No 10 dated the 1st May last. I have the honor to
forward in Original a letter from the Director of
Public Instruction No 2223 of the 10th ultimo,
together with the Statute received therewith,
and to state that it does not appear that any
Saving to Government was effected directly in
consequence of the abolition of the appointment
of Assistant Master Government Taluk

2. The amount of Rs 30, shown by the
Director in the 2nd Para of the letter quoted above
as a General Saving to Provincial Fund, can-
not, I submit, be utilized for the payment of
a Gratuity to Lazar Woodell, inasmuch
as that amount was not gained by Govern-
ment from the abolition of that Officer's
appointment. Vide Section 50 rule 5 of the

It will be seen from the whole correspondence now before Government that, though by the revision the Educational Department was rendered more efficient, no reduction of expenditure was effected. In these circumstances, Rs 2 are monthly allotted to my gratuity under the Civil Pension Code.

Should Government however consider that it will be a hardship to refuse a retiring allowance to a servant who was thrown out of employ for no fault of his own but on considerations affecting the well fare of a Department of Government, this case should be reported to the Government of India, and orders solicited for the disposal of it and of future similar cases.

2. The following statement shows the general result of the change:-

	Provincial fund		School fee fund	
	R	A	R	A
Cost of the 55 schools, 40 under new scale and 15 under old scale	662	2 0 0	1381	0 8

Cost of schools in abeyance	685	0 0	97	8 0
Balance available from Temple Vernacular School, Mangalore	35	0 0	45	1 4
Saving to Provincial fund - decrease	4152	0 0	1297	8 8
Additional charge to School fee fund - increase	30	0 0		
Total saving cost			53	8 0

The result shown is a saving of Rs. 53 to Provincial funds and an increased charge on the school fee fund of Rs. 53-8-0, being on the whole an increase of expenditure of Rs. 53-8-0.

3. In several instances however appointments were left vacant or were temporarily filled by persons drawing salaries below the

the minimum sanctioned. In two instances schools originally constituted 2nd grade schools were reduced to 3rd grade schools. These were the Taluk School, Jambanapora and Pallachy. The difference between a second and third grade school is shown in the

Saving in two schools	80	6	in these

two schools has been Rs. 80 under Provincial funds and Rs. 6 under the school fee fund.

4. As already explained the object of the measure was to render the schools more efficient, not to save money. In many instances however Government has gained indirectly

in direct by the increased
income from school fees.
