The undersigned has the honor to enquire

- 1 On what grounds the applicant's service as Acting Deputy Conservator of Forests Nilambur from 14<sup>th</sup> February to 31<sup>st</sup> August 1862 has been considered as qualifying in superior grades while it does not under the rules even though assuming that the appointment was fully vacant during that period. The applicant was not confirmed in it before he was made Revenue Inspector Calicut on 1<sup>st</sup> September 1862 and consequently forfeited that service vide rule 2 Section 19 Civil Pension Code.

in the abstract for the months noted opposite to each item. If they were deductions on account of absence without leave the periods of such absence with particulars as to dates in each instance should be given.
- 3 Whether the option allowed in Section 66 of the Civil Pension Code of counting so much of service as is superior towards Gratuity on the superior scale or of counting the whole as inferior service towards a pension on the inferior scale has been exercised by the applicant in this case. If so please forward to this Office a copy of his letter on the subject.

4 On what grounds the Collector considered the applicant to be entitled to a retiring allowance while he appears from the entry in the remark of the Leave statement of the Taluk Establishment of the Malabar District for June 1874 to have been dismissed from the service from the 8 June 1874.

The Audit Register on record shew that the applicant was continuously on leave without allowances from 1 February to 7 May 1872 and not from 1 February to 10 April and from 1 to 7 May 1872 as shewn in the Service Book. Please explain the discrepancy. The closing entry in the Service Book has not been attested by the Collector and that document is herewith returned for the addition of his signature.

Please forward to this Office at an early date a copy of the applicant's application to the Collector asking to retire from the service from the 6<sup>th</sup> June 1874.

Replg.

1) The services of the applicant as Acting Deputy Conservator of Forests were considered as qualifying as he drew the full pay of the appointment. It may be rejected under Rule 2 sec. 19.

2) The Savings referred to in the Pay abstracts were on account of Fines imposed upon the applicant for carelessness and negligence in the discharge of his duties.

3) The option of the applicant allowed under Section 66 of the Civil Pension Code.

Code was not exercised in this case. A gratuity on the Superior Scale was recommended under sec. 59 of the Code.

4) The entry in the Leave Statement that the Applicant was dismissed is erroneous. He was ordered to retire from his service owing to his incapacity for further service on account of old age, as will be seen from the order of the Collector no. 861 dated 6<sup>th</sup> June 1864 a transmission of which is herewith submitted.

The applicant was continuously on leave from 1<sup>st</sup> February to 7<sup>th</sup> May 1872 viz. with half pay from 1<sup>st</sup> February to 30<sup>th</sup> April and without allowances from 1<sup>st</sup> to 7<sup>th</sup> May. The necessary Corrections are made in the Service Register which is herewith retransmitted, attested by the Collector as required.

The applicant was ordered to retire on Pension as shewn above and there was no application from him.

and 19 days; and that a <sup>provision</sup>~~superannuation~~ {pension} not exceeding Rs. 500 <sup>or equal to M.</sup>, ~~is admissible under~~ Sections 86 & 87(a) of the Civil Pension Code. The calculations have been duly verified. It is observed that in the Same Statement of the Late Estate of the Madam, Section for June 1914 on record in this office, the applicant is shown to have been discharged from the service from the 8 June 1914. On enquiring the present Collector in his reply to this office, he says he does not know the 24 March 1919 letter transmitted 106 stating that the entry in the Same Statement was erroneous and that the applicant was ordered to allow

from the service owing to his incapacity for further service on account of old age. So there  
facts the attention of Government is respectfully solicited.

It will be seen from the remarks of the Collector apposite to No. 1 & 2 on the 3<sup>rd</sup> page of the  
application and a few of the accompanying papers that the character and past conduct of the ap-  
-plicant have not been fully satisfactory. It acts therefore with Government to meet such reduction  
in the amount of quantity as it thinks proper under rule 1 Section 68 of the Civil Revision Code. -

The delay of 4 years and 7 months that has occurred in the submission of this Application has been explained by the Collector in the 3<sup>rd</sup> Page of the Register of Application.

Translation of an affidavit taken from Niyur Chuthra Varian, Case 5<sup>th</sup> Criminal Court, Taluk in the presence of Mr. J. C. W. Dy. Magistrate of Malabar on the 13<sup>th</sup> June 1879.

Question Answer

1. You say you served in the Malabar Police as an Inspector from 1<sup>st</sup> June 1860 to 13<sup>th</sup> February 1862; but it appears from letters received from the Superintendent of Police dated 14<sup>th</sup> October and 12<sup>th</sup> Nov. 1878 nos. 600 & 650 respectively, that your services for one month only, from 1<sup>st</sup> to 31<sup>st</sup> December 60 as an Acting Police Inspector are being put out by record & can your account for the break in your service deducting the above one month.

I solemnly make the following statement. I was employed in the Malabar Police as an Acting Inspector from 1<sup>st</sup> June 1860 to 13<sup>th</sup> February 1862. I was then Superintendent of Police. Capt. Bloomfield informed me that I would get 20 Rs. per mensem being my pay until 100 men are enlisted & afterwards full, viz Rs. 40 would be allowed to me besides horse allowance &c. &c. Accordingly, I gave the Department. It was the month of December only that I drew Rs. 40 for the rest of the period pay none of my content and who can give evidence in support of my statement are now living and dying.

Service as Police Inspector is not  
brought out by the records, I was not  
subjected to any suspension or dismissal  
now, did I resign the post I don't know  
why my name was not entered in the  
Pay Abstracts.

Once I drew in lump sum  
Salary amounting to Rs 120 being half  
pay for 6 months and for same months  
I received my pay direct from the then  
Superintendent of Police when on circuit at  
Malapuram and other places, and for  
same months through Comptroller at  
Annamalai. I herewith produce the  
records I had in my possession.  
Cases of the above nature are not  
uncommon.

order of degradation.

Translation of an Extract from an order from the Collector of Malabar to the Tahsildar of the Calicut Taluk no. 178 dated 27<sup>th</sup> April 1871.

The Collector agrees with the Tahsildar as stated in his report that the Revenue Inspector referred to has not properly and diligently discharged his duties in connection with the repairs to the road agreeably to the orders issued to him and consequently the work so far as it is done is very discreditable and has occasioned loss of funds. The Collector therefore degrades Kluthra Varian from the post of the 3<sup>rd</sup> Revenue Inspector to that of a Taluk Gunastah on a reduced salary of Rs. 15 per mensem.
