Under Sections 52 and 59 (*b*) of the Civil Pension Code (3rd Edition), His Grace the Governor in Council is pleased to grant to Chingleput Appasawmy Naicker, late Head Accountant, Superintending Engineer's Office, Chingleput District, an invalid pension of Rupees (18-14-5) eighteen, annas fourteen, and pies five per mensem, in consideration of his qualifying superior service of seventeen years, eight months, and three days, payable from the 9th July 1878.

2. It is observed that the amount of the average salary of the applicant for the last five years, as entered in the register submitted by the Superintending Engineer and that entered in the third page of the register by the Examiner of Public Works Accounts, and passed by the Accountant-General, differs from that calculated by this Office. The calculation made in the Audit Offices have been found erroneous, and pension has been granted according to the calculation of this Office.

His age is by his own Statement 46 years and by appearance about the Same I consider Chingleput Appasawmy Naicker to be Completely & permanently incapacitated for further Service of any Kind in the Department to which he belongs, in Consequence of a deteriorated State of his System, Enlarged Testicle, Elephantoid Fever, and incipient Elephantiasis of both legs. His incapacity does not appear to me to have been Caused by irregular or intemperate habits

With reference to the application for an invalid pension submitted on behalf Appasawmy Naicker received with your No. 2671 dated 19th July 1878, I have the honor to request that you will be good enough to furnish this Office with information on the following points.

1. Whether the services of the applicant for the period from 25th May 1855 to 30th April 1860 can be verified from the records of your Office, the same not being able to be verified from those of this Office and that of the Accountant General Madras and if so whether they count towards pension. In the absence of records to verify the applicants services, his affidavit supported by Statements of Contemporary Servants should be taken agreeably to Section 71 rule 4 of the Civil Pension Code to prove continuous employment during the period stated to have been on the permanent Establishment. Information as to the Circumstances under which the appointment of writer as Rs. 14 was abolished should be fully given.

2. From the Audit Register on record in this Office, it is observed that Appasawmy Naicker drew moiety of pay from 10th February to 19th May 1872 while in the History of Service, a period of 4 months is shown as time spent on sick leave - Explanation of this difference is requested. The applicant was promoted to the post of Head Clerk from 15th September and not 14th September 1875 as noted in the application.

3. The corrections made in pencil in the application for pension should be inked in after examination and carried into the Service book dates of beginning and ending of each period of Leave and breaks of Service have not been detailed nor have the grounds on which it is proposed to invalid the applicant fully been explained as required by note 2 section 54 of the Civil Pension Code.

Sir,

Enc 5.

In retransmitting the enclosures received with your No. 238 C.A. dated 18th September 1878, I have the honor to inform you that there is no means in this office for verifying the service of Appasamy Naicker for the period from 25th May 1855 to 30th April 1860. A Statement in original made by the Applicant is enclosed.

2. The appointment abolished was that of Writer on Rs 25, not on Rs 14 as stated in your letter. The appointment in question, as stated by the Applicant, was abolished on the decease of Captain J. L. Heathorn Executive Engineer as he was succeeded by an Officer of a lower grade who was not

entitled to an Establishment of the same strength.

3. The period for which Appasamy Naicker is shown by your Audit Register to have drawn moiety of pay viz 3 months and 9 days from the 10th February to 19th May 1872 should be the correct period for which he was on sick leave, instead of 4 months as entered in the History of service. This has been corrected. The date of promotion to Head Clerk has also been corrected from 14th to 15th Septr/75.

4. A fresh application for Pension revised in reference to the above corrections is enclosed.

5. In regard to your remark that the grounds on which it is proposed to invalid the Applicant have not been fully explained. I have to state that the Applicant was recommended for Pension as notwithstanding his endeavours to perform his duties, he proved unequal to the due discharge of the same. The Applicant him=self ascribed it to the bad state of his health which has been fully borne out by the Medical Certificate granted him.

Memorandum

From 25th May 1855 to 31 March 1856 I was employed as a Writer under late Captn J. L. Heathorn Assistant Superintendent of Roads & have drawn my pay from the head Office of the late Road Deptt for which records are not forthcoming in the present Superintending Engineer's Office –

From 1st April 1856 to 30th April 1860 I have drawn my pay on salary bills audited by the Civil Auditor & paid by the Collector of Chingleput –

I beg to quote some of the letters which accompanied the audited salary bills to the Collector, when sending for payment, signed either by the late Captn J. L. Heathorn or then Lieutt A. S. Moberly District Engineer

If the original letters with their Enclosures, the audited salary bills & lists, can be obtained from the Collector, they can throw some light as to my having been in a pensionable grade during that period –

Pay for April 1856 drawn in a separate pay abstract drawn for Captn. Heathorn himself & his Office Establishment, as Assistant Supt. of roads & sent to Collector for payment with that Officer's letter No. 38 d/7th May 1856 Camp Vendalore – No 139 ✓

For May 1856 drawn in a general pay abstract audited by Civil Auditor sent to Collector for payment with Lieutn. A. S. Moberly's letter No. 631 d/18 June 1856 – No 202 ✓

For June 1856 in audited pay abstract sent to Collector for payment with Captn. A. S. Moberly's letter No. 67 d/17 July 1856 – No 252 ✓

For July 1856 in an audited pay abstract sent by Captn. J. L. Heathorn 2d Asstt. Civil Engineer to the Collector of Chingleput for payment with his letter No. 77 d/18 August 1856 – No 292 ✓

For August 1856 audited pay abstract sent to Collr. for payment with Captn. J. L. Heathorn's letter No. 89 d/12 Sept 1856 ✓ No 342

17

Salary for February 1857 drawn in a general audited bill sent to Collector for payment with Lieutt. A. S. Moberly's letter No. 237 d/5th March 1857 ✓ No 88

For August 1857 drawn in audited pay abstract sent to Collector for payment with Distt. Engr's letter No. 258 d/29th October 1857 – ✓ No 458

For October /57 drawn in an audited salary bill sent to Collr. for payment with Distt. Engr's letter No. 1282 d/3d November 1857 No 462

With the exception of a few days noticed already in the service register, during which period I was without employment owing to the abolition of Offices in which I was employed, I have continuously served Government in a pensionable grade during the whole period of my service —

For argument sake I beg to state that even if my services are taken into account from 1st May 1860, from which date the audit register in the Examiner's Office is said to contain my name, I believe there is sufficient service to entitle me to 1/3 pension without the necessity for any affidavit sup=ported by contemporary servants —

My appointment on 25 Rs was abolished owing to the death of Captn J. L. Heathorn, as his successor was not of equal grade & was therefore only entitled to a smaller establishment — No other appointment on Rs 14, as remarked by the Exa=miner was abolished than the above. After the lapse of 12 days I succeeded in getting an Overseer's Writer's appointment on Rs 15 & hence the break —

Sick leave from 10 February to 19 May 1872 is correct & the history of service has to be corrected accordingly —

My promotion as 3d Clerk commenced from 15 Septr 1875 & the date entered in the service Register as 14th should also be corrected —

The applicant's services for the period from 25th May 1855 to 30th April 1860 cannot be verified either from the records of this Office or of the Accountant General Madras and the District Engineer Chingleput. The Applicant having been called upon to furnish an Affidavit with Statements of Contemporary Servants as required by rule 4 Section 74 of the Civil Pension Code, the same is herewith forwarded. The affidavit and the collateral evidence &c. received is not complete but as the period in question does not affect the Applicant's eligibility to pension, further correspondence on the subject was considered unnecessary as only delaying the submission of the applicant's pension papers for the orders of Government. The period has therefore been classed as unqualifying. His services for the period from 1st May 1860 to 8th July 1878 have been duly verified from the audit Registers on record in this Office.
