CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ superior} grades has been duly proved for 24 years 9 months and 29 days; and that a Compensation {pension ~~gratuity~~} not exceeding Rs. 8 a " per mensem equal one third of the applicant's average emoluments, is admissible under Section 59 & 68 (6) of the Civil Pension Code 4th Edition. The calculations have been duly verified. With reference to Rule 1 under Section 59 of the Code the District Judge in his reply to this Office Objection Memo No. $\frac{\text{A DK}}{167}$ dated 19th Ultimo, states that there being no Offices in the Judicial Depart. available, it was found impossible to provide the applicant with a suitable employment elsewhere and that in accordance with rule 6 of the same Section, he reports that the amount of saving effected to Government in the arrangement made in consequence of the retirement of the applicant from service is Rupees 14 per mensem. Any amount of Pension that will be sanctioned to him should be met from this saving.

It will be seen from a few of the accompanying papers, that the District Judge, in view to the applicant being granted a half Pay Pension, to which he would have been eligible, had he been permitted to remain in Service for a period of 2 months & 1 day longer, when he would complete 25 years service recommends that the period during which the applicant was absent on leave on Medical Certificate, should, as a Special case, be allowed to count as service qualifying for Pension a case not provided for in the Civil Pension Code. Should Government however be pleased to grant the applicant a half Pay Pension as recommended by the Dist. Judge taking into consideration the fact that he was thrown out of employ through no fault of his own but by the reorganization of Establishments in the Judicial Department, it is respectfully pointed out that such concession will need the confirmation of the Government of India.

The case of V Subbachari, Sheristadar of the late Subordinate Judge's Court at Salem, referred to in the accompanying letter from the District Judge No. 6 dated the 26th March 1879, having been disposed of in G O No. 1063 dated 9th May last, Judicial Department, a report on his case is now deemed unnecessary.

The present Record keeper of the Cuddalore Sub Court was not the Record keeper of the late Salem Sub Court, but was the Nazir of that Court.

The late Record keeper of the Salem Sub Court has been made Head Gumastah of the District Munsiff's Court at Dharampuri in the Salem District and so, no application for Pension or Gratuity will now be made on his behalf.

1. Your memo of the 8th Instant No. $\frac{A.D.K}{167}$.

2. In reply to the first query, I have the honor to state that there being no offices in the Judicial Department available, it was impossible to provide the Record Keeper Jaganada Mudaliar with other employment.

I do not understand by Rule 1. Section 50 that application is to be made to other Departments, such as Revenue, Public Works, Police &c, to obtain employment for

N° 11

for an officer discharged. If so, what is to be the limit to such applications?

3. In reply to query No 2, I remark that there has been a saving to Government in the arrangement which necessitated this application for Compensation pension to Jagannada Mudaliar.

It is not necessary under Rule 5 Section 50, as apparently held by the Officiating Assistant to the Accountant General (for Accountant General), that the pay of the Applicant's appointment should be fully saved to Government. "The saving must exceed the cost of the pension", and this is so in the present instance.

The appointment of Record Keeper in the Salem Sub Court on a salary of Rs. 30, and of the Record Keeper in the Cuddalore

Cuddalore

15

Cuddalore Small Cause Court on a Salary of Rs 24 were abolished, and one Record Keeper on a salary of Rs. 40 appointed. The compensation pension proposed for Jagannada Mudaliar is Rs. 12. Hence there is a saving of Rs. 2, which is all that is necessary.

4. The verified list of Jagannada Mudaliyar's services called for in your letter is herewith forwarded.

5. The necessary insertions as to leave as required to be shown in the Service Book, have been entered and the Service Book is herewith returned.

Sir,

1. In submitting the Pension application of W. Jegannath Mudely, the Record keeper of this Court whose services are to be dispensed with in consequence of the abolition of this Court, I have the honor to request that the Government, taking the very hardship of his case into their favorable consideration, will, as a special case, sanction the grant of a half pension to him as applied for.

2. He has been in the Government service for 26 years 1 month and 21 days of which 1 year 3 months and

22

See p 54

22 days cannot be counted for pension being breaks and absence on leave.

3. His total superior service qualifying him for pension then comes to only 24 years 9 months and 29 days which falls short of the required period of 25 years by 2 months and one day.

4. In forming the Establishment for the new Sub-Court to be established here in place of the abolished Small Cause Court the District Judge and I were unable to find employment for him in preference to the several more efficient men who were thrown out of employ by the abolition of the Small Cause Court here and the Sub-Court at Salem, and we felt also further bound to retire him under the terms of the G. O, Judicial Department, dated 11th February last, No. 265, which left no option to the District Judge but "to retire all those who are eligible for pension of

His total qualifying service is according to his Statement 24 $\frac{1}{2}$ years which I have no means of verifying.

the ordinary kind".

5. Acting according to the spirit of this order and also regard being had for the efficiency of the public service we were bound to retire him as also P. Subbachary, the Sheristadar of the Salem Sub-Court whose case is similar to that of this Mudely; but looking to the fact that they both are so close on their half pension and that it is by no fault of their own but by the abolition of the Courts that they have lost the opportunity of completing their service I am instructed by the District Judge to lay their cases before Government for their especial consideration which the hardship of their cases deserves.

6. Should however the Government be pleased to order so, we are prepared to re-employ them in the new Court for such length of time only (for to keep them longer would be detrimental to the interests of the

public

public service) as is wanting to complete their 25 years of service provided the Government allow us the liberty of retiring them at the end of that period without regard to any of the other provisions of the Pension Code.

From

To

Chief Secretary to Government,
Madras.

Sir,

I have the honor to forward a letter received from the Judge of the Court of Small Causes, hereafter to be Judge of the Sub. Court established from the 1st proximo in this District.

2. The letter solicits the favorable consideration of Government to the cases of W. Jaganada Mudali, the Record Keeper of the Small Cause Court, and P. Subbachary, the Sheristadar of the Salem Sub. Court, who have been compelled to retire under the Order of Government, in consequence of their having served,

for pensions of the ordinary kind, but whose cases are such as are to deserve special consideration.

3. They are both compelled to retire upon pensions calculated at one third of their respective salaries, because their service for pension falls short by two months and one day in the case of W. Jaganada Mudali and of six months in the case of P. Subbachary.

4. It seems unusually hard that for lack of a few months service, they should be compelled to retire upon the smaller pension, and I beg to endorse the request of the Small Cause Judge that their cases should be treated exceptionally – that in the case of W. Jaganada Mudali, a period passed on sick leave should be allowed to count for pension, or that he should be retained in the service until the few months requisite for qualification be completed, and that in the case of P. Subbachary, he should similarly be allowed to retain office to complete service for half pension. The Order of Government is necessary, because unless made special cases, we could not retain these men in the service for the few remaining months and then compel their retirement.
