Copy of letter N^o 307 dated 11th August 1878, from the Executive Engineer, Eastern Delta Division to the District Engineer, Godavari.

With reference to this office N^o 456, dated 28th September 1877, I have the honor to submit herewith 4 applications for Gratuities on behalf of the lascars noted in the margin whose services were dispensed with vide G. O. N^o 270 W, dated 19th June 1877 on account of unfitness for further active service from old age and to request that you will be good enough to obtain sanction for the same.

The Service Books of these men have been prepared in the Sub Division Office according to the Statements of the men, longer periods of Services than could be verified from this office records for three of them i.e. C. Venkatasa, P. Venkamat and B. Saraboydas have been shown in the Service Books but as no copies of Acquittances prior to May 1866 can be found in this office they could not be verified. The periods of Services of each individual as per Service Book and as verified and their claim for the amounts now applied for are given below for your information. C. Venkatasa his Service book shows that his period of service in the Department was from September 1853 to August 1863, and he had a break from

N^o 698

from September 1853 to August 1863, and he had a break from September 1863 to April 1869, and was since reinstated in May 1869, and drawn pay at Purses 4, per month up to October 1869, and had break again up to March 1870 on Rs. 6 per month and served up to 2nd September 1877, but as verified from copies of Acquittance rolls kept in this Office, it is found that his entertainment was on 1st January 1871, and was a lascar on Rs 5 per month up to 30th April 1874, and promoted to Rs 6 in May 1874 and remained so up to 2nd September 1877.

In his explanatory petition herewith sent he confessed as having left the Service for a certain period on account of his house hold affairs. As under these circumstances the applicant has forfeited his past Service under Section 44 of the Civil Pension Code for having breaks in the continuity of Service; his Service is only reckonable for gratuity from 1st January 1871, so Gratuity for 3 months pay for which he is entitled under Section 63 of the Civil Pension Code is now applied.

P. Soobroydoo. his Service book shows his service from July 1856 to January 1857 as temporary lascar, from April 1857 to March 1865 as permanent lascar on Rs 6, and a break from 31st March 1867 to 21st January 1871 ^{and service from 22nd January 1871} up to 14th February 1874 as lascar on Rs 5 and from 15th February 1874 to 2nd September 1877 on Rs 6.

In his explanatory petition herewith sent he confessed as having left the post in 1867, and since re-instated in

in 1871.

As this break entails forfeiture of past Service, his regular service, was from 22nd January 1871, up to 2nd September 1877, which has been verified from copies of Acquittance rolls kept in this Office and is under 10 years a Gratuity of 3 months pay for which he is entitled is therefore applied on his behalf.

P. Vankamah. his service book shows a Service from February 1859 to April 1863 as temporary lascar on Rs. 4 and from May 1863 to 9th June 1868, and from 10th June 1868 to 2nd September 1877 as permanent lascar on Rs 4 and 6, respectively, but his service from 1st May 1866 from which only records are available, has been verified in this Office. His permanent service as per his service register commenced from May 1863, and is above 10 years, 4 months pay is therefore applied on his behalf.

As regards Shaitanoo the Service shown in the Service book is correct and verified as total period of his Service is under 10 years, 3 months pay is applied for.

The Medical Officer's Certificates and Service books of these 4 men are herewith submitted
