Pensions.

Read the following paper:—

From A. C. TUPP, Esq., Officiating Accountant-General, to the Secretary to Government, Pension Department, dated Fort St. George, 10th June 1879, No. 2289.

Treasury Account Department.

With reference to the Proceedings of Government, No. 261, dated the 19th ultimo, sanctioning the grant to N. Bujanga Rao, late Tahsildar of Saidapet Taluk, Chingleput District, of a pension of Rupees 80-9-4 per mensem, I have the honor respectfully to point out that, as the break in the continuity of his service, caused by non-employment, from 27th March to 31st August 1875, exceeds three months, it should, under the provisions of Section 57 of the Civil Pension Code, 4th Edition, be condoned only by the Government of India. I beg therefore respectfully to request that His Grace the Governor in Council will be pleased to submit the Proceedings under acknowledgment and the papers connected therewith to the Government of India for confirmation.

ORDER THEREON, 11th August 1879, No. 470.

N. Bujanga Rao, late Tahsildar of Saidapet, was twice thrown out of employment by the Collector of the District under a misapprehension of the rule as to the superannuation of officers who have attained fifty-five years of age.

On the first occasion he was *retained** in the service after a reference to the Board of Revenue, and on the second, was reinstated in his appointment by order of Government, who pointed† out that “he had been required to resign the public service *in contravention*” of the rules.

2. Under these circumstances, the Government are unable to consider that there was an “interruption of service” of a nature requiring condonation.

The removal of Bujanga Rao was irregular and, having been cancelled by competent authority, could not affect his service or title to pension.

3. Copy of these Proceedings will be forwarded for the information of the Government of India.
