From E. J. SINKINSON, Esq., Under Secretary to the Government of India, Financial Department, to the Acting Chief Secretary to Government, dated Fort William, 25th January 1879, No. 388.

I am directed to acknowledge the receipt of your letter, No. 547, dated 23rd November 1878, furnishing certain information regarding those Government servants in the Madras Presidency part of whose services has been rendered on Devastanam establishments.

2. It is observed from the letter of the Collector of Tanjore, No. 4105, dated 13th November 1876, received with your letter, No. 182, dated 9th April 1877, that Devastanam establishments in the district of Tanjore were dispensed with in the year 1858, and it is believed that in the other districts such establishments were dispensed with about the same time. From the papers now received it appears that there are at present in the service of Government forty-eight persons who have served partly on Devastanam establishments, but it is stated in the Proceedings of the Board of Revenue, Madras, appended to your letter of the 23rd November 1878, that the claim of Deputy Collector Kistna Rao to pension will not be affected by the exclusion of his service on Devastanam establishment, and that the service of Hanumantha Row, Taluk Gumastah, Bellary District, will not count towards pension by reason of its having been rendered at a very early age. Excluding these two cases, there remain forty-six persons whose claims to pensions are likely to be affected by the exclusion of their service on Devastanam establishments.

3. The Governor-General in Council is pleased to decide that in the forty-six cases referred to the service rendered on Devastanam establishments for the periods shown against each officer's name in the list submitted with your letter of the 23rd November 1878 shall count for pension.

4. I am to inquire whether the case of Narayana Row, whose claim was submitted with your letter, No. 204, dated 24th March 1876, is met by these orders. The list referred to contains the name of one Narayana Row, but apparently he is not the person whose case was submitted in March 1876, because, as stated in your letter of the 24th March 1876, the service on Devastanam establishment of Narayana Row amounted to four years and six months, while the service on such establishment of

Narayana Row who is included in the list referred to is shown to have been three years and eleven months.

Copy of this letter and of the list referred to forwarded to the Accountant-General, Madras.

ORDER THEREON, 13th March 1879, No. 120.

2. With reference to paragraph 4 of the foregoing letter, it is observed that the case of Narayana Row, whose claim was submitted to the Government of India, is met by these orders, and G.O., dated 24th March 1876, No. 203, will accordingly be cancelled.

3. Narayana Row is now entitled to the difference between the higher rate of pension sanctioned in G.O., dated 25th January 1876, No. 58, and that granted by G.O. of 13th September 1875, No. 531. The amount of arrears due to him will accordingly be disbursed.

to pension will not be affected by the exclusion of his service on Devasthanum Establishment, and that the service of Hanumantha Row, Taluk Gumastah Bellary District will not count towards pension by reason of its having been rendered at a very early age.

Excluding these two cases, there remain 46 persons whose claims to pensions are likely to be affected by the exclusion of their service on Devasthanum Establishments.

3. The Governor General in Council is pleased to decide that in the 46 cases referred to, the service rendered on Devasthanum Establishments for the periods shown against each officer's name on the list submitted with your letter of the 23rd November 1878, shall count for pension.

4. I am to enquire whether the case of Karayana Row whose claim was submitted with your letter No. 204, dated 24th March 1876, is met by these orders. The list referred to contains the name of one Karayana Row, but apparently he is not the person whose case was submitted in March 1876, because as stated in your letter of the 24th March 1876 the service on Devasthanum Establishment of Karayana Row amounted to 4 years and
