" Assistant Accountant-General, dated 12th May 1879, No. A.D.J.—135.

ORDER THEREON, 26th June 1879, No. 360.

Sukudevu Sing entered the Government service as a Peon in the Godavari District in or about the year 1840, and served continuously in that capacity until invalided on the 25th July 1877, with the exception of three months and twenty days in 1848 when he was out of employment. It appears that he was removed from the service on the 30th March 1878, for having allowed certain coolies to leave the anicut works, but was re-employed on the 21st July in the same year.

2. Under these circumstances His Grace the Governor in Council is pleased, under the authority conveyed in the letter from the Government of India noted in the margin, to treat the brief period during which Sukudevu Sing was out of employment as equivalent to suspension and to grant him an invalid pension of Rs. 3 per mensem, payable from the 26th July 1877, for his qualifying inferior service of not less than thirty years.

Dated 24th October 1873, No. 3873, in G.O., 22nd November 1873, Pension Department, No. 587.

3. The Government note with disapproval the delay of nearly fifteen months that occurred in the submission of this application by the Collector, and the further delay of upwards of three months in replying to the Accountant-General's letter, dated 11th December 1878, No. A.D.K.—152.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that (~~subject to the remarks below recorded~~) qualifying service in {inferior ~~superior~~} grades has been duly proved for 25 years 11 months and 18 days; and that an Invalid {~~pension~~ gratuity}[1] not exceeding Rs. 36 equal to 6 months pay would be, ~~is~~ admissible under Section 65 (a) of the Civil Pension Code (The calculations have been duly verified.) Provided Government be pleased to accept the explanation of the Collector given in para 2 of his reply to this office Memo No. ADK/152 dated 11th Decr/78 (herewith transmitted) in respect of the entertainment of an application for Pension on behalf of the applicant who appears to have been dismissed from the service by the Sub Collector, under whom he had been serving for having overstayed his leave, and commute the period of the applicant's absence without leave into leave without allowances under the foot note to Case (a) Section 47 Civil Pension Code, otherwise he will not be entitled to any retiring allowance.

It will be seen from the Register of application that the applicant had served for a period of 7 years prior to 21 July 1848 and that although this service has been vitiated by dismissal, still the Collector includes it in the total period of the applicant's qualifying service and recommends that the applicant be granted a Pension instead of gratuity since he was re-employed very soon after his dismissal not for any serious offence. Should Government however be pleased to acquiesce in the Collector's recommendation and grant the applicant a Pension, it is respectfully pointed out that that grant will need the Confirmation of the Government of India.

The delay that has occurred in the submission of this report is owing to a reference having had to be made to the Collector of Godavari whose reply was not received in this office until after nearly 3½ months since the date of the reference.

Statement given by Sukudevudiny late a peon in the Rajahmundry Taluq and an inhabitant of Rajahmundry.

I do not recollect on what date I entered upon the Government Service. In 1840 & 1841 I took up the Service of a peon's post in the Jail and held it for 2 years. I then took the Prisoners to Vizagapatam and served there for one year owing to the disagreement of the climate I obtained leave placing a substitute & returned to Rajahmundry. I felt better after treatment and I entered upon the duty of a peon in the Kottapalli Taluq in 1844. I held the Service there for a time and got Exchanged to the Rajahmundry Taluq in 1847. From this I was transferred as follows:—

In 1848 To Coringa Division
" 1849 " Kaparam
" 1864 & " from thence to Rajahmundry

I have thus rendered my services in the Talugs respectively. I was thrown out of Employ on the 25^d July 1877 from the peon's post of Rajahmundry Talug. In order to prove that I have so served no Takids &ca Exist. In the first instance I was a peon in the Rajahmundry Jail and my working there was known to Kusma Chenchu the Naik at the Jail and the peon Hussain Beig. I do not remember the leaves I obtained from time to time. It must be ascertained from the accounts of Government.

I have heard the statement, it is Correct.

Statement made by Cusma Chenchu, a pensioned Dalayet of the Subcourt and an inhabitant of Rajahmundry –

Suku Devusing, the late peon of Rajahmundry Talug was employed as a peon under my subordination in the Rajahmundry Jail during 1840 - 41. I was then a Naik in that Department. He rendered his services along with me in the Jail for 2 years. Afterwards he escorted some prisoners to Vizagapatam. I do not know how long he remained. After his remaining there for some days, he was seen while employed as a peon in the Rajahmundry Talug.

I remember that Suku Devusing drew 5 Rupees a month in the Jail.

I have heard the statement; it is Correct as I stated.

Deposition given on solemn affirmation by Shaik Latib Sahib at present residing at Cocanada

I recollect that in 1842 or 1843 Suku Devusing was employed in the Vizagapatam Jail for about one year. I think that the pay might have been 5 or 6 Rupees per month. I do not well know about the particulars of the pay. As there were in that Jail peons that received 5 or 6 Rupees as monthly salary, I could not know the details. I was in those days in the Vizagapatam Town as Police peon. I therefore knew Suku Deinsing — While he was holding the peon's post he fell sick and proceeded to Rajahmundry. I do not know in what post he was afterwards.

FROM THE ACCOUNTANT GENERAL, MADRAS,

TO THE Collector of Godavery.

VIDE your Application for Pension on behalf of Sukudiesing, late Peon Rajahmundry Taluq.

THE undersigned has the honor to enquire

1. Under what circumstances the applicant's service rendered prior to 21 July 48 was considered as qualifying service when the same appears to have been vitiated by dismissal in March 48.

2. Why the applicant was recommended for Pension, when he appears to have been removed from the service in consequence of his not attending to duty after expiration of the leave granted to him on the 25th July 77

3 What kind of leave was the applicant granted

granted in July 77; and from and up to what date?

4. Why the date of commencement of the applicant's Pension is stated to be from the 25th instead of from the 26th July 77, when his Service appears to have been closed on the former date;

The applicant's Service Book is returned herewith for the purpose of the closing entries being attested by the Collr and the same retransmitted to this Office at an early date. The country or House name of the applicant should also be stated.

Apt. Acct. Genl.

P.S. Copies of correspondence that took place in connection with the applicant's dismissal from Service both in March 48 and in July 77 should be furnished to this Office.

1. The Service of the applicant prior to 21st July 18 is considered as qualifying as he was re-employed very soon after his dismissal not for any serious offence and he had since continued in Service.

2. Mr Kelsall the then Asst Sub Collector and the immediate Superior of the applicant, had certified that he had overlooked the failure of the peon's return at the Expiry of his leave, and had entertained his application for pension – An extract from the order of the Sub Collector on the subject is herewith forwarded for information

3. The peon obtained 6 months leave on forfeiture of full pay to go to the Benares and availed himself of it from 11th October 1876 – The leave expired by 10th April 1877 when he did not join, and on the report of the Tahasildar dated 17th July 1877 the following order was passed by Mr Kelsall.

1877; and from and up to what

"The peon took 6 months leave which expired in April. He has not returned nor asked for an extension. His appointment must be considered vacant. I will appoint his successor shortly"

On the 23rd July 1877, the Tahasildar sent another report stating that the peon had applied for an extension of 3 months leave. On this report Mr. Kelsall's order is as follows:-

"The application is too late. Petitioner had already overstayed his leave by 3 months"

Until the 25th July 1877, the applicant's name appeared in the Pay Abstracts, and on the 26th July his name was taken off. The applicant who was supposed to have been on leave from 11 October 1876 upto 25th July 1877, drew no pay during that period, he having obtained leave on forfeiture of full pay.

4 The date of the commencement of his pension is from 26th July 1877 and the entry is accordingly corrected. The Service register is returned filling up the entries omitted. The applicant is a Bondili; he has no distinguishing country or house name. Copies of the correspondence asked for in the last paragraph are herewith sent with the exception of an order issued in March 1848 which is not forthcoming.

5 The delay in answering this reference is due to the search which had to be made in this and the Tahasildar's offices.

Sir

I have the honour to forward herewith an application for pension on behalf of Sukadevasing late peon in the Rajahmundry Taluk.

His total service extends over a period of $\overset{y.}{32}.\overset{m.}{11}.\overset{d}{17}$ including leaves, of which his inferior service of $\overset{y.}{31}-\overset{m.}{1}-\overset{d}{3}$ may be taken into pension.

2 Of this, his service of $\overset{y.}{28}.\overset{m.}{1}.\overset{d}{3}$ commencing from the 1st April [illegible] to the date of his discharge has been verified from the records of this Office and the rest viz 3 years by the evidence

of 4 of the contemporary employees of the applicant. Their evidence and the statement of the applicant, shew that the latter served as a peon for 3 years in the Zillah Jails of Rajahmundri and Vizagapatam between the years 1840 to 1844 but neither of them is able to state the date or month of the year in which his services commenced.

3 To ascertain his service in the said Jails, the District Judges of those places have been addressed, but they said that the old records have been destroyed and no information as to his services on their Establishments can be had.

4 Adding the service of 3 years in question to that of $\overset{y}{28}$ [illegible] which is verified from the records the total qualifying service amounts to $\overset{y}{31}.\overset{m}{1}.\overset{d}{3}$, It therefore entitles him to a pension of half of his pay not exceeding Rs 4 provided there is no break exceeding one year in his service previous to 1st April 1844. In the absence of clear proof of the records as to the date of his first appointment added to the inability of the applicant and his contemporaneous servants to fix that date, it may be safely presumed that there was not a break exceeding one year in his service previous to 1st April 1844.

5 Under these circumstances, I beg to forward the application for an invalid pension of Rs 3 per mensem under section 65 of the Civil Pension Code.

6 He being 60 years old no medical certificate accompanies this. He is no longer fit for further service. His service register together with the translations of the evidence of the contemporaneous servants are herewith forwarded.
