The applicant's services prior to the 22^d Janu-
ary 1871 have been classed as non-qualifying as
services rendered on the Temporary Establish-
ment from July 1858 to January 1857 and as he
voluntarily resigned his appointment in March
1855 and was not re-employed within twelve
months from that date vide his Explanatory
Petition and letter from the Executive Officer
Eastern Delta Division Godavari to the District
Engineer Godavari. His services from 22^d Janu-
ary 1871 to 2^d September 1877 have not been
verified from the Audit Register on record
in this Office owing to the omission in them
of the names of incumbents of inferior grades.
They have, however, been verified by the
Executive Engineer Eastern Delta Division Goda-
vari from the records of his office as per remarks
in the Column "Have verified" and the head
has therefore been classed as qualifying.

R. J. Harris Esq
 Supervisor in charge
 Southern Sub Division

Petition from Piram Subbarayudu
 late Vellah Lock lascar -

With reference to Mr Harris's
 order No 399 of the 3^d October 1877.
 the petitioner begs to state -

The reason why he was without
 employment from March 1867 to 21st
 June 1871 is that in Mr Sage's time he
 was a channel lascar under M Ap-
 -palanarsia who was in bad terms
 with Bhimayya - Bhimayya used
 to trouble the petitioner and others
 who were employed under Appala-
 -narsia who used to be incensed at
 the very word of Bhimayya -
 Bhimayya used to fly into a passion
 when his orders were disobeyed.
 He then gave up the appointment being
 unable to bear the trouble. Appala-
 -narsia & Bhimayya used to quarrel

— quarrel with each other and they
used to run down their subordinates the
petitioner &c., and to abuse them. He
obtained a post again in Major Hasted's
time. Mr. Harris states that the petitioner
got an entry made by Lock Superinten-
-dent in the Statement that the peti-
-tioner was employed as lascar on R.C.
per mensure from March 1865 to August
1870. He does not know how the Lock
Superintendent entered it. it may be
by oversight. 20/1/78.

Copy of letter No. 307 dated 11 August 1878
from the Executive Engineer Eastern Delta Division
to the District Engineer Godavari.

With reference to this office No. 256
dated 28 September 1877, I have the honor to submit
herewith 4 applications for gratuities on behalf of
the lascars noted in the margin whose services were
dispensed with vide G. O. No. 270 W. dated 19 June
1877, on account of unfitness for further active
service from old age and to request that you will
be good enough to obtain sanction for the same.

The Service Books of these men have been
prepared in the Sub Division office according to the
statements of the men, longer periods of services than
could be verified from this office records for three
of them i.e. C. Venkatasa, R. Venkamaiah and B.
Subbaroydoo have been shown in the Service books
but as no copies of Acquittance rolls prior to May
1866 can be found in this office they could not be
verified. The periods of services of each individual
as per Service book and as verified and their claim
for the amounts now applied for are given below
for your information. C. Venkatasa's Service book
shows that his period of service in the Department
was from September 1853 to August 1863, and had

a break from September 1863 to April 1869, and was since reinstated in May 1869, and drawn pay at Rupees per month upto October 1869 and had break again upto March 1870, and again reinstated in April 1870, on Rs 6 per month and served up to 2nd September 1877, but as verified from copies of Acquittance rolls kept in this office, it is found that his entertainment was on 1st January 1871, and was a lascar on Rs 5, per month up to 30 April 1874, and promoted to Rs 6 in May 1874, and remained so up to 2nd September 1877.

In his explanatory petition herewith sent he confessed as having left the Service for a certain period on account of his household affairs. As under these circumstances the applicant has forfeited his past Service under Section 44, of the Civil Pension Code for having breaks in the continuity of Service; his Service is only reckonable for gratuity from 1st January 1871 so gratuity for 3 months pay for which he is entitled under Section 63, of the Civil Pension Code is now applied.

B. Soobaroydoo - his Service book shows his service from July 1856 to January 1857 as temporary lascar, from April 1857 to March 1865 as permanent lascar on Rs 6, and a break from 31st March 1867 to 21st January 1871, ^{and service from 22nd January 1871} upto 1st February 1874 as lascar on Rs 5, and from 15th February 1874 to 2nd September 1877 on Rs 6. In his explanatory petition herewith sent

23
sent he confessed as having left the post in 1867, and since reinstated in 1871.

As this break entails forfeiture of past Service, his regular service, was from 22nd January 1871; upto 2nd September 1877 which has been verified from copies of Acquittance rolls kept in this office and is under 10 years a gratuity of 3 months pay for which he is entitled is therefore applied on his behalf.

R. Venkamah his service book shows a Service from February 1849 to April 1863 as temporary lascar on Rs 4, and from May 1863 to 9th June 1868, and from 10th June 1868 to 2nd September 1877 as permanent lascar on Rs 4 & 6, respectively, but his Service from 1st May 1866 from which only records are available, has been verified in this office. His permanent service as per his Service register commenced from May 1863 and is above 10 years, 4 months pay is therefore applied on his behalf.

As regards Shaikanser the Service shown in the Service book is correct and verified as total period of his service is under 10 years, 3 months pay is applied for

The Medical officer's certificates and Service books of these 4 men are herewith submitted.
