The Humble Petition of Chundatappa
Vijayappa Muddala Case Enclosed
in the Commissariat Department

Respectfully Sheweth,

That your Petitioner served in the above
Capacity for upwards of 12 years viz eight years as a
Surgeon, seven as Surgeon and three years as
an Assistant. The Department as Surgeon was suddenly
discontinued and the Petitioner was consequently thrown
out of employ; your Petitioner begs to enclose for your
Honors kind perusal and consideration copies of the
certificates which he has obtained and which will
clearly show the services rendered by the Petitioner.

That your Petitioner is left in the wide
world with a large and growing family to support
and under such painful circumstances your Petitioner
appeals to your Honor to consider his unfortunate case
and recommend him to Government for the grant
of a gratuity for his past services.

That your Petitioner begs respectfully to
state that he was transferred from Burma to the
Madrass Dispensary and that during the whole period
of his service he had maintained an unexceptionable
character as a Public Servant and your Petitioner
would humbly submit with respect to his character
that during the whole of that time no charge had
ever been laid against him for remissness in his
public duties and the enclosed testimonials will
your Petitioner trust, satisfy your Honor on that point.

That your Petitioner would here submit
that he was well informed up to this time of his being
entitled to a gratuity according to the rules of the
Service and as these are trying times when all
the necessities of life are calling for precious price
your Petitioner humbly trusts his case will receive
some consideration in the hands of your Honor and
of Government.

That your Petitioner desires to state
that after his connection with the Philippine Division
terminated your Petitioner was until lately employed
in a private capacity by the late President.

That under all these circumstances your
Petitioner most respectfully begs your Honor to be
pleased to take his case into consideration and
to commend him to Government for such amount
of gratuity for his past services as may in your Honor's
opinion be deemed just. As he did not leave the
Government's service of his own accord.

And that your Petitioner also desires to state
that he has submitted this petition to the same
Military Commission and on reading the Commission's
circumstances thereof that the Commission has
departs at present, according to his Honor's
that it is for the good of the Government and
your Petitioner begs to call the attention of your Honor
kind and important consideration and recommendation
like the laws of the Government and the
ation to the Government.
