyderabad, Mr. Grose was of opinion that the offer of a Carnatic stipendiary, Ghoolam Mahomed Shuri-ood Dowlah Bahadoor, should be accepted, to the effect that he should proceed to Hyderabad and endeavour to recover the moneys withheld, stated by him to be about 30,000 Rupees, receiving 25 per cent. on all the recoveries he might effect. Mr. Hamnett, however, considers it impolitic to take any further action in this matter; and the Government agree in this view.

3. Excluding from view the probable sale of the equity of redemption of the villages of Noomble and Pullumpett, the following appears to be the state of the accounts in connexion with the Carnatic property.

|                                                                                   | RS.    | A. | P. |

4. Mr. Hamnett's commission on Rupees 3,118, the recoveries effected by him, amounts at 5 per cent. to Rupees 155-14-4, which he is authorized to deduct from the above-mentioned balance of Rupees 8,391-11-8. The balance to the credit of the Carnatic property will thus be Rupees 8,235-13-4. This balance will now be paid into the Public Treasury, and, as recommended by the Receiver, the Accountant-General will be requested to arrange for the payment to Messrs. Nuswanjee and Co. of Hyderabad, of the sum of H. S. Rupees 1,500, in recognition of their services as authorized in paragraph 6 of G.O., dated 16th February 1875, No. 103.

5. On the completion of the negotiation in connexion with the villages of Noomble and Pullumpett and final rendering of accounts, the appointment of Receiver of the Carnatic Property will cease; and the records will be deposited in the General Record Office of the Government.

6. The services of the Clerk, P. Narrainsawmy Naidu, on Rupees 70 a-month, were dispensed with on the 31st December 1876. He appears to have served in this capacity for a period of over nineteen years. In paragraphs 6 and 7 of his letter, dated 8th February 1875, Mr. Grose brought his services to notice in the most favorable terms, and recommended that he should be granted a compensation pension of one-third his salary, or Rupees 23-5-4. His strong claims to the pension recommended will be considered and disposed of in the Pension Department, to which Department this Order and G.O., dated 16th February 1875, will be communicated.
