1 Statement of service.

Sir,

In resubmitting the enclosed papers returned with your No. 53 S.A. dated 27th June /78, in connection with the pension Application of Lascar Kh[illegible] Saib [illegible] a fresh affidavit taken from the Saib. It is quite impossible to obtain any more particulars than what have already been given regarding the service of this man.

2 He admits that he was for 2 or 3 months employed under a surveyor in 1873, but he states that during that period he retained his permanent post in the Range Office

and

and drew pay from that Office and that he was merely deputed to that work for teaching their duty to the new Lascars under the Surveyor. Kadar Saib could not remember the names or places of any other contemporary servants to obtain their statements regarding the periods mentioned in para 3 of your letter.

3. Sadasivam Pillay in his statement affirms that the Applicant [illegible] employed with him prior to August 1858 and subsequent to August 1859 until Lt. Whish was transferred to South Arcot in /63; this Officer having joined South Arcot in Octr/63, I think Sadasivam Pillay's evidence should be taken to include the period from January to October/63. Sadasivam Pillay appears to have been absent from Tanjore during the one year from August /58 to August/59,

and

and it is true that Mr. Conner had been for several years Accountant in the Virdachellum Range or until he was succeeded by Ramasawmy Iyer in /64; but it is not known where that man is now, and Kadar is unable to name any other contemporary servants to give evidence for the 2 periods from August /58 to August /59 and from 1st December /63 to 15th July /64.

4. It is certainly long since Ramasawmy Iyer, Chengalroy Moodr. and Poonarunga Moodr. left [illegible] or District; it is not likely that they could now remember the actual and correct dates of Kadar's service; the 2 small breaks from 16th to 31st August /65 and from 1st to 17th June /73 might probably be due to the failure of their memory, as stated by Kadar in his affidavit.

records regarding this old Servant on inferior grade it is certainly very difficult, if not impossible, to expect such minute accuracy in his services, as in the case of Superior Servants. Kadar's case does not however, appear altogether objectionable. I request that his application may be submitted at an early date, for the favorable consideration of Government.

Sir,

With reference to your letter No. 89. T. J. dated 16th Instant, requesting to have the apparent contradiction explained between the report as submitted by this Office in No. 1499 dated 5th July last and the declaration or solemn affirmation of Sadasivem Pillay Estimator of this Office, I have the honor to inform you that Sadasivem Pillay who was called upon to state, with reference to his declaration in 1876 which was put into his hands for perusal, whether he remembered to have seen one Lascar Mayaneram Kader Sahib in Service from 1843 to 1863, reports that he now remembers

remembers that there was one Kader Sahib in Service from 1848 to 1863 as a Lascar in both the Civil and District Engineers System under several Officers from Colonel Lawford to Lieutt Whish and that the lascar went away to South Arcot in 1863.

I cannot account for his not remembering this circumstance subsequently to the date of his declaration -

I further beg to inform you that there are no records in this Office from which Kader Sahibs services may be verified -

Certified that I have carefully examined Khadur Saib son of Khader Meeroy a lascar in the Distt Engineer's Deptt. His age is, by his own statement, 69 years, and, by appearance about 60 years. I consider Khadur Saib to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of old & impaired vision His incapacity does not appear to me to have been caused by irregular or intemparate habits.

Cuddalore, 6th May 1878.

Surgeon Major,
Zillah Surgeon.

Affidavit taken from Mayaverum Kadir Saib a Lascar in the District Engineer's office of South Arcot under Section 71 of the Civil Pension Code.

I Mayaverum Kadir Saib do hereby solemnly declare that I first entered the Government Service in January 1848 as a Lascar in the Civil Engineers Departt, 6th Division; in this and in the D.P.W of Tanjore I served without any interruption under Majors Lawford & Boileau and Lts Ludlow, Binn, Wilkinson, O'Connell, Moore and Walsh until October 1863; then I came to South Arcot with Lt Walsh leaving my appointment at Tanjore at the desire of that gentleman; I was for about 2 months employed as private servant under Lt Walsh, and then in about Dec/63 I was reentertained in Govt service as Lascar in the Vriddachellum Range Office, where I continued as Lascar without any interruption until June/73. During the time I was employed in the Tanjore District & in the 6th Division, I remember that Sadasivam Pillay now in the Distt Engrs office of that District, had been employed as writer or accountant; I could now remember nobody else. I did not obtain testimonials from the gentlemen named above as I was not then aware of the necessity for the same. When I came to the Virdachillum Range in December '63 Mr Connor was Accountant of the Range Office; I do not know where he is now. Nor am I aware of the existence or whereabouts of others that were employed there at that time. Mr Connor was succeeded by Chengut Ramasawmy Iyer, who by Chengalroy Iyer, and this by Ponnasamya Pandr. If there are short periods which these accountants who are not now in the Department or District are not able to bear testimony, it must be ~~either~~ owing to the failure of their memory, or it must perhaps be the time occupied by them in joining their new appointments, because I am fully confident that there was not a break of even a single day in my service since I was entertained in December 63. It is true that I was for a short period, about 2 or 3 months, employed under Surveyor in the year 1873; but I was deputed by the Range Officer as an experienced lascar and to put in the way the new lascars under the Surveyor, retaining my permanent appointment in the Range Office and drawing as usual my pay from that office; after these 2 or 3 months I returned to the Range Office whence I was taken into the District Engr's Office in ~~the year~~ June 1873.

The applicants services for the period from
January 1848 to 17th June 1863 cannot be verified either from the records of this Office or from those of the Accountant General Madras owing to the omission in the Audit Register of this Office and in the annual returns of the Accountant General's Office of the names of incumbents in the inferior grades. An affidavit with statements of contemporary servants in support of the period as required by rule 4, section 74 of the Civil Pension Code has, however, been obtained and the period classed as qualifying - excepting for the following periods which the District Engineer explains, cannot be proved by any collateral evidence:-

August 1858 to August 1859.
January to October 1863.
December 1863 to 15th July 1864
16th August 1865 to 31st August 1865
1st to 17th June 1873.

His services for the period from the 18th June 1873 to 6th May 1878 (the date of Medical Certificate) cannot for the same reason, be verified from the records of this office. They have, however, been verified from the records of the District Engineer South Arcot, as per his remarks in the Column "How verified". The period has therefore been classed as qualifying.
