REVENUE DEPARTMENT.

21st March 1878, No. 442.

Read the following paper :—

No. 239. Endorsement of the Additional Secretary to Government, Revenue (Famine) Department, dated 7th March 1878.

Read the following Proceedings of the Board of Revenue, dated 20th February 1878, No. 452.

Read the following letter from R. DAVIDSON, Esq., Acting Collector of Kurnool, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 7th February 1878, No. 58 :—

I HAVE the honor to enclose copy of a letter from the Acting Head Assistant Collector, dated 13th November 1877, No. 2,746-A, together with the marginally-noted enclosures, bringing to notice the utter incompetence of Kallur Kristna Row, the Cumbum Tahsildar, to discharge his

present duties or even those of a much less responsible post than that of Tahsildar.

2. I find from Mr. Chase's letter embodied in Board's Proceedings, dated 22nd July 1871, No. 3,071, that Mr. Chase reported him to be unfit, more especially as a Magistrate; that he was very idle, hardly ever left the Cusba station and "publicly cleansed" his Cutcherry "as a purification" after each visit by "a non-Brahminical ruler," and recommended his dismissal.

3. As that was the first time his conduct had been reported, the Board felt inclined to give him a further trial, on the understanding that "unless things changed immediately and entirely, unless greater capacity and efficiency as a Magistrate be clearly proved, and unless the careless indolence which is evidenced by his neglect to move about his taluq entirely disappears, he will at once be reduced to a Taluq Sheristadarship, or to the Accountant's post for which alone he is probably fit in any respect."

4. On the receipt of a more favorable report from Mr. Chase regarding the Tahsildar, the Board in their Proceedings, dated 27th October 1871, No. 3,807, remarked "the Board are glad to receive the more favorable account of the Tahsildar's conduct; he should, however, still be carefully watched by his immediate superior."

5. On my assuming charge of the district towards the end of December 1876, the Hon. D. Arbuthnott, who was then organising relief operations in the Cumbum Division, reported to me demi-official under date the 30th December 1876, that the Tahsildar was "useless," and again on the 9th January 1877 that he was "ill of fright." Since then I have had repeated opportunities of personally forming an opinion of his capabilities, and I am entirely of Mr. Fawcett's opinion that he is quite incompetent to fill almost any responsible post of importance with efficiency. He has been a total failure during the famine, and has been the occasion of a vast amount of

unnecessary trouble and delay owing to his careless and inaccurate mode of rendering accounts. As Mr. Fawcett truly remarks—"His returns are nearly always incorrect in some particular. He is not even capable of entering coolies on the proper roads, &c.," so that he has shown himself to be not even fit for an Accountant's post as suggested by the Board in their Proceedings already quoted.

6. Under all these circumstances, and as Mr. Fawcett holds out no prospect of the Tahsildar ever improving, I have the honor to recommend that he be reduced to some minor appointment where his presence will be less injurious to the public service, unless the Board and Government are of opinion that he should be altogether removed from the public service as utterly useless in a crisis such as that through which we are now passing.

ENCLOSURE No. 1.

From G. W. FAWCETT, Esq., Acting Head Assistant Collector, Cumbum, to R. DAVIDSON, Esq., Acting Collector of Kurnool, dated Cumbum, 13th November 1877, No. 2,746-A.

In reply to your foot-note, No. 2,711, dated 10th ultimo, I have the honor to enclose arzi No. 487, from the Tahsildar of Cumbum, regarding the large increase in the number of 3-pie children during the week ending 29th September 1877.

2. The number appears really to have increased by 89. The cause of the largeness of the figures entered in the return for the week under report was that 5,200 children were entered in it that should have been entered in the return for the week before, but were not on account of the return for one range being received too late. These children were thus entered for one week in the same return.

3. To excuse himself for this, the Tahsildar quotes an order of the Treasury Deputy Collector at Kurnool about adjustment of figures received too late, but this is absurd. His returns are nearly always incorrect in some particular. Even when no mistake can be detected by comparing the returns, I have several times lately found his figures wrong from my personal knowledge. He is not even capable of entering the coolies on the proper roads, though I have sent more than one explanatory order about what to a man of ordinary intelligence would seem plain enough.

4. So far as I can see he does little or no work, neither is he capable of it. In my opinion he is not fit even for a much less responsible post than that of Tahsildar.

D. D. No 59

The Medical Officer's reasons for considering the applicant unfit by general debility are given in the enclosed letter from Dr. Gray.

2. The applicant having complained of piles and as this and the repeated attacks of Cumber fever might probably have led to his inefficiency in the discharge of his duties as reported by the Head Assistant Collector, he was allowed to appear before Medical Officer.

3. The Service book is herewith returned with the signatures of the Officers concerned in the 1st Col. of the 1st page and in the 7th Col. of the 2nd page.

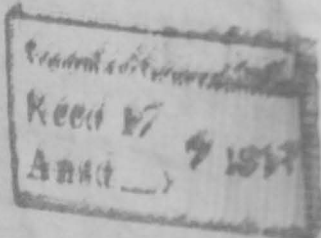

4. The applicant having been employed at first in the Gudur (now Ramakota) Taluk, his initial letter was entered as "G" for some time. As he was living at Kallur (a village in the Gudur Taluk) long after he was transferred to the Huzur, his initial letter was subsequently changed into H.

5. The applicant having completed the required service for pension, to complete which the Board recommended that he should be removed to some inferior post (vide Board's Proceedings dated 20th February 1878 No 452 on which the G. O. 21st March 1878).

1878 No 462 was passed approving of this recommendation, and he having become incapacitated for further public service in any grade for reasons given by the Medical Officer, he was not renewed as directed in the L. O.

Kallur Krishna Rao has served under me for nearly 3 years as Talukdar. During most of this time he had charge of Cunnem Taluk. The work of this Taluk is not light & the frequent absence of some assistants from Feroz made it difficult to avoid delay, but notwithstanding this the work of the Office was done well & satisfactorily. I attribute this in a great measure to the fact which Krishna Rao displayed in managing his subordinates, to the full knowledge of the revenue history of the District which Krishna Rao possesses. I hope the fact that he is one of the old school who do not know suflis will not stand in his way for promotion. 30.3.76 <u>H. Sharma</u>

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 25 years 9 months and 18 days; and that an Annual {pension} not exceeding Rs. 7500 per annum is admissible under Section 52(2) of the Civil Pension Code. The calculations have been duly verified. Government in their Order No. 442 dated 21 March 1878 Revenue Department directed that the applicant be reduced to Sahay Shrista for incapacity or to some other post of equal emolument in consequence of his incapacity to hold the responsible Office of Tahsil Darbar. The latter appears to have found it impossible to give immediate effect to that order, before the applicant's retirement from the Accountant-General's Office.

It will be seen from the correspondence embodied in G.O. referred to in the preceding para that the character and past conduct of the applicant have not been satisfactory. It is therefore with Government to make such reduction in the amount of pension that may be sanctioned to applicant as it thinks proper under rule 1 Section 68 of the Civil Pension Code.

Under Sections 52 & 54 (c) of the
Civil Pension Code (3rd Edition), His Grace

the Governor in Council is pleased to grant
to *Kallur Krishna Row*
late *Tahsildar of*
Cumbum Taluq. Kurnool

Disturb an invalid
pension of Rupees (75-0-0)
Seventy five per mensem in
consideration of his qualifying *Superior*
Service of *twenty five* years, *nine*
months and *fourteen* days, payable
from the 21st May 1878.—

17.3.79

For orders

The full pension admissible is
entire. There is nothing against
his character during his long service
in the service register. It appears in-
however the Govt in their order dated 21st March 1878 directed that the
applicant be reduced to the post of
Tahsildar or to some other
post of equal emolument for con-
sequence of his incapacity to hold
the responsible office of Tahsildar,
but the Collector appears to have
found it impossible to give immediate
effect to that order, and as the man
seems prematurely worn out, perhaps
his faults of late years were due to
failing capacity.

Orders are requested whether
any reduction is to be made in
the pension, or whether the full
amount is to stand.

To the Accountant-General, with Register.
