If your Honor had thought that I did Commit some error or Misdeed, which I could not have done but by ignorance and Simplicity - I request You will graciously pardon my former Conduct and extend your Generous Compassion to save me from ingurious Character. my desire; and look to you as my parent

HIS GRACE THE GOVE[illegible] JUNCIL

FORT SAINT GEORGE.

MAY IT PLEASE YOUR GRACE.

I. N. Bujunga Row late Tahsildar of Saidapet most respectfully beg to submit this petition touching the circumstances under which I put in my Pension application under the orders of the present Collector.

2. Once before at the then Sub Collector Mr. Crole's instance an attempt was made to compel me to retire on the ground that I was past 55 years of my age. But the Board * ordered my retention till the period necessary to enable me to get half pension-which was 4 months & 8 days-was out. This term having afterwards expired, Government, in consideration of Mr. Mc. Carthy's thorough satisfaction with the manner I did my work, and of the medical certificate asserting my competency, directed my restoration to the appointment and declared it objectionable to compel me to retire before 60, without assigning any special grounds for doing so (Vide Sub Collector's Takeed & G. O. noted in the * margin.)

Enc. No 1

* Vide acting Collector Mr. Melville's Takeed No. 244 dated 23rd August 1875 on Board's Proceedings No. 7491 dated 18th idem (Translation enclosed.)

Enc. No 3

* Vide Collector Mr. Barlow's Takeed No. 82 dated 26th September 1876 on Board's Proceedings No. 2165 dated 5th idem (Translation enclosed.)

3. Since then Mr. Barlow promoted me to the Tahsildarship of Saidapet which gave me an increase of Rupees 25 in salary. The promotion was * given as having been merited.

4. At a very sad and anxious stage of the Famine, the Red Hills Camp came under my management on my assumption of the Tahsildarship here, and Mr. Barlow, the late Collector, expressed his great satisfaction with my conduct of affairs in the * marginally noted Takeed.

Enc. No 4

* No. 24 dated 18th January 1877. (Translation enclosed.)

5. Since the transfer of the Camp to the charge of the Madras authorities, I laboured hard for the construction of Roads, the deepening of ponds, the management of Money Dole distribution, & such other matters in connection with Famine Relief. The * marginally noted Takeed of the Deputy Collector bears testimony to this fact. Mr. Barlow too has mentioned to Government my name as that of one of those who rendered hard & useful services in the late Famine and were thus fairly entitled to more privilege leave than what was allowed by the rules, the case being special. Vide his letter to Government No. 209 dated 30th August 1878.

Enc. No 5

* No. 585 dated 14th Septr. 1877 (Translation enclosed.)

6. The Government have been pleased to mark their approbation of the valuable services rendered by me in the matter of the dangerous slip that occurred in the bund of the Red Hills Tank. Vide G. O. No. 38. I. P. W. D. dated 14th January 1878.

Enc. Nos 6 & 7

* No. 122 dated 11th May 1878.

No. 127 dated 26th Augt. 1878. (Translations enclosed.)

7. The present Collector too has often testified to the satisfactory manner in which the Collection duties were performed by me. (Vide Takeeds noted in the margin.)

8. One of the [illegible] vents with which I was connected was the Settlement of t[illegible] between the Chingleput District & the Zemindaries of Kalastry, Karvetnager, & Venkatagiri. The Settlement Officer Mr. Thornhill's Report & the Revenue Board's * Proceedings thereon note the valuable & useful assistance I rendered on this occasion. I had often to sacrifice rest & meal & to suffer by staying on the hills for some days, in connection with this business. The dispute, it may be in the remembrance of Government, had been lasting for about a hundred years previous. The matter was again raked up in the Civil Court in appeal, and Mr. Thornhill deputed me to manage the case there. Both here & in the High Court I had the Settlement Officer's decisions, which were appealed against, confirmed and I underwent no small pains in the due conduct of the cases. The Government Vakeel has also reported to the Collector the material aid I gave him in the matter. On two other occasions, namely, in connection with the great riots at Tiruvallur in 1853, & with the frightful dacoities in the Conjiveram Taluq in 1857, I was specially sent out from a different Taluq to suppress the same, the Tahsildars concerned not having been deemed the right persons for the purpose. I restored peace in the former place & got the Dacoits punished in the latter place. These facts appear in the Public Records.

* No. 1446 dated 1st March 1870 submitted to Government.

9. Mr. Price the present Collector appears to have been satisfied till so late as August last with the manner I did my work, as would appear from para 7.

10. Notwithstanding all the facts that appear above, it occurred to the Collector a few months ago to vacate my post & there were issued Takeeds by the Collector & the Deputy Collector to the effect that within 3 days of their receipt I should apply for pension, failing which I should not get even pension. The remarks made in those Takeeds, I beg to submit, will appear groundless from the very satisfactory explanations given in my Arzis. Exhibits of both Takeeds & Arzis as marginally noted are enclosed.

11. It appeared to me however that after the long & well approved service I had done under Government & though G. O. No. 378 of the 15th March 1876 allowed me a few years' time yet, it was my misfortune I should now be compelled to retire. Service, thereafter, against the will of my superior, would be under altered circumstances, and a peaceful retirement appeared the better course for me to take. I accordingly submitted my pension application.

12. The facts narrated in paras 1 to 9 prove the efficient & meritorious services rendered by me, & the accompanying book of testimonials is abundant additional evidence of my capabilities & usefulness. I have served under honorable & noted gentlemen whose opinions have always been held in esteem. Your Grace has been pleased to record Your Grace's satisfaction with the manner I did my work of reception & arrangements at Mahabalipuram & Your Grace's pleasure was also communicated to me by Mr. Melville the then Collector. Your Grace's

(Seven Regards)

testimonial & Mr. Melville's Takeed are entered in the book enclosed. I had the fortune of paying my respects to Your Grace last on your visit to the Red Hills in December 1878.

13. During the course of my service I have been twice degraded.

1st. In 1850 from the Head Assistant Collector Mr. Phillips' Munshee on Rs. 35 to Rs. 28 per mensem for having, as alleged, taken without orders copy of Mr. Phillips' Demi Official letter to the then Collector Mr. Freese in which I was recommended for a Tahsildari & having given when questioned about it an explanation which was then viewed as false in as much as I said I did the act with Mr. Phillips' permission. This, I regret to state, was not, through my misfortune, accepted at the time but subsequently at my request Mr. Freese was so kind as to put himself in communication on the subject with Mr. Phillips who was then at Home and the result was the favor of an endorsement herein enclosed in original Exhibit F which states as follows:-

Enc Reg 14

"*Mr. Freese believes that the error Bujunga Row committed was done in ignorance and arose from a misconception of Mr. Phillips' intentions. Had Mr. Freese remained in the District he would not have allowed it to interfere with Bujunga Row's future prospects.*"

It was on the strength of this endorsement that I was at once promoted from Rs. 28 to the Tahsilship of Rs. 85 to which I should have been entitled had I been in my former post-i. e. 35 Rs. Munshee. I further beg to enclose a letter Exhibit G. in original from Mr. Phillips himself while at Home dated 17th Octr. 1851 written on being informed of my promotion to the said Tahsilship. The following is an extract from it.

Enc Reg 15

"*Your misfortune after I left gave me as much pain to hear of, as what you now tell me, has given me pleasure & I hope now that you have been raised to your present post, you will show yourself deserving of it and of the confidence of those who placed you in it. During the whole 3 years you were under me I had every reason to be satisfied with you & I have no doubt if you pursue the same course you will in time reap the reward.*"

Mr. Phillips himself has often written to me since very kind letters & has been personally pleased with me even after his return to India. These remarks remove the alleged stigma in this case.

For the 2nd time also owing to my peculiar misfortune caused at the instance of the then Sub Collector Mr. Eliott, I was degraded from the Tahsilship of Madrantikum to the Deputy Tahsildari of Poonamallee. In this case too your Grace may be pleased to note that the stigma had been wiped off by the Proceedings of the Board of Revenue whereby the Tahsilship of Ponneri was conferred on me (Vide Revenue Board's Proceedings No. 4821 dated 11th July 1870 [illegible] & also G. O. No. 1133 dated 29th idem)

14. I had long ago completed the service necessary for half pension, as would appear from the Collector's letter to the Board of Revenue No. 27 of the 18th January 1876 & from arrangements having been made on that understanding in Board's Proceedings No. 1242 dated 10th February 1876 & G. O. No. 398 dated 12th February 1876.

15. I would not have dwelt to this length on these subjects, had it not been for my apprehensions, that any want of faithful representation of the circumstances therewith connected might create an erroneous impression in regard to my past character and as such affect my future pension which will form the only means of maintenance for me and my large family & which I beg to state I have earned after a hard & arduous service of 40 years.

16. During my service of 40 years I did not avail myself of any kind of leave & when in November last I applied for the first time for 3 months' privilege leave (Vide exhibits B. & D.) I was denied it & further my prayer even to avail myself of the 7 days' vacation during the Christmas Holidays was denied me (Vide marginally noted correspondence.)

*My Arzi No. 1052 dated 17th December 1878.
General charge Deputy Collector's Takeed No. 640 dated 23rd Decr. 1878 (Translations enclosed.)

17. I have only to add that it grieves my heart very much that at this stage of my life & service I should have been put to the mortification of being compelled to retire from alleged incompetency as would seem from the correspondence between me & my superior officers already quoted in para 10-a circumstance so utterly inconsistent with the character I have all along earned from my past official superiors as may be judged from the several testimonials I have alluded to in this my humble petition to Your Grace & I beg therefore most humbly to state that my application for pension may receive at the hands of Your Grace such consideration as the circumstances above stated will permit.

18. That my service thus long, hard, and faithful, under Government, has entitled me to good service pension at least, will, I respectfully submit, occur to Government from this humble representation But if Government are pleased to take into their consideration the special & meritorious services rendered by me during my official career on critical & important occasions, they may be graciously disposed to evidence their kind recognition of the same by conferring on me a special or an extraordinary pension.

19. In conclusion I beg to state that I have troubled Government with this petition with no other motive than a desire to submit a fair statement of my case.

I most respectfully beg to remain Your Grace's most obedient servant

N. BUJUNGA ROW.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ / superior} grades has been duly proved for 34 years 5 months and 21 days; and that a retiring {pension / ~~gratuity~~} not exceeding Rs. 80-9-4 per mensem, equal to one half of the applicants average Emoluments will be admissible under Section 57 & 9 (c) of the Civil Pension Code. The calculations have been duly verified.

From 7th March 65 to 31st August 75 = 10-5-25
" 9th January 65 to 28th March 75 = 10-2-21
= 20-7-26

provided the Government of India is pleased to condone the breaks (Specified in margin) in the Continuity of the applicants service Caused by his absence from duty in obedience to the instructions of the Collector who appears to have compelled the applicant in both the occasions to vacate his appointments on grounds of his having Completed 55 years of age, which on appeal to the Board of Revenue and to Government resulted in the restoration of his appointment as Tahsildar of Chingleput; the said breaks are not the results of any of the circumstances mentioned in Section 48 of the Civil Pension Code, otherwise he would rank as Accountant General.

It will be seen from the accompanying papers that on the 22nd April 1863, the Sub Collector under whom the Applicant served, found him guilty of certain Charges that were brought against him, and recommended his dismissal from the public service to the Collector. The Collector considering that the infliction of so serious a punishment as dismissal on an officer of 22 years service, would be extreme, recommended to the Board of Revenue that the Applicant should be degraded from the post of Tahsildar of 2nd Class on pay of Rs. 225 to that of 3rd Class on Rs. 150 per mensem. The Board in their proceedings No. 8595, dated 28th October 1861, regarded that the Applicant had proved himself unfit to hold the Responsible situation of Tahsildar and they therefore directed his removal and employment by the Collector in some inferior situation. Consequently he was put on employ for a period of 1 year 3 months and 18 days, that is up to 11th August 1862, when he was provided with the post of Sub Magistrate of Poonamallee on pay of Rupees 50 per mensem. Under these circumstances it is clear that the break in the Continuity of service was not Caused by dismissal but by the Collectors inability to find a suitable post for him. The break has accordingly been Considered as one of suspension followed by re-instatement in a lower post with benefit of his former service.

It will be seen from the remarks of the Collector (Speak to Rule 3 on the 3rd page of the Register of application) that the Character and past conduct of the applicant have not been taken into consideration. It rests therefore with Government to make such reduction in the amount of pension due under the rules of the Code as they may see fit with reference to Rule 1 Section 68 of the Civil Pension Code.

COPIES OF TESTIMONIALS.

December 29th, 1875.

I have been much pleased with the arrangements made for me on visiting the Seven Pagodas and with the knowledge of the District and the locality by the Tahsildar N. Boojunga Row.

(Signed) BUCKINGHAM AND CHANDOS.

Extract from the Register kept in the Office of the Collector of Madras of the Uncovenanted Servants on his Establishment.

Boojunga Row is in my opinion very well qualified for his duties. He is a very active and intelligent public servant.

(Signed) *R. S.* ELLIS,
Officiating Collector,
Nov. 1861. *Now Senior Member in the Legislative Council.*

Boojunga Row served under me as Revenue Moonshee. He has a good knowledge of the Revenue system and practice of the district. I always found him attentive to his work and industrious.

(Signed) G. THORNHILL,
At present 1st Member of the Board of Revenue.

Extract from Mr. G. Thornhill's report on the settlement of the boundary disputes between the Madras District and the Zemindaries of Kalastry, &c.

I also desire to place on record the very efficient service of my Head Clerk Boojunga Row, Head Vernacular Clerk of the Madras Collector's Office, and placed at my disposal by the Collector for this duty. The

whole of the evidence being recorded in the vernacular, required his close attention, and the examination of the numerous Cadjan accounts in both Telugu and Tamil was most carefully performed, his knowledge of Mahratta too was most useful in deciphering some old and important documents in that language and his conduct was in every respect satisfactory.

BOARD'S ORDER THEREON.

The services of Bhoojunga Row, Head Clerk, appear to have been most valuable.

Extract from the Collector Mr. W. E. Blair's letter when recommending to the Board for the Tahsildar of Ponnary.

For the vacancy that will be created in the Ponnary Talook, I beg to recommend N. Boojunga Row, my Head Vernacular Clerk. He is a very able public servant, and his extensive Revenue knowledge will be of great service during the approaching re-settlement of the Ponnary Talook.

Boojunga Row was made Sub-Magistrate and Deputy Tahsildar of the Poonamallee Division, in the Sydapet Talook, and in that capacity he conducted himself so well, that Mr. Ellis, the then Collector, appointed him his Magistrate Moonshee. He was subsequently promoted by Mr. Bunbury to his present office of Vernacular Head Clerk. Mr. Thornhill, while employed on special duty, in settling the boundary dispute between the Madras District and the Zemindary of Kalastri, selected Boojunga Row as his Head Clerk. The efficient service rendered by him while so employed, and the Board's recognition of the same, are recorded in the Board's Proceedings of the 1st March last, No. 1,446.

During the whole time that Boojunga Row has been in the Huzoor, he has conducted his duties very satisfactorily, as will be seen from the enclosed copies of testimonials he has received from the several gentlemen under whom he has served. His conduct has also been uniformly good. Mr Fane was anxious to give him a Tahsildarship for which he considered him to be "eminently fitted." The experience I have had of him during the last seven months has led me to form the same opinion, and in recommending him for the Tahsildarship of Ponnary, I do so as being the best qualified man for the appointment that I am acquainted with in the district.

SAIDAPET, *Feb.* 7, 1870.

The bearer Boojunga Row was Revenue Moonshee for some time under me when Collector of Madras.

I always found him a most active and laborious, and should be glad therefore to hear of his promotion to a Tahsildarship, for which post he is eminently fitted.

(Signed) E. FANE,
Collector.

CUTCHERY, MADRAS, *October* 12, 1868.

I have much pleasure in stating that I have known Bhoojunga Row for about three years. He is a clever and industrious man, and well acquainted with his work.

(Signed) A. BUENELL,
Asst. Collector, Nellore late Asst. Sub-Collector, Madras.

Considering Bhoojunga Row a very good Head Moonshi indeed, and as he is far above the average of native servants in this District, I should be glad to see him promoted. I am of course aware of his unfortunate history. He has been under me on both occasions (1868 and 1869) when I officiated in the Collector's Office.

(Signed) C. S. CROLE,
Acting Sub-Collector.

This is to certify that Boojunga Row has been Head Moonshee in my Cutcherry during the three years I have held the appointment of Head Assistant of this district in addition to which he has had other duties to perform, owing to the reduction in number of servants, and I can speak *most highly* of him throughout the whole of that period. He understands his work well both Revenue and Police and it would give me great pleasure to hear of his promotion.

(Signed) A. W. PHILLIPS,

ARNAD, CUDDAPAH DISTRICT, *January* 1870.

Boojunga Row was Revenue Head Clerk during about five years that I was in the Chingleput District, and has often worked with me. Latterly he was Tahsildar and Sub-Magistrate of Ponnery. From what I have seen of his work, I consider him fully entitled to his Tahsildari, and competent in that grade.

I had good means of judging of his capability as a Tahsildar as he was immediately under me when in Ponnery Talook, prior to making the annual settlement at the time of my removal.

(Signed) A. J. ATKINSON,

ADYAR, *March* 13, 1871. *Assistant Collector of Chingleput.*

Boojunga Row has given me every assistance in the settlement of Ponnery Talook, of which he is Tahsildar, in Fasly 1280. The settlement was a troublesome one owing to the season and the Tahsildar's assistance was most valuable, particularly as I had no Sheristadar I was much pleased with the way in which he discharged his duties.

VELLUM, *June* 11, 1866.

Boojunga Row—Your note reached me last evening. You were not removed from Poonamallee for any fault, it was because you were wanted in the Huzur, and found useful there. You always worked well under me, and aided me much when you were Tahsildar of Conjeveram and I was Additional Sub-Collector in North Arcot, and when you were consequently not under my authority.

Yours faithfully,

(Signed) G. BANBURY.

CHINGLEPUT, 21*st April*, 1847.

MY DEAR MALTBY,

* Chinna Boojunga Row.

Enclosed you will find an Urzee from my Head Jayabuvissa* in which he intimates a wish to be promoted to one or other of the places which are expected

to become vacant on your Establishment. I always have found him a very intelligent, useful, and as far as I can judge, straightforward fellow, and though I should be sorry to part with him cannot in justice refuse the request he has made to be brought to your notice, or do otherwise than wish him every success.

I see by some papers he showed me that he was mentioned before to you by Wood.

Yours sincerely,

(True copies.) (Signed) A. W. PHILLIPS.

This is to certify that the bearer Boojunga Row, Tahsildar and Sub-Magistrate, Poonamallee, has been known to me for about twelve months. I have always heard him well spoken of, as one zealous, and conscientious in the discharge of his duties. I am glad to hear of his advancement to a higher and better appointment and trust that this may be a stepping stone to even a better.

Commandant, Poonamallee.

No. 96.

The following is a true translation of a Yadast or Memorandum from the Head Assistant Collector to the Acting Collector of Chingleput, dated 8th June, 1846.

The Urzee presented by Boojunga Row, Senior Assistant Moonshee, requesting to be favored with the situation of the Moonshee now vacant, is herewith forwarded.

Ever since my arrival in this Zillah he carries on the Police and other duties of his own post and that of the Head Moonshee with care and diligence.

I have perused the testimonial granted to him by Mr. Cadell, a copy of which is enclosed. I believe you will take his request into consideration.

He is going on with the duties of the Moonshee now vacant.

(Signed) H. WOOD,

Head Assistant Collector.

The bearer of this Conjeveram (Chinna) C. Boojunga Row was appointed to the Head Assistant's Cutcherry at Chingleput in September 1845 as second Moonshee. He has conducted the greater part of the Police business from that time to the present and has also kept the Diary. I have had every reason to be satisfied with his zeal and ability.

SAIDAPET *11th October* 1876.

I have known Bhoojunga Row present Tahsildar of Sydapet for the past five years. He was the first Tahsildar with whom I came in contact immediately on my appointment as Dy. Collector in Chengleput Dt. He is an old servant of 35 years standing and has served as Tahsildar for more than 20 years in several Taluqs. His experience and knowledge of Revenue duties of the District are extensive. While he was in Ponnery in 1872, I had to conduct the Jamabundy Settlement of that Taluq for Fusly 1281, and the new Survey areas had to be introduced at the same time. In carrying out this work satisfactorily and in settling the compensation for lands in the Alamady Village submerged by the Sholavaram Tank, I received much assistance from Bhoojunga Row. His proceedings in magisterial matters have also been satisfactory. I had occasion to peruse the correspondence connected with the settlement of the boundary dispute between the Chingleput Dt. and Calastry Zamindary. The settlement Officer Mr. Thornhill, now 1st Member of the Board of Revenue, has recorded his favorable opinion of the valuable services rendered by Bhoojunga Row in connection with the investigation of the dispute.

Sundays included, and often at night. The cheerful and intelligent conduct of Mr. Falvey deserves to be noticed.

His Grace the Governor in Council notices with satisfaction the energy with which the apparently dangerous slip which occurred in November at the bund of the Red Hills Tank was dealt with and remedial measures successfully applied. The valuable assistance rendered by the several officers named in the concluding paragraph of the Superintending Engineer's letter merits the approbation of Government which will be conveyed to them through the departments to which they severally belong.

SIR,

I spoke to Mr. Throndill regarding your wish to remain at Ponnery, but am afraid that nothing can be done to prevent the change, as the Board have determined thereon. You see therefore that your transfer is a matter of necessity. I am sorry to lose you from Ponnery as you have given us much aid, and I should have been very glad of your services when introducing the new settlement there. I trust you may be comfortable at Chingleput altho I must say I should prefer Ponnery myself.

Sir,

I have the honor to reply to endorse
Copy of Petition No 1646 of 1875.

2. The petitioner late Tahsildar of the Chingleput Taluq is reported to be fit for further service and I find that for some reasons previous to the time at which he was recommended for pension, a check of his time was taken up in proceeding on the construction of a Local Fund Road part of which was within the limits of his Taluq, this may possibly account for his being backward in his collections and in other branches of his more immediate duties.

3. He would appear to have done good service in former years and to be recommended for being allowed to complete the period of service required for half pension.

Sir,

I have the honor to forward herewith the petition of Sahildar Fakir of Kujang, praying for a pension, and to request that you will be pleased to move the Board of Revenue to grant him the pension solicited.

2. The petitioner has served as Sahildar for 20 years and 3 months, and has been employed in the collection of the Land Revenue, Abkaree and Salt Revenue, and Police duties. He has been employed in the Commissariat Department during the Orissa famine, and has been recommended for a reward by the Commissioner of Orissa.

11. The Sahildar obtained wood from several villages without payment. The evidence on this case is not of that complete character which is required in a Judicial trial, and the Board do not consider the charge sufficiently proved to warrant a conviction, although through the measures in which the Sahildar procured the large quantity of timber which was brought in, strong suspicions on this transactions. The Board further observe that the confession of a fine of Rs 100 by the Sahildar the general powers exercised by the Collector, and that there is no evidence to show that the fine was not duly credited to Government.

12. Upon a careful consideration of the whole case, the Board concur in the decision that Befreeq Dass

recommend himself unfit to hold the high and responsible situation of Tahsildar, and they therefore direct his removal and his employment by the Collector in a lower situation.

13. The Board concur in the proposal of the Collector to place him in a Tahsildar's situation of a lower grade, as they think him unfit, by reason of his present behaviour, to hold such a position.

14. With regard to the exception taken by Rupchand Roychund Kothari, Collector dated 18th December 1861) to the list having been employed in the public service to some of the persons who drew salaries against him, the Board will be glad to receive any explanation in the matter, which Mr Elias wishes to offer. The Board need hardly remark that such a proceeding, on the part of persons employed in a prosecution like the late one against Rupchand, is open to serious objection, as affording room for the supposition of his being implicated by his antagonists' defendants.

Proceedings of the Board of Revenue,
dated 28th October 1861.

Read the following letter
from B. Cruickshank Esq. Collector of Madras,
to H. Maddleton Esq, Secretary to the
Board of Revenue Chepauk, dated
Saidapet 21 September 1861 № 332.

1. With reference to the Board's Proceed-
ings dated 11th May last № 2410, el
Revenue the honor to submit the Proceed-
ings of the Asst Sub Collector and of
the Sub Collector of the Southern Division
of the Chingleput Collectorate, on the
application of Vencatachellum Pillay
a shareholder in the village of Pillaipakam
in the Tambaram Talook, for remission
of the Revenue assessed on certain
lands in the said village, which have
been thrown waste on account of the
encroachments of the Tambaram Tank.

2. The Sub Collector in charge, at first
recommended a remission of Rupees 1/2 on
the 2nd Class, and fixed Rupees
one and 3rd. The Asst Sub Collector

received from me on the 4th instant, not included in the original charge, for falsifying the public accounts, I have expressed my opinion on that allegation to the effect that the Tahsildar caused the accounts to be altered.

3. I have brought the second charge proved, and the third to the extent that much wood was there cut and carried away by him, but that the exact quantity had not been ascertained.

4. With regard to the fourth charge, I have forwarded only such proceedings as the Tahsildar was convicted to Criminal Court & acquitted, as this case, as far as regards the alleged bribery, has been finally disposed of. My proceedings will show that there is reason to believe that the Tahsildar's picture of shares was exaggerated, and that a large account of it has been rejected by me when making up the shares accounts. An abstract of the evidence is forwarded, which has been prepared with much care by the Deputy Tahsildar, and may be regarded as correct.

5. The Asst Sub Collector has urged the Tahsildar's dismissal, but I do not think the circumstances warrant this extreme punishment, and the concomitant loss of pension to an Officer of 22 years service.

6. He is now a Tahsildar of the 2nd class on 225 Rupees and if degraded to the 3rd class on 150 Rupees, his misconduct will, I think, be sufficiently noticed.

Enclosure No 1

Abstract — Madrassa Karar garden case.

Enclosure No 2

Abstract — Charge of thieving cattle property of the Government Topes at Karanguli.

Enclosure No 3

Abstract — Charge of procuring wood from several villages in the Taluq contrary to Regulation.

Enclosure No 4

Abstract — Charge of receiving a bribe of 50 Rupees from the Peons agent of Viraca Karanam, a village in the Taluq for assisting a large account of shares stated already recorded.

Enclosure No 5

Abstract — Forwards certain proceedings the accused having only been charged by the Tahsildar of Madrassa Karar.

1. Vide the above letter, the Collector forwards his own and the Rg. & sub Collector's proceedings in the disposal of four charges which were brought against Bisheega Dom, Talaiedar of the Head au Cahaur Talaq in the Cuddapah District, during the months of April & May.

2. On the 4th charge of having received a bribe, and having admitted fictitious a larger quantity of parished crops than actually existed the Defendant was committed to the Court, but the charge was dismissed as having never been substantiated by credible evidence. Though this case was tried friendly this Board observe that effects of the Court's Proceedings should have been instituted for their information, but as the Collector is expressly silent upon the results of the parished crops shown and the evidence adduced were by no means of a conclusive character, the Board will proceed to dispose of the remaining three charges.

3. The 1st charge is in connection with a garden in the vicinity of the Talaiedar's residence and is laid in three counts, (1) having obtained possession of the garden by unduly influence and failing to pay its assessment. (2) Embezzling the amount of the assessment, viz Rupees 2-1-6 for two years. (3) Misappropriating the services of Government peons for its cultivation. Two other persons are also implicated in this charge who acted as Karnums of the village in which the garden is situated during the two years in question. They are both charged with aiding and abetting the Talaiedar in the concealment of the cultivation of the garden, and one of them wrote altering the accounts so as to conceal the fraud that had been perpetrated.

4. The Rg. & sub Collector held proceedings in the case under Regulation IX of 1822, and fixed the Talaiedar's liable the assessment of the parished second counts, Rupees 100 on the third count, and Rupees 300 for directing the Karnums to alter the accounts. He further fined the two Karnums in double the amount of assessment for aiding in the concealment of the cultivation, and one of three Rupees for rewarding the alteration in the accounts.

5. Vide the Collector's proceedings in disallowing to pay its assessment. (2) Embezzling the amount of the assessment, viz Rupees 2-1-6 for two years. (3) Misappropriating the services of Government peons for its cultivation. Two other persons are also implicated in this charge who acted as Karnums of the village in which the garden is situated during the two years in question. They are both charged with aiding and abetting the Talaiedar in the concealment of the cultivation of the garden, and one of them wrote altering the accounts so as to conceal the fraud that had been perpetrated.

6. The Rg. & sub Collector held proceedings in the case under Regulation IX of 1822, and fixed the Talaiedar's liable the assessment of the parished second counts, Rupees 100 on the third count, and Rupees 300 for directing the Karnums to alter the accounts. He further fined the two Karnums in double the amount of assessment for aiding in the concealment of the cultivation, and one of three Rupees for rewarding the alteration in the accounts.

5. The Board have already noticed the several irregularities of this inquiry in their Proceedings under date 12th July 1861 Rs 3685, and as the misappropriation of a peon's services was clearly not an offence under the Regulation, they directed the refund of the fine of Rs 100. They now observe that the Regulation does not authorize the imposition of a fine equal to double the amount of the assessment on each & every one of the Defendants in such cases as the 4th Sub Collector would seem to have inflicted, and they are unable to understand how Mr Elliot could have fined the Tahsildar Rs 200 for directing an alteration to be made in the accounts, when he was charged with no such offence.

6. A formal appeal has been made to the Board against these Proceedings under Regulation IX of 1822, and under the above circumstances, no other course is open than their entire reversal. The Collector is accordingly authorized to refund all the fines which Mr Elliot has

imposed in this case, and the Board hereby quash his proceedings under the Regulation.

7. It appears from Mr Elliot's investigation that the garden was cultivated by a certain individual to the Tahsildar for his private use, and that the assessment was neither paid by the Tahsildar nor by the ryot during the two past years, though it would seem that the Tahsildar had undertaken to pay the assessment himself. It appears further that the ground was excluded from the [illegible] Where is also evidence to show that the peons were certainly employed in superintending the work, of no real benefit to Government, and there is very strong presumptive proof that the accounts were altered by the Tahsildar after their inquiry and not before.

8. If the cases touching the assessment of the encroachment is to recall that the Board cannot hardly believe that the Tahsildar exacted money to pay it himself or to collect it from the ryots under a fraudulent collection, though the

failing to do so, & free the garden was in his own occupation, was a highly reprehensible omission on his part and leads to the conclusion that he is unfit for the position he occupies. His apparent attempt also to screen his omission by a correction in the accounts, reflects very seriously upon his moral character. The Kurnum was no doubt acting under his orders, but the Board feel that it is necessary to mark their disapprobation of any thing like tampering with closed accounts and therefore direct the reinstatement of Cercum Shanbhoga's fee.

9. The second charge is that the Talkildar had a share in the rent of a certain Toddy-tree Opr at Karanguli, and that he took advantage of his official position to obtain a reduction of the rent. The evidence however, in support of this charge is certainly not clear, but as the Paices exceed the Talkildar's authority in this matter

10. The Board regret to observe that Paices Statements & Cancelling the Talkildar's Papers which are
