,, *Petitions from V. Ramasawmy Mudaliar, dated* 22nd *May and* 9*th Dec.* 1878.

ORDER THEREON, 6th May 1879, No. 205.

V. Ramasawmy Mudaliar entered the Government service on the 5th August 1843, but his service until the 5th December 1859—a period of more than sixteen years—does not qualify for a superior pension.

On the latter date he was made an Acting Clerk on Rupees 13 in the Office of the Deputy Collector, Zemindari Tracts, North Arcot, and on the 18th of March 1860 was confirmed in a sixteen-rupee post on the same establishment.

2. His service in superior grades from that time until he was invalided on the 17th August 1877, excluding leave, amounts to fifteen years, one month, and nine days, but of this the period of three months and fourteen days during which he acted, as above stated, on the Deputy Collector's establishment is rejected by the Account Department.

3. It is reported that the appointment was a "permanent one" to "a full vacancy," and it is not known why he was not confirmed in it before promoted substantively to another appointment on the same establishment.

4. Under these circumstances the requirements of Rule 2, Section 19, Civil Pension Code, have, in the opinion of His Grace the Governor in Council, been practically met, and the above period of three months and fourteen days will be permitted to count as service. V. Ramasawmy Moodelliar is accordingly granted an invalid pension of Rupees 10 per mensem payable from the 18th August 1877 for his qualifying superior service of fifteen years, one month, and eleven days.

5. The delay in submitting this application to the Accountant-General and in answering his reference of the 5th June 1878 is far from creditable to the offices concerned. The Government have frequently animadverted on such delays and pointed out how they should be prevented. The Collector of North Arcot will take measures accordingly and report his action.

6. Copy of these Proceedings will be forwarded to the Government of India.

1 Copy of letter from the Acct Genl to the Collr N. Arcot.

2. That Memorialist at first entered in the Service on the 5th August 1843 as Clerk in the old Magistrates Establishment at Ranipet and Pulicat on pay of Rs 15. 12. " and did duty till the 30th Novr 1859 in three Different Departments, particularly in the Head Assistant Collector's Office &c and was afterwards appointed Head Clerk in the Deputy Collector's Office as Head Clerk, and latterly was made a Revenue Inspector of Goriattum and his service now reckoned is for a period of nearly 34 years without break or interruption. On account of Memorialist's request to the Collector of North Arcot to include his old Service with continued one certain correspondence was carried on between the Collector and the Accountant General, which is herewith forwarded for your Grace's Consideration to enable him to receive a half pension for life Rs 15. "

That

3. That Memorialist with submission has to state, that he is still able and healthy to continue in the Service for some more years to protect himself and family, but owing to the late order of Government as to the age of Government Officials, who should not be retained in Government employ, Memorialist was therefore abruptly induced to retire at once, as would be seen from the Correspondence and records in this matter — Besides he ventures to affirm, that during the long period of his service, with zeal and fidelity he never gave occasion to incur the slightest displeasure of his Superiors, altho' he had much to exert in the discharge of his duties, and was exposed to all weather by continually travelling, while he held his last employment, as would be verified by the testimonials entered in the Service Register.

4. That in referring the enclosed copy of letter from the Accountant General dated 3d December 1874 No 7771. to the Collector of North Arcot, it is observed, that the Service of the Memorialist in the old Magistrates Establishment was August 1843 to 1851. but his services were continued up to 1859 in the said Establishment, which your Noble Grace will be pleased to consider to be as superior one, and it is not likely to be now traced, as the old records are destroyed as stated by the Dy Collector in his letter to the Accountant General dated 24th Novr 1876.

5. Moreover, Memorialist takes the opportunity of bringing also to the worthy Notice of your Grace, that his late father who was a Deputy Post Master at Amboor and a Clerk in the Police Establishment at Arcot, had done some great service and valuable assistance to a few British Officers

Officers in time of Mutiny at Vellore, who without been compensated or rewarded, died before he could have been pensioned which he was entitled to; and whose undivided family are under the care ~~of~~ and protection of Memorialist — He has likewise to observe that families of such Enterprises, are well provided and now enjoying happy life by the bounty of Government, but unfortunately for the Memorialist's father's family are deprived of that bounty of Government up to this time —

In conclusion under the circumstance stated, Memorialist begs most respectfully, that your Noble Grace will be equitably disposed to admit his present position in life as aforesaid, and be pleased to grant him a half pension, which like extended to many Servants of Govt — Memorialist would feel extremely grateful should the Benevolent Government grant him either the pension he is entitled to, or order him to resume his late duty, he was forced to retire from, as stated in para 3 of this Memorial, so as to enable him to pass his remainder days without feeling the Stings of Misery —

For which act of Munificence, Memorialist will ever feel grateful and remember the kind protection of Government till life's end —

And Memorialist as in duty bound

The humble Memorial of Ramasawmy Mordelliar an English writer of the Police Establishment at Arcot attached to the Zillah of Chittoor

Most respectfully Showeth

With due respect and humble submission Memorialist presumes to bring to your kind and favorable notice that Mr Wright and Mr Green who were as Collectors of the above Zillah about 50 years ago having considered themselves that the service of an English Writer necessarily required to the Police Establishment at Arcot as the Station is always resided by the Europeans brought the circumstance to the notice of the Honorable the Government and upon which the Government sanctioned for an English Writer at 5 Pagodas per month and the father of the Memorialist Kristnappa Mood

L. N 1145 of 78

was appointed to that Post and a short time afterwards 5 ½ a pagoda was reduced on General reduction and so he served about 30 years and after he departed his life the elder brother of the Memorialist Viapoory Moodelliar succeeded him, and who served about 14 years and after he having resigned the situation Your Lordship Memorialist was entertained in his room and transacting the Police business to the entire satisfaction of his several superiors since these last 15 years that he was nominated to the above appointment.

And while the case being so when the Military Police Establishment was arranged at Arcot in the year 1840, the Sub Collector of the above Zillah ordered the Tamil Goomastah of the Civil Police Ameens Cutcherry to do duty at the Taluq Cutcherry of Cavery pack and temporarily employed a tamil Goomastah in his stead and directed himself the Police Ameen to give him 2 Pagodas a month out of the pay without any cause and no orders were issued by the Collector to the authorities on the subject and which is continued up to this time and the Memorialist has not failed himself to claim now and then to the Collectors for the receipt of his full and regulated pay. And the late Police Ammeen Soobbiah who experienced with his hard work and labor sent an Urzee to the present Collector on the 26th November 1855 on the subject and the present Police Ammeen Arunachella Iyah applied himself to the Collector on the 9th July last (and the Head Assistant Collector Mr. Elliott has also forwarded a letter accompanied an English Petition of the Memorialist on the 16th August 1858) and the Collector sent a Takeed to the Police Ammeen that in consequence of the event took place long ago no order can be granted now (and a true copy of which is herewith inclosed for your kind perusal)

In the month of June 1855, the Military Police Establishment was abolished at Arcot, and from which period, the Civil Police Ammeens pay was increased from Rupees 35 to 50 and the Establishment also enlarged on account of the extra work and although your Lordships Memorialist has not the fortune of having an increased pay in that opportunity yet the Monthly Pay Abstract forwarded from the Police Establishment at Arcot to the Collector's Cutcherry and will plainly show his sanctioned pay Rupees 15-12-0 which he ventures to hope may be kindly ordered to be paid to him in full as of sanction of the honorable the Government without contrary to the Proceedings passed in the Year 1849 on account of Peroomal Row Moonshy of the above Collector's Cutcherry, for his pay having been unjustly decided to some others, and as of Government Gazettee of the month of August 1858 and a Tamil Goomastah of the Talug of Cauverypauk may be ordered to work at the Police Ammeens Cutcherry at Arcot as usual (as per request of the Head Assistant Collector and Police Ammeens of Raneepett.)

In doing this act of benevolence your Lordships Memorialist as in duty bound shall ever pray.

Sir,

V. Ramasawmi Mudeliar Revenue Inspector of Gudiattum Taluq served from 5th August 1843 to 1851 as writer in the Tottawals' Cutchery at Ranipett (Arcot) on Rupees 15-12-0 per mensem. Of this sum it appears from a Takeed of the then Joint Magistrate to the Cashkeeper dated 24th January 1844 No 5, that Rs 7 were evidently without any order from Government, paid to another writer entertained in the Police Cutcherri at that station under the orders of the then Joint Magistrate in lieu of the writer whose services

Ind No 1145 of 78

had been dispensed with in December 1830, and the Remaining Sum of Rupees 8-12-0 were paid to the said Ramasawmy Mudeliar. From what date this division of pay Commenced cannot now be ascertained as the old records have been destroyed, but it was continued to be drawn without sanction of Government from before 1st January 1844 up to 1851 when the above arrangement was recognised by Government in the new Moinzabita received with their order dated 28th June 1851 No 632.

2. I have the honor therefore to request you will be so good as to inform me whether the employment of the said Ramasawmy Mudliar from 5th August 1843 to 1851 as a writer in Kattamal Cutcherri would Count as Superior Service as the deduction of Rs 7 made from his pay of Rs 15-12-0 during the above period was not based upon any order of Government. The humble Memorial of

V. Ramasawmy Modelliar 1st Class

Revenue Inspector of Goriatham Taluq

North Arcot District –

Most Respectfully Sheweth,

That Memorialist with feelings of highest respect and sense of obligation, craves leave to address your Noble Grace with the following subject relating to his service under Government with fair claims for a reasonable pension, and trusts it would meet with that consideration from your Noble Grace necessary on the occasion –

That Memorialist on been urged from the peculiarity of his distressful circumstances, submitted a petition to Government dated 22d May 1878, wherein he had set forth his claim for half pension with explanations necessary on the subject, and he regrets that it has not been yet officially disposed of in the manner he is deserving of with your Grace's kind protection and magnificency –

That Memorialist at first requested the favor of Government, either to grant him a reasonable pension or allow him to continue in the service, and the whole period of which is above 34 years, out of which 2 years 7 Months & 4 days were elapsed by sick leave and of private affairs, and yet he is entitled to half pension according to the pension Rule – Moreover the Collector had already recommended to the Accountant General, that inferior service of 16 years and 4 Months to be reckoned with the Superior service, i.e. 15 years 1 Month and 9 days, which is from the commencement of his ~~present~~ service; but the proposed pension to him in anticipation, is apparently to the mind quite inequivalent

that

that inferior service not being reckoned with superior one, which is in abeyance for deliberate consideration—

That the service inferior as it is considered, has been rendered in three Departments viz Cutwals Office, Head Assistant Collectors and late Town Magistrates Office at Ranipet, with the fixed Salary of Rs 15. 12. 0. according to the Pay Abstract from the beginning before ever he was entertained in the Deputy Collectors Office from 1859, which service is to be reckoned to the superior one, but his other service from the end of 1859 is omitted, and such service was when Mutiny arose and kept down several serious disturbances, caused by the Mahomedans, Hindoos and Soldiers, and where the Memorialist with zeal and dexterity acted to the satisfaction of his superiors at the stake of his life— This special circumstance has been inadvertently left out in his former petition—

Under the circumstance stated, Memorialist begs most respectfully that your Noble Grace will be condescendingly pleased to bestow your Grace's perusal to the correspondence between the Collector and the Accountant General, also the former petition of the Memorialist, and copy of the petition to the late Governor Lushington, and grant him a half pension for his past faithful services of 34 years, equivalently and conformably to the Proceedings of Government, expressive of a Government Servant, who has served for more than 5 years upon his last promotion, shall be pensioned one one half pension of that pay of promotion, and the Memorialist received pay at the rate of 30 Rs from 1862 up to the date he was caused to retire from service being 15 years—

And Memorialist for which act of Munificence & Equity will ever feel grateful and as in duty bound

Shall ever pray

Ramasawmy Moodelly an English Clerk of this Office was on the Establishment of the Cutcheri of Ranneepett when I first joined the District. Having for some time tried him as a writer, I found him to be very hard-working, zealous, and trustworthy, which induced me to give him a preference when the Establishment of the Deputy Collector's Office was entertained in December 1859. My subsequent long experience of his conduct and usefulness fully places me in a position that I can safely recommend him to the favorable notice of my Successor in order that he may obtain due promotion. In English, he writes an excellent hand and works very hard when he has business in hand without regard for his meals even. In

Ramasawmy Moody. has discharged his duties as Revenue Inspector to the best of his abilities. He was all along accustomed to Hazoor life and not to Talug life. Still his connection with this Talug as Revenue Inspector has qualified him for the more troublesome Talug life and he has given me much satisfaction. His labours have been duly appreciated.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in {~~inferior~~ / superior} grades has been duly proved for 14 years 9 months and 27 days; and that an Invalid {~~pension~~ / gratuity} not exceeding Rs. 360 - - equal to 12 months Pay, is admissible under Section 59(a) of the Civil Pension Code. The calculations have been duly verified. It will be seen from the Register of application that the applicant was employed as Acting Munshi on Pay of Rs 13 per mensem in the Office of the Dy Collector North Arcot for a period of 3 months + 14 days with effect from the 5 Decr/59. The appointment was a permanent one and a full vacancy, so that none but the applicant counted service in it during the said period - As he was not confirmed in it before being pro=moted substantively to another appointment in the same Establishment on Pay of Rs 16 - - per mensem; the period of service rendered in the abovementioned Acting appointment has been rejected from qualifying service - The reason for the non-confirmation, the Collector states, is not ascertainable at this distance of time, but he admits that it must be through an oversight on the part of the then Collector. Should Government however be pleased to recognize the inadvertance and allow the applicant the benefit of the service of 3 months & 14 days rendered in an Acting Capacity, his qualifying service will then amount to 15 years 1 month and 11 days, entitling him to an Invalid Pension of Rs 10 - - per mensem equal to one third of his average Pay under Section 59(a) of the Civil Pension Code; but the grant of such Pension, it is respectfully pointed out, should be subject to the confirmation of the Government of India.

The cause of delay in the submission of this application has been explained by the Collr in the 3rd Page of the Register of application

V. Ramasami Mudeliar entered the pub. service on the 5th Augt. 43 but his service until the 5th Dec 59 — a period of more than 16 years — does not qualify for a superior pension.

On the latter date he was made an acting clerk on Rs 13 in the office of the Deputy Collector Zemindari Tracts North Arcot. On the 18th of March 60 was confirmed in a 18 rupee post on the same

Establishment

2. His service in superior grades from that time until he was invalided on the 17 Augt. 77, excluding leave, amounts to 15-1-9 but of this the period of 3 months & 4 days during which he acted as above stated on the Depy. Collr. Establishment is rejected by the Acct. Depart.

3. It is reported that the appointment was a "permanent one" to a full vacancy & it is not known why he was not confirmed in it before promoted substantively to another appointment on

65

the same Establishment.

"An officer officiating in an appointment which is vacant ... may if he is confirmed without break of continuity ... count service as if he had held the office substantively."

4. Under these circumstances the requirements of Rule 2 § 19 C.P. Code have in the opinion of His Grace the Govr. in Council been practically met & ~~V. Ramasami~~ the ~~applicant~~ above period of 3 mos. 4 days will be permitted to count as service.

5. V. Ramasami Mudeliar is accordingly granted an annuity pension of Rs 10 per mensem payable from the 18th Augt. 77 for his qualifying superior service of 15-1-11.

+ date of retirement 17 Augt. 77
application by Collector May 78.

5. The+ delay in submitting this application to the Acct. Genl. & in

answering⊙ his reference of the 5th June 78 is far from creditable to the officers concerned. The Government have frequently animadverted on such delays & pointed out how they should be prevented. The Collector of North Arcot will take× measures accordingly and report his action.

6. Copy of these Progs. will be forwarded to the Govt. of India.
