to his appointment in October 1861, to the
Upper Godavari District, should be allowed
to count for pension.

Resolution

It appears that Mr. Vanstavern was
employed on a temporary Establishment from
the March 1857, till January 1861 and on
the permanent Establishment from January
till October 1861 - and that he was then trans-
ferred to the Upper Godavari District.

Under Civil Pension Code, 17, Mr. Vanstavern
can only count service for pension from
January 1861. It appears ~~appears~~ however
that he did good service, that the climate
in which he served was unhealthy and
malarious, and that the Establishment
on which he served, though considered temporary,
had to be kept up permanently. And
on these grounds the Acting Governor
General in Council is pleased to permit
him, as a special case, to count his service
for pension from 14th March 1857, provided
that no part of the time is liable to
forfeiture on other grounds.
Ordered that the foregoing Resolution
be communicated to the Public Works
