Gratuity.

Read the following papers :—

From the Superintending Engineer, Third Circle, dated 13th November 1877, submitting an application for gratuity on behalf of K. Thondroya Pillay, late Local Fund Sub-Overseer, Third Grade, Chingleput.

Medical Certificate under Section 54 of the Civil Pension Code.

Certified that I have carefully examined Thondroya Pillay, son of Appavoo Pillay, a Sub-Overseer in the Chingleput District. His age is, by his own statement, fifty-five years, and by appearance about fifty-five years. I consider Thondroya Pillay to be completely and permanently incapacitated for further service of any kind in the department to which he belongs in consequence of old age, chronic rheumatism, and impaired vision. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

MYSORE,
22nd May 1877.

(Signed) M. ROBINSON,
Acting Civil Surgeon.

From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Pension Department, (through the Accountant-General), dated Chepauk, 12th February 1879, No. 414-P.

I have the honor to forward, for the orders of Government, an application for gratuity on behalf of Karipur Thondroya Pillay, late Sub-Overseer, Third Grade, Chingleput.

2. The delay in the submission of this report is due to the question of the date of amalgamation of the Local Fund Establishment with the regular Public Works Establishment not having been settled by Government until lately. *Vide* G.O., No. 4870-W, dated 31st December 1878.

CERTIFICATE AND REPORT OF THE EXAMINER OF PUBLIC WORKS ACCOUNTS.

Certified that qualifying service in superior grades has been duly proved for seven years, eleven months, and twenty-five days; and that an invalid gratuity not exceeding Rupees 140, equal to seven months' pay, is admissible under Section 59(*a*) of the Civil Pension Code. The calculations have been duly verified.

2. The applicant was employed in the Local Fund Establishment from date of entertainment to 19th October 1874, and in the regular Public Works Establishment from 20th October 1874 to 31st March 1877. The gratuity to which he is entitled is debitable to General Revenues and Local Funds under Rule 1, Section 32, of the Civil Pension Code; but the gratuity payable to the applicant from the General Revenues being less than one-fourth the entire amount of gratuity is debitable to Local Funds under Section 32, Rule 1, of the Civil Pension Code.

CHEPAUK,
February 1879.

(Signed) L. CONWAY-GORDON, Major, R.E.,
Examiner of Public Works Accounts.

From H. S. GROVES, Esq., Assistant to the Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 26th February 1879, No. A.D.J.—55.

Countersigned with the remark that the applicant will be eligible to an invalid gratuity not exceeding Rupees 140, equal to seven months' pay, under Section 59 (*a*) of the Civil Pension Code, provided Government is pleased to commute the applicant's absence without leave for the several periods noted in the margin into leave without allowances under Section 9, Supplement F, to the Civil Leave Code, and thereby condone the breaks in the continuity of his service as required by Section 48 (*a*) of the Civil Pension Code, as the said breaks are not the result of any of the circumstances mentioned in Section 48 of the Code. Otherwise the applicant, in consequence of his last absence, will not be entitled to any retiring allowance, as his pensionable service subsequent to April 1876 falls short of one year.

Sir,

Enclosures 3.

In reference to your No. 26 C.N. dated 30th April 1877, I have the honor to forward an Application for a gratuity for Shandraya Pillay, late Local Fund Sub Overseer in this District. His Services - which are shown to extend over a period of 8 years and 9 months - have not been verified in this Office, owing to the absence of the necessary records for the purpose and I request that you will be so good as to have the same verified in your office. It will be observed that the Sub Overseer ceased to do duty on the 31st March last; the delay in the submission of this application is due to the time taken up in making certain references and obtaining information on certain

under

points, from the Sub Overseer who had left the District on Sick leave and did not return to the District on its termination - but submitted the certificate of unfitness for further service now enclosed.

With reference to your letter No 3357 dated 14th November 1877 and the papers therewith received, in connection with the application for gratuity on behalf of late Sub-Overseer Thondraya Pillay, I have the honor to state that the Medical Certificate of unfitness for further Service referred to in the letter has not been received. The Certificate that has been received with the papers relates to the one month's sick leave to which Thondroya Pillay was recommended in January 1877 by the Surgeon. I request that a Medical Certificate prescribed in Section 54 of Civil Pension Code may be submitted in support of the application for gratuity.

2. According to the entries in the audit registers of this Office Thondroya Pillay's pay for 28 days in July 1869 and 12 days in August 1869 has been stopped but the cause of the stoppage not being noted therein, I request that it may be ascertained and reported to this Office.

3. The audit registers further show that the applicant was absent without leave for 6 days in January 1874 and 6 days in April 1876. Under

Under Section 47 (a) of the Civil Pension Code absence other than authorized leave forms a break in the Service and under Section 16 Supplement F of the Civil Leave Code absence without leave involves loss of appointment. As Thondraya Pillay was however allowed to join his appointment after such absence, information is requested as to whether there is anything on record to shew that his absence without leave does not form a break in the Service and if not, it should be stated whether his absence during the above periods will now be treated as leave without pay under Section 9 Supplement F of the Civil Leave Code

4. It is observed from the entries in the audit Registers that Thondraya Pillay was on leave during the periods marginally noted which do not count as Service for gratuity. It is requested that the necessary entries may be made in the application and Service Book and the latter may be completed with the Superintending Engineer's Signature in column 11 on the 1st page and 12 on the 3d

Sir,

In reference to your No 190C. A. dated 22nd November 1877 I have the honor to retransmit the application for gratuity for late Sub Overseer Thandraya Pillay, together with Service register and the Medical Certificate as prescribed in section 54 of the Civil Pension Code.

2. It would appear from a report received from the Range Officer, that there is no record in his office of any authority for leave granted to Thandraya Pillay for 28 days in July and 12 days in August 1869. He is supposed to have been absent without leave for the periods in question and to have been punished by the stoppage of his pay. There is nothing on record to show that his absence for the above periods as well as for the periods referred to in para 3 of our Memorandum does not form a break in the service; as however he was allowed to return to

The Overseer to recruit his health went away to Mysore, and as it was known here, that he was not able on account of the state of his health to return to duty – his services were dispensed with on the 31st March – The delay in the submission of the Medical Certificate of unfitness was due to the Sub Overseers neglect, & probably unavoidable on account of infirmity.

Sir,

Enc=1

I have the honor to forward herewith a Medical Certificate for extension of leave for 60 days from Sub Overseer Shandraya Pillay, and to state that, owing to old age and infirmity, the Overseer is only an incumbrance on the Department, I beg therefore that you will dispense with his services and recommend him for such gratuity that he may be entitled to for 8½ years service.

2. Instead of two useless Sub Overseers on 20 Rs per month I would prefer a qualified Overseer on Rs 40 - Nadamunny Mudaly is the other Overseer I refer to, he has no zeal for his work and is no

better than the ordinary maistries in the District.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

16th December 1878, No. 2256.

Local Funds—Public Works Establishment.

Read the following papers :—

No. 134. *From Major L. CONWAY-GORDON, R.E., Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Chepauk, 22nd October* 1878, *No.* 322 *W.*

Agreeably to the instructions contained in G.O., No. 464 W., dated 20th July 1877, I have the honor to submit the enclosed application for gratuity received from the District Engineer, Ganjam, on behalf of the late K. Narainasawmy Naidoo, a Sub-Overseer, and to state that the applicant entered the Government service in the Local Fund Establishment as Local Fund Sub-Overseer on Rupees 20 per mensem in February 1874, and continued to be employed in the service until the 25th September 1877, when he retired on a medical certificate which declared him physically unfit for further service.

2. In G.O., No. 3094, dated 1st November 1875, Government remarked that the Local Fund Sub-Overseers had been transferred to the Public Works Department, and were to be borne on the permanent establishment list of that Department. The Local Fund Establishment that previously existed in this Presidency had ceased to form a separate establishment and the Local Fund Sub-Overseers were to be called lower subordinates.

3. The lower subordinate establishment like the other branches of the Public Works Department is paid out of General Revenues. Thus the applicant, who was a Member of the Lower Subordinate Establishment until September 1877, has to be considered to have been paid out of General Revenues from the date of the amalgamation of Local Fund Petty Establishment with the General Public Works Department, and prior to that date from the Local Funds.

4. Under Section 32, Rule I, of the Civil Pension Code, the gratuity which the applicant is entitled to is debitable to the General Revenues and Local Funds according to the rule of proportions ; but there being no definite orders on the subject of the date from which the Local Fund Establishment was amalgamated with the General Public Works Department, this office is, therefore, unable to determine in what proportion the gratuity to which the applicant is entitled should be paid from the General Revenues and Local Funds.

5. I have, therefore, to solicit the favor of being informed of the date from which the Local Fund Establishment is considered to have been amalgamated with the General Public Works Department with a view to the present and future similar cases being disposed of.

6. The favor of a very early reply is solicited.

No. 135. No. 4918.

In G.O., No. 2991 A, dated 20th October 1874, Public Works Department, it was ruled, that having in view the arrangement under which Local Funds contributed to Provincial Funds a fixed per-centage on account of Public Works Establishments, the existing Local Fund Petty Establishment should be amalgamated with the regular Public Works Establishment as a Lower Subordinate Establishment, This ruling was accepted by the Financial Department in their Proceedings of the 8th January 1875, No. 24; but was so far modified in their subsequent Proceedings of the 21st January 1875, No. 98, as that, while the financial effect of the arrangement was allowed to rest undisturbed, it was directed that no steps be taken for the amalgamation until after the question of the organisation of a separate Local Fund Public Works Establishment had been finally decided.

These orders, apparently contradictory in their nature, gave rise to some confusion, as will be seen on reference to the papers printed with G.O., No. 2619, dated 13th September 1875. One of the papers recorded with these Proceedings is a G.O., in the Financial Department, No. 1712, dated 24th August 1875, in which it is ruled that the effect of the previous orders is to make the Local Fund Petty Establishments "practically part of the Public Works Establishment."

Since the issue of these orders the establishment in question has been dealt with as part of the Public Works Establishment, and has been budgeted for and paid by the Public Works Department.

The Examiner in the foregoing letter now raises the question as to the date from which the amalgamation should be held to have effect. The question is referred for decision in the Financial Department.

I have the honor to request that you will be good enough to favor me with an early reply to this Office No. 322 W., dated 22nd October 1878, to enable me to dispose of some cases that are now pending for want of definite orders on the subject.

No. 5268.

Transferred to the Financial Department in continuation of No. 4918 of the 30th October for early attention.
