CERTIFICATE

CERTIFIED that I A. J. Sturmes.
have carefully examined Dhondoo Row, Sumastah,
son of Khristna Row, in the Pomeri
Taluk.

His age is, by his own statement,
fifty-seven years, and, by appearance, about 57 years. I consider him
Dhondoo Row

to be completely and permanently incapacitated for further service of any kind

in the Department to which he belongs, in consequence of General
debility.

His incapacity does not appear to me to have been
caused by irregular or intemperate habits.

Proceedings of the Collector of Chingleput.

Read appeal presented by Dondu Rao against the order of the Asst. Collector Mr. Farmer dated 24th April 1873 dismissing him from his post of Revenue Inspector in the Ponnur Taluk.

Appellant was dismissed for the following reasons.

1st. That he had been most culpably negligent in his work during the year 1871.

2^d. That on the report of the Tahildar dated 6th May 1871 he was fined 10 Rs for laxity in the Collection of Revenue which the Board directed should be cut down to a sum not exceeding half a Rupee.

3^d. That on the date of his dismissal the arrears in his Range amounted to 70 per cent of the current demand.

4th. That from the end of February till September 1872 he kept no diary & thus deliberately set at naught the orders of the Collector published at page 484 of the District Gazette of the 14th October 1871 directing the Revenue Inspectors to keep diaries and submit them fortnightly to the Tahildar.

No. 33.

Enc. 125

5°. That he had no excuse for the above negligence except that he was busily engaged in the collection of Revenue.

6°. That some of his statements in certain cases were quite unworthy of credit.

7°. That he stated that he never knew that the notice of attachment (Form No 5) should be affixed to some conspicuous part of the land or published in the District Gazette nor did he know that the sale notice (Form No 7) should be fixed up on some conspicuous part of the land and that he gets both these notices from the Tahsildar without taking the trouble to find out whether the Demand notice (Form No 1) had ever reached the defaulter.

8°. That almost every sale for arrears conducted by Dunder Row was grossly unjust as well as irregular.

9°. That in a certain case it was found that landed property worth Rs 300 and which actually fetched Rs 101 was sold by him for arrears of revenue amounting to Rs 1-10-2.

10°. That on examination he was found to be thoroughly inefficient & he was unable to say how Peervajesty should be levied in a certain case when questioned.

13

The grounds for appealing are:—

I. That he served the Government for a long series of years faithfully and without a single blemish attaching to his character.

II. That he had no hand whatever in the sale of land alleged to be disproportionately large for the recovery of the arrears due and that the person who acted for him during his absence on leave was responsible for it.

III. That in the said case notice No 4 was properly served.

IV. That the arrears in his range for Farsi 1281 were only 1 1/4 per cent as particularized in the appeal petition.

V. That the Collections in his Range for Farsi 1282 will bear a very favourable comparison with those in the Divisions in charge of other Revenue Inspectors of the Taluq.

VI. That he has not been guilty of any remissness whatever in the discharge of his duties.

VII. That he & other Inspectors and Zilladars did not submit their diaries for a few months as they had been engaged in the preparation of

of the Jammabandi accounts and the collection of arrears.

VIII. That the Dy Collector to whom the said omission was reported by the Tahsildar took no notice of it but the Asstt. Collector subjected Appellant alone to punishment.

IX. That it is not necessary to submit diaries when the Inspectors perform their work in the presence of their superiors.

X. That when he was examined by the Asstt. Collector as to how to charge Seewajash on Pujya lands, he was not able to give a correct reply as he was then confused.

XI. That he gave approximate answers when he was examined by the said Asstt. Collector as to the mode of measuring a decimal; even the best mathematician are sure to make blunders if orally examined.

XII. That he only was subjected to punishment when other Inspectors also erred equally.

XIII. That his service extends over a period of 28 years of which 15 were spent in ineligible grades and thus he is not entitled to a pension of even $\frac{1}{3}$ of his salary.

Decision. It is abundantly clear from the Asstt. Collector's Memo read with Appellant's explanations contains what he has to say in his own behalf that Appellant was careless and inefficient as regards the discharge of his duties as Revenue Inspector. The case is somewhat similar to that of Sundara Kundelly in the Trivellone Taluk just disposed of, who was reported inefficient by Dy Collector Venkatesiah and I shall treat it similarly. There is a great laxity particularly in the Agimashing part of their duties among the Revenue Inspectors and the regular keeping of diaries is a great check to such laxity. Appellant sentence of dismissal is converted into one of degradation to Gummastah on Rs 15- and there is a vacancy in that grade in Ponnese Taluk to which the appellant can be posted at once. Assistant Collector's order modified accordingly.

Reply.

Question 1. It was through an oversight
that the applicant's Service during
the two periods was classed under
"Qualifying."

Question 2. Because the applicant's sen-
tence of dismissal was converted
on appeal into one of deprecation.

Question 3. None.
The order of dismissal having
been modified, the punishment
of deprecation awarded in lieu
was not held to affect the
previous Service.
