Copy of letter No. 307 dated 11th August 1878 from the Executive Engineer Eastern Delta Division to the District Engineer Godavari.

With reference to this Office No. 456 dated 28th September 1877, I have the honor to submit herewith 4 Applications for Gratuities on behalf of the Lascars noted in the margin whose services were dispensed with Vide G.O. No. 270 W, dated 19th June 1877 on account of unfitness for further active service from old age and to request that you will be good enough to obtain sanction for the same.—

The Service Books of these men have been prepared in the Sub Division Office according to the Statements of the men, longer periods of Services than could be verified from this Office records for three of them i,e C. Venkatasa R. Venkamah and B. Soobaroydoo have been shown in the Service books but as no copies of Acquittance rolls prior to May 1866 can be found in this Office they could not be verified. The periods of Services of each individual as per Service book and as verified and their claim for the amounts now applied for are given below for your information C. Venkatasa his Service book shows that his period of Service in the Department was from September 1853 to August 1863, and he had a break from September 1863 to April 1869, and was since reinstated in May 1869, and drawn pay at Rupees 4 per month up to October 1869

and

and had break again up to March 1870, and again re-instated in April 1870 on Rs: 6 per month and served up to 2nd September 1877. but as verified from copies of Acquittance rolls kept in this Office, it is found that his entertainment was on 4th January 1871 and was a lascar on Rs: 5 per month up to 30th April 1874, and promoted to Rs: 6 in May 1874 and remained so up to 2nd September 1877. In his explanatory petition herewith sent he confessed as having left the Service for a certain period on account of his house hold affairs. As under these circumstances the applicant has forfeited his past Service under Section 44 of the Civil Pension Code for having breaks in the continuity of Service; his Service is only reckonable for gratuity from 4th January 1871 so Gratuity for 3 months pay for which he is entitled under Section 63 of the Civil Pension Code is now applied.

B. Soobaroydoo. his Service book shows his service from July 1856 to January 1857 as temporary lascar, from April 1857 to March 1865 as permanent lascar on Rs: 6, and a break from 31st March 1867 to 21st January 1871 and service from 22nd Jany 1871 up to 14th February 1874 as lascar on Rs: 5 and from 15th February 1874 to 2nd September 1877 on Rs: 6. In his explanatory petition herewith sent he confessed as having left the post in 1867, and since re-instated in 1871.

As this break entails forfeiture of past Service, his regular service, was from 22nd January 1871, up to 2nd September 1877 which has been verified from copies of Acquittance rolls kept in this Office and is under 10 years, a

a Gratuity of 3 months pay for which he is entitled is therefore applied on his behalf.

R. Venkanna. his service book shows a Service from February 1849 to April 1863 as temporary lascar on Rs: 4 and from May 1863 to 9th June 1868, and from 10th June 1868 to 2nd September 1877 as permanent lascar on Rs: 4 & 6 respectively, but his Service from 1st May 1866 from which only records are available, has been verified in this Office. His permanent Service as per his Service register commenced from May 1863 and is above 10 years, 4 months pay is therefore applied on his behalf.

As regards Shaik Kaseer the Service shown in the Service book is correct and verified as total period of his Service is under 10 years, 3 months pay is applied for.

The Medical Officer's Certificates and Service books of these 4 men are herewith submitted.

The undersigned has the honor to enquire

1. With reference to the Remarks of the Executive Engineer Godavery, set opposite to No 7 in the 3d Page of the accompanying Register of application, from and up to what period, has the applicant been absent without leave;

2. Why the several periods detailed in the column of Remarks are shown in the 2d Page of the applic. as periods of absence without leave while the same is exhibited in the applicant's Service Book as leave without allowance.

3. What is the cause of delay in ~~the~~ submitting ~~of~~ this application for nearly 11 months after the applicant was been thrown out of Employ.

It will be seen from the Medl. Certe. forwarded in support of this application that the applicant stated on the 3rd ultimo before the Zillah Surgeon of Rajahmundry that he was only 50 years of age, while he was more than 60 years of age agreeably to the insertion opposite to No 15 in the 1 Page of the application. Please therefore explain the discrepancy.
