Certified that I have carefully examined *Cherattal Chappan*
Punickar son of *Ookanda Punickar*
a Vaccinator, Vaccine Depart. in the
Malabar District

His age is, by his own statement, *54* years, and by appearance, about *58*
years, & I consider *that* *Chappan Punickar* to
be completely and permanently incapacitated for further service of any kind, as
a Vaccinator in the Department to which he belongs in
consequence of *old age & infirmity*
His incapacity does not appear to *me* to have been caused by irregular or
intemperate habits. *I am* of opinion that *C. Chappan Punickar* is fit
for further service ~~of a less laborious character than that which he has been doing~~
~~or may, after resting for~~ *months, be fit for* ~~and of a less~~
~~laborious character than that which he has been doing~~

Sir,

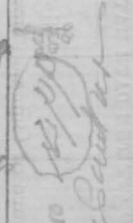

With reference to your no 255, of 14th August 1878, I have the honor to inform you that I have this day seen and examined Vaccinator C. Chappan Paniker - He is in appearance quite 55 years of age and in my opinion unfit for the service - He has suffered much from fever of late years, is very anaemic and prematurely aged and feeble.

I have the honor to be
