From Mr. J. H. WRIGHT, First Assistant Superintendent, Revenue Survey, to the Superintendent, Revenue Survey, Madras, dated London, 2nd August 1878.

I have the honor, by direction of the Under Secretary of State for India, to transmit the enclosed medical certificate in support of my application to retire from the Uncovenanted Service, and to be granted the invalid pension to which my length of service may entitle me, viz., Rupees 2,000 per annum, in accordance with Section 56, clause b, having served over sixteen years, from 22nd May 1858, excluding the four years' absence on sick and furlough leave.

2. I beg when submitting the papers for the sanction of the Madras Government, you will be good enough to solicit the payment of the pension may be made at the Home Treasury of the Government of India in London.

MEDICAL BOARD,
INDIA OFFICE, 23rd July 1878.

We certify to have carefully examined Mr. J. H. Wright, Madras Uncovenanted Service, and find that, after having carefully examined him, he is suffering from chronic bronchitis with emphysema, and chronic rheumatism in the joints of the lower extremities. In our opinion, there is no probability of his being able to resume work in India within a reasonable period.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that qualifying service in superior grades has been duly proved for sixteen years, two months, and twenty-four days; and that an invalid pension not exceeding Rupees 158-5-4 per mensem is admissible under Section 59 (b) of the Civil Pension Code. The calculations have been duly verified.

It is pointed out that this applicant was in receipt of a consolidated pay of Rupees 550 per mensem under the sanction of the Government of India for upwards of ten years, and would thereby be entitled to a pension of Rupees 183-5-4 per mensem, subject to the maximum of Rupees 2,000 per annum prescribed in the concluding sentence of the rule under Section 59 (b) of the Code, were it not that it was expressly stated in paragraph 3 of this Government letter to the Government of India, No. 38, of the 6th January 1866, that the increased pay of Mr. Wright from Rupees 425 to 550 per mensem included travelling allowance: the amount of this Rupees 75 therefore has been deducted from that sum, and Mr. Wright's pension calculated at one-third of the balance, viz., Rupees 475, agreeably to the rules under Section 71 of the Civil Pension Code.

In making this report, the Orders of Government noted in the margin, which declared that the pay of Rupees 550 G.O., No. 2788, dated 13th October 1866, sanctioned to the applicant was consolidated, have not been lost sight of. But those orders seem to refer only to furlough allowances, as pensionary allowances are not alluded to in them. Should Government however have intended that they should apply to the latter also, it is respectfully requested that such interpretation may be submitted to the Government of India for confirmation.
