CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ superior} grades has been duly proved for 16 years 6 months and 17 days; and that a Superannuation {pension ~~gratuity~~} not exceeding Rs. 6 10-8 per mensem equal to one third of the applicant's Pay is admissible under Sections 56 & 59 (b) of the Civil Pension Code. The calculations have been duly verified, provided Government is pleased to commute the applicant's absence without leave from 4th to 15th May '67 into leave without allowances and thereby condone the break in the continuity of his services as required by Section 48A as his absence cannot be held to fall under the scope of Section 48 of the Code. Otherwise the applicant can count service from the 16th May '67 only, which after deducting the leaves enjoyed by him subsequent to that date, amounts to 9 years 10 months and 4 days, entitling him to a gratuity not exceeding Rs 180 equal to 9 months Pay under Section 59 (a) of the Civil Pension Code.

It will be seen from the remarks of the Collector given in the 3rd Page of the Register of application that the character and past conduct of the applicant has not been fully satisfactory. It rests therefore with Government to make such reduction in the amount of retiring allowances that may be sanctioned to him as Government deem proper under rule 1 Section 68 of the Code.

The cause of delay in the submission of this application has been explained by the Collector under the head "Any other remarks" in the 3rd Page of the Register of application.

Certified that I have carefully examined Coopoo Rao son of Venket Rao, Head Goomastah Palmanair Talug in the District of North Arcot; His age by his own statement 55 years and by appearance 60 years. I consider Coopoo Rao to be completely & permanently incapacitated for further service of any kind in the department to which he belongs in consequence of being old and worn out and suffering from defective vision. His incapacity does not appear to me to have been caused by intemperate or irregular habits

Tallid from J D Robinson Esqre Collector of North Arcot to Kuppoo Row Manager of the Minor Estate of Karagunti Pollium -

The object with which you were sent as Manager has not been attained. It was expected that you would manage everything smoothly but you yourself seem to have been the cause of misunderstanding between the minor's mother and the guardian. Your uncalled for interference in certain matters is clear from your Arzies Nos 8, 22, 26 & 29. As it is not therefore proper to allow you to be Manager any longer, it is hereby ordered that you revert to your substantive appointment of Head Gomasta of Palmanair Talug from the 20th instant. As soon as Sathawadu Seetharamiah, who has been appointed Manager in your stead, arrives, you will deliver over charge of office and cash to him, take his receipt and proceed at once to rejoin your appointment at Palmanair

No 270. Read the following Proceedings of the Board of Revenue, dated 4th July 1871, No 2702.

Read the following letters:—

From the Acting Collector of North Arcot, to the Acting Secretary to the Board of Revenue dated Chittoor, 19th December 1870 No 593.

In reply to your circular Official Memorandum No 1417 of the 2nd instant, I have the honor to state that in the three estates now under the management of the Court of Wards there are three Managers who will be all affected by the resolution of the Government of India, dated 9th Nov-

1870, No. 2967.

2. Their appointment in the Government Service, past and present pay and the extent to which their monthly salary will be curtailed if the minor estates are not capable of paying the six per cent. deductions upon their pay, are shewn in the enclosed statement.

3. I think only fair the estates, whose affairs these men are employed to manage, should be made to pay the six per cent. deductions, so long as they are benefited by their service.

4. The managers' pay is very small, and the Court of Wards in their Proceedings No. 6932 dated 3rd December 1870 have declined to sanction their travelling batta in future. If they are now made to suffer a further deduction of six per cent. the salary will be so inadequate when compared with the nature of the duties to be

---

performed, and for the faithful discharge of which the managers are made to furnish security, that it will be impossible to secure the services of suitably respectable and properly qualified men. I therefore would strongly deprecate the proposed deductions from their salaries.

Enclosure No. 1 statement.

From the Acting Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 16th January 1871, No. 15.

Referring to the Board's Circular Memorandum No. 1477, dated the 2nd ultimo, I have the honor to inform you that there is only one Uncovenanted Servant in the employment of the Court of Wards in this District who will be affected by the notification of the Government of India therein quoted.

2. The official above referred to is Satchuthavandum Pillai Gumasta of

the Moorang Taluq on a salary of Rupees 15 per mensem. He is now Manager of the Peramur estate under the Court of Wards and draws a salary of Rupees 20.

3. As the responsibility devolving on him as Manager is great, and his remuneration is comparatively small, I would recommend that the six per cent adverted to in the notification be paid to Government from the assets of the Peramur estate.

From the Principal Assistant Collector in charge of Ganjam, to the Acting Secretary to the Board of Revenue, dated Berhampore 26th January 1871 No 80.

With reference to your Circular Official Memorandum No 1477, dated the 2nd ultimo I have the honor to report that under the orders of Government, No 893, of the 23rd May 1863, Revenue Department the servants entered in the annexed

memorandum were at the time [illegible] their services under the Court of Wards towards pension. The servant No 7, however, has it appears, taken service under the [illegible] Government, No 4 died, and No 6 has been admitted into the Govt. Service.

[illegible] Ramiah, Supervisor, Department of Public Works, has been selected to have charge of the Public Works of the Purlah Kimedy estate, and I therefore beg to bring his case to the favorable notice of the Board.

List of Servants

1 P. Kistnah, Manager of Purlah Kimedy
2 B. Gopal Rao, Sheristadar of Do
3 A. Pattabhi Ramiah, Karkoon of Do
4 P. Ragavachariar Do Do
5 J. Raja Rao Guardian of Do
6 K. Venkatramdoss, Manager of Jalantra
7 N. Purushotama Rao, Gumasta of Do

From the Collector of Madura, to the Acting Secretary to the Board of Revenue, dated 10th May 1871, No. 129.

With reference to the Board's Circular Official Memorandum, dated 2nd December 1870, No. 4479, I have the honor to report that Shaik Ismail Saib, Manager of the Bodinayakanur estate now under the Court of Wards, is the only person in the District who will be affected by the Resolution of the Government of India, dated 9th Novr 1870, No. 2967. This man was a Gumasta in the Dindigul Taluk, and was promoted to his present post with a promise that his service as Manager would be reckoned towards pension, and this circumstance has already been brought to the notice of the Court of Wards when his nomination was submitted for their Confirmation. However, he

Vide letter to Court of Wards, dated 19th February 1870, No. 62 embodied in their Proceedings dated 2nd May 1870, No. 2879.

now consents to a deduction of 6 per cent. of his salary, as required in the Resolution quoted above.

These replies to the Board's Circular Memorandum, calling for a list of servants who were affected by the Resolution of the Government of India, dated 9th November 1870, No. 2967, will be submitted for the orders of Government, with reference to their order No. 1775 dated 17th May 187[illegible].

2. The Board must admit at once that they did not understand that the order of the 23rd May 1863 No. 8[illegible] was in force, and they will explain how the mistake (if it is mistake) came to be made.

3. In Proceedings dated the 21st August 1862 the Government of India, on a consideration of the question whether service under the Court of Wards in Madras should count as service for pension, thought it

decided also that it should not. This decision was communicated to the Board in Government Order, 6th October 1862 No. 2,143.

4. Subsequently Government allowed present incumbents to continue to reckon their services towards pension (Government Order, 21st November 1862, No. 2455,) and the Board thereupon called for a list of the cases in which Collectors thought existing arrangements of the kind contemplated by the new ruling should be allowed to stand. It was on the receipt of this list and with reference to it and to the orders which have been quoted and no others, that Government issued their order of the 23rd May 1863, No. 893, declaring that Government servants should not in future be employed in the estates of minors without losing the privilege of counting their service towards pension.

5. In the mean time, however, the Government of India saw reasons, on

a reference from the Punjab to modify their views, and in a letter dated the 28th April 1863, No. 153, ruled that when Government servants were chosen for duties under the Court of Wards, their service should count for pension; but that they should not be so chosen if it could be avoided. This letter was communicated to the Board in an order dated the 15th May 1863, No. 858, which specially referred to the previous orders which were affected by it.

Although this Government order is dated five days previous to the one passed in Board's Proceedings, 22nd May 1863, No. 2814, it seems to have been assumed that it was overlooked when the latter order was passed, and accordingly the orders declaring that Government servants might be employed under the Court of Wards (without losing pension time) in cases where it could not be avoided, was embodied in Standing

Circular No. XX of the 29th May 1863 (which was communicated to Government as usual) and has ever since been considered in April 1863. force.

7. When Collectors have recommended Government employés for service under the Court of Wards the Court have always satisfied themselves that it could not be avoided, and neither they nor the Collectors nor the employés concerned, have supposed that pension time was lost.

8. It will be observed from the List of Cases appended to these Proceedings that the number of cases falling within the scope of Government Order 17th May 1871, No. 877, is very small, and under the explanation now given, the Board hope Government will relax it in their favor. The difficulty of finding men not in Government service who can be trusted with the management of an important estate, is often insuperable.

2. The Acting Collector of North Arcot, it is observed, speaking of the duties of Managers of Estates under the Court of Wards, adds these words "for the faithful discharge of which the managers are made to furnish Security." The Board have not noticed this point, but it is necessary to remark that the Manager is required (Section 10, Regulation V of 1804) to give security for his appearance and during the course of his management.
