The bearer of this Sopala Chari has been employed in the Sudr Amin's Court of Cuddalore as a Jumastah for a period of 14 years he has been discharging the civil and criminal businesses entrusted to his care with great diligence and activity without the least fault. Hence the Mufty Sadr Amin being of opinion that he is well acquainted with the business and deserving of credit he has granted this to him for his advancement of life. Cuddalore. 10th July 1862. (Signed) Gulamcalikam Collah. Sudr Amin. Sopalachary is the man, of whom I have seen most of all the servants in the Court as he is the Jumastah whom I have kept in attendance in the Court, and he has read all the papers and assisted in the examination of witnesses. I have the highest opinion of his ability. If he only knew English he would be apt to get rapid promotion. He has throughout these years been most useful in the Court and I have great pleasure in giving him an excellent certificate for ability, perseverance and attention. b. 9. 66. (Signed) J. C. Carr Judge. Mr. Carr has described this man very aptly & left nothing for me to add. I found him a hard working subordinate zealous and anxious to do his best. Gopalachari has been a Jazir during the time I have been in charge of the Court. I have never had occasion to find fault with him, as he has done his work very well. He is hard-working and exact - the latter a great merit. 28. 1. 71. Signed / B. H. Bliss. <i>Judge.</i>

I had abundant opportunity for forming it as far most of the time I presided over the Court. You were the Clerk that attended me for the S.C. business. I found you most laborious, careful, clear-headed & upright. Gopalachary has given me every satisfaction as a Jazir and is very straightforward & exact. I regret he does not know more of English, as it is likely to stand in the way of his promotion. 31-7-75. (Signed) J. E. Parker <i>Judge.</i>				
I regret Mr. Christ Brown that I have had occasion to reprimand Gopalachary recently for allowing great waste of time in the conduct of his business department. As he so frequently borrowed the assistance of his staff, that was the main cause of such
