From Colonel R. M. MACDONALD, Director of Public Instruction, to the Acting Chie Secretary to Government, dated Madras, 10th April 1878, *No.* 1400.

Letters from the Inspector of Schools, First Division, dated 11th February 1877, No. 123, and 26th February last, No. 204.
Application for gratuity on behalf of M. Narsimhulu, late Assistant Master, Taluk School, Anakapalle.
Service book of do. do.

I have the honor to enclose the papers noted in the margin relative to a claim fo gratuity preferred by M. Narsimhulu, lat Assistant Master, Taluk School, Anakapall who was thrown out of employ in th arrangements for the remodelling of Talu Schools. The schools were not remodelle with the object of reducing expenditu or effecting any saving. The standard the schools was raised and the purely vernacular classes were abolished. Narsimhul as a master of one of these vernacular classes, thus lost his appointment. Mr. Kersha considers, however, that he is not entitled to pension or gratuity. He is not incapa citated by age or disease from further work, and on his losing his appointme Mr. Kershaw nominated him to a Local Board School at Mardam in which his monthl pay, *plus* the annual grant, would have been an advance on his pay at Anakapall He however refused to accept the appointment.

2. The service of Narsimhulu was partly inferior and partly superior, and und the discretion allowed in Section 66 of the Pension Code the whole of the service ma be reckoned as inferior ; and as the period of service is not less than fifteen years, th gratuity under Section 65, if granted, should be five months' pay. It seems to me ve doubtful whether it should be given.

Enclosure No. 1.

To

The undersigned has the honor to inquire why the applicant is shown in the history of service to have been on receipt of 12½ rupees inclusive of 2 rupees from school fees, from 29th July 1866 to 31st August 1867, while from the Audit Register on record in this office he appears to have been paid only 10 rupees by Government up to 30th September and not till 31st August 1867, which added to that paid from school fees amounts to 12 rupees; and to request that the Director will be good enough to furnish this office with a memorandum showing the original and the revised scale of the Taluk Establishment, together with a memorandum of the periods of absence (other than casual) with and without leave, which the applicant availed during his entire service.

From the late Director's Proceedings, dated 27th July 1866, No. 1526 and 2nd October 1867, No. 1917, it appears that the applicant received Rupees 10 from Government and Rupees 2-8-0 from School Fee Fund from 29th July 1866 to 30th September 1867, and that from 1st October 1867 he was paid Rupees 12-8-0 by Government. The date mentioned in the history of service—31st August 1867—is a clerical error for 30th September. The pay of the applicant was reduced to Rupees 10 on his re-transfer from Bimlipatam to Anakapalle in February 1871. The original and revised scale of the establishment stood as follows on the introduction of the new scheme:—

From E. THOMPSON, Esq., M.A., Acting Director of Public Instruction, to the Accountant-General, Madras, dated 12th August 1878, No. 3108.

I have the honor, in reply to your letter of the 26th ultimo, No. A.D.K.—35, to inform you that the application for pension or gratuity was made originally in November 1876; but as it was considered that the applicant had a claim neither to one nor the other, his application was not forwarded. Besides, endeavours were being made to get him an appointment in a Local Fund School. He declined such an appointment, which he was entitled to do. He alleged that the appointment was not one in a Government School, and that his service would not carry with it a claim to pension or gratuity. It was only after G.O., No. 479, dated the 3rd September 1877, was passed that Colonel Macdonald found he had no alternative, but to send up every application for pension or a gratuity. No time was lost after that in submitting the application.

No. A.D.J.—47.

Certificate and Report of the Accountant-General.

Certified that qualifying service in inferior grades has been duly proved for fifteen years, seven months, and seventeen days; and that a compensation gratuity is not admissible under Rule 5, Section 50, of the Civil Pension Code (the calculations have been duly verified) as no saving to Government was effected by the remodelling of the Taluk Schools, in consequence of which the applicant was thrown out of employ—*vide* letter from the Director of Public Instruction, No. 1400, dated 10th April last, transmitted herewith.

With reference to Rule 1 of the Section quoted above, the Director explains that the applicant, on losing his appointment, was nominated by the Inspector of Schools of the Division in which he was employed to a Local Fund School at Mardam, which he refused to accept on the score that his services in that institution would not qualify for either pension or gratuity.

The character and past conduct of the applicant does not appear to have been thoroughly satisfactory.

The delay in the submission of this application has been explained by the Director in his reply, No. 3108, dated the 12th instant, herewith accompanying.

In conclusion, it is intimated that the decision arrived at in the case of Lazar Moodelly, referred to in this office letter No. 4554 of the 8th ultimo, will be applicable to the present case.

Application for gratuity on behalf of M. Narsimhulu late assistant master Taluq School, Ankapalli.
Service book of do do.

I have the honor to enclose the the papers noted in the margin relative to a claim for gratuity preferred by M. Narsimhulu, late Assistant Master, Taluk School, Ankapalli who was thrown out of employ in the arrangements for the remodelling of Taluk Schools. The schools were not remodelled with the object of reducing expenditure or effecting any saving. The standard of of the schools was raised and the purely vernacular classes were abolished. Narsimhulu as a master of one of these Vernacular classes thus lost his appointment. Mr Kershaw considers however that he is not entitled to pension or gratuity. He is not incapacitated by age or disease from further work, and on his losing his appointment, Mr Kershaw nominated him to a Local Board School at Mardan, in which his monthly pay plus the annual grant would have been an advance on his pay at Sunkapally. He however refused to accept the appointment.

2. The service of Narsimhulu was partly inferior and partly superior and under the discretion allowed in Section 66 of the Pension Code the whole of the service may be reckoned as inferior; and as the period of service is not less than 15 years the gratuity under section 65 if granted should be 5 months' pay. It seems to me very doubtful whether it should be given.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in {inferior / ~~superior~~} grades has been duly proved for 15 years 7 months and 17 days; and that a Compensation {~~pension~~ / gratuity} ~~not exceeding Rs.~~ , is not admissible under rule 5 Section 50 of the Civil Pension Code (The calculations have been duly verified) as no saving to Govt. was effected by the re-modelling of the Talug Schools in consequence of which the Applicant was thrown out of Employ. Vide letter from the Director of Public Instruction No 1400 dated 10th April last transmitted herewith.

With reference to rule 1 of the Section quoted above the Director explains that the applicant on loosing his appointment was nominated by the Inspector of Schools of the Division in which he was employed, to a Local Fund School at Madras, which he refused to accept on the score that his Services in that Institution would not qualify for either Pension or Gratuity.

The Character and past Conduct of the applicant does not appear to have been thoroughly satisfactory.

The delay in the submission of this application has been explained by the Director in his reply No. 3108 dated the 12th Instant herewith accompanying.

In conclusion it is intimated that the decision arrived at in the case of Lazar Moodelly referred to in this Office letter 4554 of the 8th Ultimo will be applicable to the present case.
