PENSION DEPARTMENT.

11th October 1878, No. 458.

Pension.

Read the following paper:—

From W. LOGAN, Esq., Collector of Malabar, to the Chief Secretary to Government, dated Calicut, 1st October 1878, *No.* 97.

I have the honor to submit, for the favorable orders of Government, the enclosed copy of an application presented on the 25th August 1873 by Mr. J. L. Rozario, Superintendent of Customs, Cannanore, to my predecessor through the then Additional Deputy Collector in charge of the Customs Department.

2. Mr. Rozario's total service extends over a period of thirty-nine years, with a break of one year and ten days, from 28th November 1854 to 9th December 1855, caused by resignation owing to his ill-health.

If he should forfeit his previous service under Section 48 of the Civil Pension Code, he will be entitled to only one-third pension, but Section 48, Clause 1, whereby a break of twelve months by resignation, &c., coming prior to 8th June 1863, may be condoned, seems to make Mr. Rozario's case worthy of favorable consideration. The excess over twelve months in his case was only twelve days.

3. Taking into consideration his long and faithful services, and good conduct brought to the notice of Government (*vide* their Proceedings, dated 25th January 1865, Miscellaneous No. 2441), I beg to recommend that, as a special case, he may be permitted to count towards pension the service rendered by him before resignation.

Enclosure No. 1.

From Mr. J. L. ROZARIO, Superintendent of Customs and Conservator of the Port, to the Officiating Additional Deputy Collector, Calicut, dated Cannanore, 25th August 1873.

I beg to forward an application to the Collector praying to exempt me from the operation of Clause 1, Section 45, Chapter 10, of the Pension Rules, as there is a break in my service, and respectfully request you will be pleased to lay the same before that gentleman backed by your kind recommendation, for which I shall feel grateful.

From Mr. J. L. ROZARIO, Superintendent of Customs and Conservator of the Port, to the Collector of Malabar, dated Cannanore, 25th August 1873.

With all respect and attention, I beg leave to state that my present age is fifty-four, and contemplate upon retiring from the service on the completion of the age of fifty-five years should circumstances not induce an earlier application for pension.

2. My services extend over a period of thirty-one years as the accompanying copy of the service book, containing copies of credentials in my possession, will show; but, as there is a break, my case unfortunately comes under Clause 1 of Section 45, Chapter 10, of the Pension Rules.

Civil Pension Code, 2nd Edition.

3. I was entertained in the Government service on the 13th September 1839 as third English Writer in the late Auxiliary Court, Zillah Malabar, and in July 1844 took up the appointment of English Writer in the Malabar Sub-Collector's Cutcherry. I had continually to proceed to Wynad with the establishment during the Sub-Collector's visit to that locality

and had the misfortune to contract the fever which Wynad, then not opened out to the extent it has been since, was proverbial for; and, before I could fairly recover from the constant attacks of the fever, I was ordered to proceed to Palghat when the Sub-Collector's Cutcherry was transferred to that place. Having thereby been deprived of the benefits of a sea coast, I was subject to various other diseases which a prostrated constitution was liable to, and recommended for removal to the sea coast for the benefit of my health; but, as the repeated applications for a removal proved fruitless, I was dragged to the necessity of returning to Tellicherry on medical leave, and eventually resigning my situation in November 1854, as will be seen in the copy of the certifiate granted on the 1st December 1854 by the then Sub-Collector Mr. Knox.

4. I remained unemployed up to the 7th* December 1855, or for a period of twelve months and ten† days, and the addition of ten days brings my unfortunate case under the operation of the rules above quoted, and must tend to reduce my retiring allowance to one-third should I be spared to apply for the bounty from Government.

* Should be 9th December.

† Should be twelve days not ten.

5. I therefore most humbly and respectfully beg you will be pleased to take my case into consideration, peruse the copies of the several credentials in the accompanying copy of the service book, especially the certificates granted by Messrs. Chatfield and Knox on the 3rd July 1852 and 1st December 1854, and the letter addressed by the former gentleman on the 9th September 1853 to the then Collector, and also the Government Order, dated 25th January 1865, No. 117, and deign to recommend my case to the Government for permission to exempt me from the operation of the rules above quoted, for which I shall feel grateful.

Mr. Leonord Rozario has been writer in the Sub-Collector's Cutcherry ever since my arrival at Tellicherry in 1845, and during that long time I have had every reason to be satisfied with him, and on more than one occasion have recommended him for promotion in the English Department of the Huzur and elsewhere. He is a capital Malayalam translator, and for that purpose would be extremely useful in the Courts, and, as his health has been affected by Wynad fever, I shall be glad to learn he had obtained a more stationary appointment than his present.

TELLICHERRY,
3rd July 1852.

(Signed) R. CHATFIELD,
Sub-Collector.

From R. CHATFIELD, Esq., Sub-Collector, to the Collector of Malabar, dated Palghat, 9th September 1853, No. 212.

I have the honor to enclose a medical certificate recommending the removal of my Writer to the sea coast in consequence of continued indispositson since his arrival at this place, and to request you will take his case into consideration and endeavor to make arrangements for the business of this office.

Mr. Leonord Rozario is an excellent translator, and has claims deserving consideration from his long service, and, as there are no means by which he can be promoted in this office, he is naturally desirous, independent of other circumstances, to get on the Huzur Establishment.

I certify that Mr. John Leonard Rozario of the Sub-Collector's establishment has been under medical treatment since his arrival at Palghat (a period of seven or eight months). He suffered from general debility and palpitation of the heart, the effects of jungle fever, and I consider that removal to the sea coast is necessary for recovery of his health.

The Sub-Collector of Malabar hereby certifies that Mr. John L. Rozario served in his office as English Writer for a period of ten years, four months, and nineteen days, and that he resigned this appointment for private reasons.

2. The present Sub-Collector has always been perfectly satisfied with the way he has performed his duties, and considers him excellent as a Writer and as a Translator, and trusts he may soon find employment on the Coast.

VIDE *your appli ation for* Pension *on behalf of* Mr. J. L. Rosario late Supt. of Sea Customs and Conservator of the Port Cannanore.

THE undersigned has the honor to enquire

1. Under what circumstances the applicant's service rendered prior to 24th June 1841, the date on which he completed 22 years of age, was considered as qualifying for Pension when it should have been properly excluded from calculation in accordance with the provision contained in Section 13 of the Civil Pension Code.
2. On what grounds the applicants' service rendered prior to 10th May 1856 was reckoned as service qualifying for Pension when he appears to have forfeited it by a break of 1 day caused by resigning his appointment a second time –
3. Whether the applicant's service in the Judicial Department from 10th May 1856 to 13th March 1863 has been verified from the records of the Civil Court

Tellicherry - His reasons for having quitted that Department should be stated.

The Register of application and the applicants Service Book are returned herewith. In the first the cause for the several reductions of Pay should be noted and in the second the reason of termination of the applicants' services should be inserted. Both Register and Book should be retransmitted to this Office at an early date after the entries have been attested by the Collector.

A. Cotterell Tupp.

Off. Dy. Accountt. General.

Reply.

The Applicant's services (1 year, 9 months & 12 days) prior to 24th June 1841, the date on which he completed 22 years of age were by an oversight, included in his qualifying Service - The same has now been excluded -

2. The Applicant did not actually resign his ~~application~~ situation as a maramut writer in the Revenue Department; but he merely quitted that Department to take up the appointment of the 5th English Writer in the Civil Court of Tellicherry which is his native Country and the one day occupied in his journey from Calicut to Tellicherry is not therefore to be considered a break (vide

No 43

Note to Section 48 Page 23 Civil Pension Code 3d Edition) -

3 - The services of the applicant in the judicial Department from 10th May 1856 to 13th March 1863 have been duly verified from the records of the Civil Court of Tellicherry as per Certificate herewith forwarded - The Applicant quitted the Judicial Department to take up the appointment of the Sub Magistrate of Vythery - though the pay of this appointment was a little less than that drawn by him in the Civil Court, he nevertheless accepted it considering that he would have a better chance of rising in the Revenue Department agreeably to the Spirit of a letter he received from Mr. Ballard, the then Collector of Malabar -

The Register of application and the applicants service Book are herewith retransmitted, the required particulars having been inserted therein and the entries attested by the Collector -
