THIS is to certify that I. have carefully examined Syed Mustan Salt Peon Dugarazapatam Division, son of Syed Hussin, Salt Peon Dugarazapatam Division His age is by his own statement over 50 years and by appearance about 60 years I consider Salt Peon Syed Mustan to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of Cataract & General Debility.

His incapacity does not appear to have been caused by irregular or intemperate habits. He has not been under general Medical treatment. ~~Treated with~~

The "application was meant for "Invalid pension". The Medical Officer's certificate testifies to the unfitness of applicant for further service. It is requested that the entry against "Class of pension or gratuity" in the application may be altered accordingly.

Enc/ No. 469

No. 2. The Salt Deputy Collector states in explanation of the delay in question that the Service Register of the applicant had to be sent to the Treasury Deputy Collector for verification, which having been returned by the latter officer just when the Christmas vacation was about to commence, the application had to be delayed until re-opening of office. It is due to this office also to state that on examination of the papers connected with this case, it became necessary to make certain references to, and obtain the explanations of, the Salt Dy Collector before they could be passed on to the Accountant General. Hence the delay.
