Certified that we have carefully examined Chittatore Baulos Mudaliar, son of Chittatore Aiyasami Mudaliar, a Native Surgeon in the Madras Medical Establishment.

His age is, by his own statement 48 years, and by appearance, about 58 years. We consider Chittatore Baulos Mudaliar to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of his suffering from Diabetes and General debility. His incapacity does not appear to us to have been caused by irregular or intemperate habits.—
