ORDER THEREON, 1st March 1879, No. 101.

Under Sections 52 and 65 (*b*) of the Civil Pension Code (3rd Edition) the Governor in Council is pleased to grant to Lakkumsetti Appama, late Peon in the Sattanapalle Taluk, Kistna District, an invalid pension of Rupees (3) three per mensem, to which he is entitled for his qualifying inferior service of thirty years, seven months, and seven days, payable from the 8th November 1876.

2. As the applicant is since reported to have died on the 1st May 1878, the arrears of pension due are, under Section 92, Rule 2, of the above Code, payable to his lawful heirs.

3. The reason assigned by the Sub-Collector, Kistna District, for the delay which has occurred in the submission of the application is not satisfactory. THE undersigned has the honor to return the above together with the other papers which accompanied it, and to state that the services of the applicant from 1872 have been verified from the Peon lists of each year on record in this office, and not for the period previous to the above date owing partly to the non-entry in the Annual Returns of the names of menials and partly to the non-appearance of the applicant's name in the Annual Return of 1 May '65 and peons lists from 1866 to 1871–

In the Return of 1865 and Peons lists above referred to, the name of one L. Appiah in the former, and L. Appiah in some and as L Appiah or Kotapah in the rest of the latter is traceable, but it is doubtful to this office whether this individual is the identical man–

It is requested that, when forwarding

the application, information on the following points may be furnished - Viz -

1. Whether the Kurapad Taluq Estabt was permanent or Extra ones since the purchase of the Taluq in April '46 and till June '60 - If former was the case what are the names of the Thasildars who presided over the Taluq & Estabt during the period of the Applicant's service therein - and if latter was the case was the Estabt maintained pending the general revision of the whole of the Taluq Estabts in Krishna Dist:
2. Why the applicant was removed on the 7 Novr 76 without a Medl Certificate of his unfitness for further service having been first obtained as required under Section 53. of the Civil Pension Code.

Certified that I have carefully examined L. Appanah, Son of L. Kotappah, Revenue Peon in the Tahsildar's Catcherry of the Suttana=pelly Taluk. His age is by his own statement 52 Years and by appearance about 57 Years I consider L. Appanah to be completely and permanently incapacitated for further service of any kind in the Department to which he belong in consequence of Old age, General debility & defec=tive sight. The incapacity, does not appear to me to have been caused by irregular & intemperate habits.

Sir,

With reference to your Proceedings No. 653 dated 29th March last, I have the honor to report as follows.

2. Lakkumsetti Appanna late Revenue Peon of the Sattenapalli Talug therein referred to while I was at Krosur in November last appeared before me and represented that he had served Government for 34 years that he became too old to work, that his eye sight was affected & that he may be permitted to retire.

3. His resignation was thereupon accepted, another man being appointed in his place on 7th November, and the Tahsildar directed to submit a Statement of the services of the Peon.

4. The Tahsildar accordingly submitted the Peon's service Register with his Arzi

dated 16th December 1876. He states that he has verified from the Taluq records the service of the Peon upto 30th June 1876.

5. The subsequent period of his service upto the date of his retirement is now filled up in the Register which being sent at the time to the Treasury Deputy Collector was since got back.

6. In Column 11 of the Register the reason why the Peon was made to retire is given with the other information required – In your Proceedings an explanation of the delay of 8 months in the submission of the papers is required.

7. I beg to state that no such delay occurred – As in the service Register the peon's service was verified and closed upto 30th June 1876, before it was sent to the Treasury Deputy Collector, it might be presumed by you that a delay of 8 months from that date had occurred, whereas the Peon had actually resigned his post on the 7th

November

39

November following, there seems no such delay in sending the papers.

8. With reference to the provisions of Chapter XIV of the Code (3rd Edition) the application is now prepared and submitted in the prescribed form.

9. I also enclose a Medical Certificate given by the Zillah Surgeon at Guntoor which shows that this Peon is not fit for further service by defect in his sight.

10. The papers connected with the case of this Peon are herewith sent.

I have &c.

Memo

The Sub Collector will be good enough to forward the party's Arzi resigning his post and the order accepting the same. As also any other correspondence connected with his retirement.

2. It will be seen that under section 48 Civil Pension Code, resignation entails

forfeiture of service.

3. The party was professionally declared unfit for further work on 1st May 1877. But he was actually discharged some 6 months beforehand, Vide G.O. No. 223 May 3, 1877, Pension Department Copy of which has been furnished to Sub Collector. To be returned.

Kistna District.

Sir,

In reply to memo dated 15th August 1877 on this Office letter No. 310 dated 30th May last I have the honor to inform you that the Peon Lakkum-setti Appanna referred to having been suffering from defective sight when I visited Krosur in November last tendered his application for pension asking for permission to retire, which was accordingly accepted.

Returned herewith.

2. As the G.O. No. 223 dated 3rd May 1877 was not communicated to this

office till 2d July last, and as it has been the practice in some cases that the incapacitated incumbents are made to retire before medical certificates were obtained, this man also was allowed to retire - and after collecting the necessary information his case was submitted with the medical certificate, hence the delay.

3. The party's application or Arzi resigning his post and the order accepting the same are herewith forwarded, although in the Arzi he does not distinctly ask for pension I do not suppose he ever intended to forego his right to it, or that Government would wish to take advantage of his

ignorance

ignorance of the niceties of the Pension Code.

Order thereon 1st ~~February~~ March 1879 No 101.

Under Sections 52 and 15 (b) of the Civil Pension Code (3rd Edition), the Governor in Council is pleased to grant to Lakkumsetti Appanna late Peon in the Sattenapalli Taluq Kistna District an invalid pension of Rs 3 Three per mensem to which he is entitled for his qualifying inferior service of 30 years 7 months and 7 days payable from the 8th November 1876.

2. As the applicant is since reported to have died on the 1st May 1878, the arrears of pension

due are under section 92 Rule 2 of the above Code payable to his lawful heirs.

3. The reason assigned by the Sub Collector, Kistna District for the delay which has occurred in the submission of the application is not satisfactory. It is against rule, repeatedly affirmed, to remove an incapacitated servant from Office prior to his being Medically Certified to be incapacitated.
