Sir,

I have the honor to forward an application for gratuity on behalf of Kantete Narasiah lately employed in the Public Works Department.

2. The Cause of delay, in bringing this claim to notice, is owing, to the Service register forwarded by the Range Officer not giving the Correct dates of each appointment, so that old records had to be referred to.

3. There is no record in the Office as to the entries not reckoned as service, and even for the items reckoned as service, I found no records to enable me to verify, with the exception of the Copies of pay bills sent from Cumbum Range, which do not agree (in one instance)

with the periods reckoned and not reckoned as Service, given by the Range Officer or the Applicant.

4. On an application made to the Range Officer for Certain records regarding this Case, he stated there were none in his Office from which he could quote the Correct dates &c. This is true I believe, to some extent, but not to delay the application any longer, the entries in it have been verified, as far as possible, from the Copies of the pay bills sent from the Cumbum Range Office.

5. I beg to observe that Certain information was asked for, regarding this Case, from your Office in this Office No. 29 dated 28th October /74 but no reply has been received.

1. Memo: No 323 dt 20th March 1875 from the Controller of P. W. Accounts

With reference to your Memorandum No 323 dated the 20th March last, I have the honor to furnish the information therein called for.

2. The entries in the History of service were obtained from the copies of Pay abstracts sent to the late Civil Auditor & Controller from time to time.

3. In the statement of salaries & allowances &c for the month of February 1862 forwarded by the District Engineer in March 1862 to the Civil Auditor and Chief Engineer a sum of Rs 39-4-7 was entered as

being the pay of Sub Overseer Narsiah from January to February 1862 at 25 Rupees per mensem, but no mention was made in it for what purpose the difference of Rs 10-11-5 was withheld, I have therefore taken for granted that your entries are right.

accepted

4. As to your entries in Audit Register as acting Maistry from 27th May 1864 to 30th June 1864 I think there is some mistake in the year for, from the records in this Office as well as those in the possession of the applicant the entry appears to be from 27th May 1863 to 30th June 1863.

accepted

5. The applicant services were dispensed with from 1st April 1863 owing to the reduction of Sub Overseers in that year. The application for gratuity is now revised according to the difference of entries pointed out by you, so far as they can be verified

6. There are no records to prove his employment as Temporary Maistry from 1st July 1863 to 13th December 1863 and 1st March 1864 to 8th September 1865, as his pay for these periods was charged to "work Establishment"; however I have written to the Range Officer Cumbum to verify as far as possible these entries; the result of this communication will be reported to you when received.

7. The service book was not maintained during the time he was in service.

8. As to fresh Medical Certificate required by you in para 4 of your Memo under reference I beg to point out that the applicant has been laid up with fever for the last 3 months and is still sick - and as he lives in Cumbum, a distance of 105 miles from this station, I beg to suggest that a Certificate from the Hospital Assistant be accepted - as he has already submitted a Certificate from a Zillah Surgeon.

Most Respected Sir.

With reference to your honor's Memo No 298 dated 24" October 75, I most respectfully beg to bring to your honor's kind notice that, I am unable to furnish a revised Medical Certificate as requested by the Controller, because the Civil Surgeon who granted the Medical Certificate is not now at Kurnool, as also the distance which is between Cumbum and Kurnool (105 Miles) to travel, which in this old age of mine accompanied with poverty is very impossible.

Your honor directed me to appear before the Dy: Surgeon General on the occasion of his visit to Cumbum, but to my utmost misfortune I come to understand that the Surgeon General is not Coming to Cumbum, as I am very old and weak, and suffering from Cumbum fever and in want of pecuniary assistance.

I most humbly beg your honor to take my poor Case into your honors kind Consideration and try to settle my case as your honor deem proper.

In doing this act of kindness I and my large family shall ever pray for your honor's long life & prosperity

Gratuity papers of C. Narsiah.

Enclosures 3.

Sir,

Adverting to your memorandum No. 96 K.R. dated the 17th February last returning the application for gratuity submitted on behalf of Canthaty Narsiah late Taluq Writer in the Cumbum Division I have the honor to furnish the following informations on the points therein referred to.

Para 1 of the letter under reply.

2. The Divisional Officer reports that there is nothing in his Office to show whether the applicant was employed on the Imperial petty establishment from 1st November 1855

to 11th October 1860, or on the work establishment, and from what source his pay was disbursed during that period; but he (Divisional Officer) states that from such local information as he has been able to collect on the subject, he is inclined to think that, the applicant was paid from the estimate of works during the period noticed above.

3. An affidavit has been taken from the applicant (in presence of the Town Magistrate Cuddapah) for the period of service that cannot be verified, either from the records of the Range or from those of the District Office, which is herewith forwarded as requested. No other collateral evidence can be collected to prove his continuous employment except his own statement, as certified in the affidavit.

4 It cannot be ascertained either from the records of the Range or from those of the District Office under what circumstances

15/11

the applicant was disallowed to revert to his permanent appointment as Office Gumastah on the 31st March 1863 on which date the Sub Overseer's grade to which the applicant was temporarily promoted, was abolished, but the applicant states that immediately on his promotion his former post as Office Gumastah was permanently filled up by another and consequently he had to take up the post of Maistry on the abolition of the Sub Overseer's grade.

5. The gratuity application and Medical Certificate of the applicant received with the memo under reply are herewith returned as requested.

The humble petition of C. Narasaya late Taluk Writer of Cumbum

Most Respected Sir,

With reference to your foot note No. 901 dated 24th January 1877, I most respectfully beg to submit the following information for your perusal.

1. In the year 1836 I was made a Peishkar in Rajahmundry District and continued in the very post till 1839; but as I was sick for the dis-agreement of the water I resigned my post and returned to my native place Nellore.

2. In September 1865 I was made to act for T. Balakristnayya as Overseer's Writer on Rs. 15 per mensem in Dupaud Taluq. A short period

afterwards the vacant post of Overseer's Writer Cumbum Taluq was given to me and I continued in the very post till 1872. I do not know who was holding that post before me and who Chella Peramaul was.

3. It was not customary in this Department to issue Takeeds to the Servants that were made permanent incumbents. So I was told by my Superior that I was confirmed in my post and nevertheless it would be plain to your honor on a reference to the pay Abstracts from 1866 that I was a permanent incumbent.

4. In 1872 though I was on Sick leave yet I was assisting my son who was made to act for me in doing the work done properly. The Then Range Officer Mr. Crowe issued me orders before the expiration of my Sick leave that I should vacate my post without any fault on my part. Consequently I immediately presented a petition to the Superintending Engineer stating in that that I was reduced without any cause and that my post would be re-favoured to me as I could perform the work for myself; but before an order was passed on my petition the then Superintending Engineer was transferred to another District and so his successor Colonel Bean informed me through a docket dated 25th October /72 No. 1694 that he could not revert the late Superintending Engineer's decision and that he would recommend me for Gratuity. Accordingly I applied for Gratuity. This was the reason for my reduction but not I was reduced for the abolition of Establishment.

5. In Conclusion I most respectfully

on Rs 12 per mensem from August 1836 to June 1839. The reason for this period having been omitted in the History of Service of the application is explained by the District Engineer in the enclosed letter No 5 of 21st January 1876. Further correspondence on the subject was considered unnecessary.

The periods from 1st May 1854 to 11th October 1860 and from 27th May 1863 to 8th September 1865 have been classed as "Period not reckoned as Service" the applicant having held non qualifying appointments during the above periods.

The applicant's services for the periods from 12th October 1860 to 31st March 1863 and from 9th September 1865 to 31st August 1872 have been duly verified from the Audit Registers on record in this Office and from the Pay Abstracts on record in the Divisional and District offices. The appointment of Sub. Overseer held by the applicant from 1st January 1862 to 31st March 1863 appears to be permanent and the applicant's employment was sanctioned in G.O. No 1817 dated 30th July 1862 until the services of better qualified men or passed Candidates were available and hence the appointment is shown to be "Temporary Sub Overseer." The applicant is shown in the Registers to have been Acting Writer but on reference having been made the District Engineer explains in his letter No 5 of 21st January 1876 that "the applicant does not appear from the records to have been confirmed in the appointment and that the fact of his having held the appointment for so many years is tantamount to confirmation." The Audit Registers do not show that there had been any other person who had a lien on the appointment held by the applicant.

Th

The applicant is shown to have been absent without leave from 18th October to 10th November 1866 but as he was allowed to resume his duties after such absence, the period has been treated as "leave without allowances" under Section 9 Supplement F of the Civil Leave Code.
