His Excellency the Governor
in Council, Fort St

The humble Petition of Shaik Ebrahamsaib lately a Dalayet in the Collector's office Madura.

Most Respectfully Showeth,

With due respect and humble submission the Petitioner takes the liberty of addressing these few humble lines to your kind consideration and grant him his humble request;

He has served in the Government for a period of 40 years. 11 months. 7 days. From the year 1819 to 1860, and was stopped in the new introduction of the establishment.

In accordance with the order from the Government, he sent both the endorsements of the Collector and of the Board of Revenue for your honors kind perusal, upon which, the Govt sent a letter through Collector to Suptt, to know, if the Petitioner has resigned the Post of his own accord or by compulsion. He, (Suptt) has sent a reply to the Govt as there was written in his record. As this is not satisfied the Government again sent a letter to the Suptt requesting him to investigate, whether there is an application of his resignation or his signature, He. (Suptt) wrote in return that neither of them is to be found. By this he, (Petor) came to understand that the Government any how would render justice and he never thought of that the Government

disappoint hi . The the Petitioner's request is inadmissible, and why the pension cannot be granted, to such a man, who has the long service of 40 years, 11 months. 7 days. Is he to loose long period of services for nothing, and he cannot find any proper reason for this; He hoping that the Government would protect him in future, has undergone many difficulties and apprehended many robbers, and murders. It is not right on the part of the Government to do so, He (Peter) is a man of 85 years old. having nothing to leave upon. and so weak as not to walk. and is suffering a good deal. from want in this time of famine. And he thinks that it is better for the Government. to stab him. with a dagger without giving him least trouble, than to do such injustice, It is very unjust to decline him his request, of granting him pension, and he has never committed any fault, whatever, and it is very horrible thing on the part of the petitioner; He has many children who solely depend upon him for food. He therefore most humbly begs your honor would be kind enough to peruse these humble lines and thereby make him to draw pension;

1. As to character and past conduct of Applicant.

2. Explanation of any suspension or degradation.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it.

5. Any other remarks.

No Service Book is sent, as such were not kept at the time when he left the Service. The Applicant after his discharge from the Police Force presented several petitions to the Collector, Board of Revenue, Madras Government, Govt. of India & the Home Government praying for the grant of pension; but all were rejected on the ground that he of his own accord resigned the Police Service & consequently lost all claims to it under Section 40 of the Civil Pension Code. The Applicant however did not desist from importunating the Authorities with petitions. The Applicant has all along been contending that he never resigned, but was discharged from the Police Department owing to infirmity & old age. This averment was not supported by the Police Records which clearly shew that he resigned the Police Service. This Application is now submitted in obedience to the Order of Government dated 15th December 1877 on Petition No 6191 which is herewith transmitted.

From The Ag Collector of Madura dated 18th January 1878.
— " — Offg Assist. to Accountant General dated 17th February 1879 No. 180/48

FOR ORDERS.

This applicant in G.O. 23rd July 1863 No. 209 received a gratuity of Rupees 42 for his total service of 40 years 11 months and 7 days, in the Collector's Office.

Afterwards, in 1865, the Collector recommended him for a compassionate Allowance of Rupees 2-8-0 per mensem, under Financial Resolution

Resolution of the Government of India, dated 11th December 1863, No. 6254, and this he would have been entitled to, if he had remained quiet; but having been re-employed and having voluntarily resigned that employment, the Govt. in paragraph 4 of their order of 2nd May 1865 No. 159 rejected the application.

In 1871 he submitted a Memorial to the Secretary of State. The Petition was dealt with in the Petition Department and transmitted to its address with letter to Govt. of India dated 14th April 1871 No. 143 Financial in which all mention of the previous grant of gratuity in 1863 was omitted. The result of this was that the Home Govt. authorized the grant to him of a gratuity

of the regulated amount in respect of the service rendered by him prior to his employment in the Police, and the Govt. in their Order of 15th Novr. 1871 No. 538 directed the Collector to disburse to applicant a gratuity of Rupees 42 and he thus received this amount a second time.

All peons thrown out of employ by reduction of establishment before 1861, ~~and~~ who have not been re-employed, received gratuities as well as compassionate allowances but in the present case the application for compassionate allowance was not granted on the ground specified above.

His

His last service as Batta peon from 1st December 1866 to April 1874 and from August 1874 to 30th Novr. 1876 does not qualify being of a temporary nature.

The Account Depart: now suggest that the second gratuity erroneously sanctioned & paid should be refunded.

It is presumed this will not be required. Indeed it would be difficult to enforce any such order.

The applicant's memorial to the Sec of State should be withheld under cl 3 Rule XII of the memorial rules.

The following order is suggested.

I shd. be disposed to give the Compassionate allowance ~~& let the 2d gratuity be credited as a commutation for Pen acct.~~

~~I don't think the Police obligation is clearly such as to bar the charge. It seems much more like a compulsory retirement from age.~~
