CERTIFICATE.

Certified that I have carefully examined Maharaja Pillay Son of Sankaralingam Pillay a Lascar 6 in the Taluq Overseer's Office Nanguneri. His age is, by his own statement 60 years, and, by appearance, about 60 years. I consider Maharaja Pillay to be completely and permanently incapacitated for further service ~~of any kind, or~~ in the Department to which he belongs, in consequence of infirmity and Hernia. His incapacity does not appear to ~~me~~ to have been caused by irregular or intemperate habits.

I am of opinion that Maharaja Pillay is fit for further service of a less laborious character than that which he has been doing, ~~or may, after resting for~~ ~~months, be fit for further service of a less laborious character than that which he has been doing~~

I was a Lascar under Major Parton for 5 months from May 1861 on a Salary of Rs 6. and at the orders of Captain Parton I was employed under Captain Ryves for about 2 years, and then Captain Ryves has handed over the Office to Mr Harrington and left for England. I cannot recollect the year and month of his handing over Charge. Then I served Mr Harrington for about 6 months. In the mean while Major Payne took Charge from Mr Harrington, and I was serving under him for 8 months. While so I received a letter that my Mother died, and applied for leave which on being refused

refused. I was obliged to resign my appointment and proceeded to my native place Nanguneri. I was unemployed there for about 2 years looking after my own affairs. Afterwards I was appointed a Lascar under Taluq Overseer Chinnasamy Pillay on a salary of Rupees 6. I cannot recollect the month and the year of my re-employment. If I remember right it may I suppose be in the year 1856. From that period up to December 1877, last I was in service. S. Pakium Pillay the then Head Accountant of the late 5th Range office and Moonasawmy Pillay Clerk will certify to the correctness of the period I served in the office.

The applicants services from May 1861 to February 1868, cannot be verified from the records of this Office or from those of the District Engineer Tinnevelly. An affadavit, and the statement of two contemporary servants have been obtained in support of the services from 1st September 1866 to February 1868

2. The services prior to September 1866, even if supported by evidence cannot count towards pension owing to resignation, and break in the service from July 1863 to 31st August 1866.

3. The services from March 1868 to 19th October 1877 have been duly verified from the records of the District Engineer Tinnevelly. Owing to the omission of the names of persons in the inferior grades the name of the applicant cannot be traced in the audit registers of this Office, but the appointment appears throughout, and the full pay is drawn.
