ORDER THEREON, 10th July 1879, No. 384.

His Grace the Governor in Council is pleased to grant to Mr. Joseph Wood, late Writer, Sub-Overseer's Office, Vayalpad Taluk, Cuddapah District, an invalid gratuity of Rupees 180, equal to twelve months' pay, for his qualifying superior service of fourteen years, five months, and eight days.

2. The applicant applied to the Range Officer on the 14th April 1875 for permission to resign the service, but appears to have withdrawn his application almost immediately, for on the 27th of the same month the District Engineer remarked that he had done so and transferred him to another range.

3. The Acting Accountant-General is of opinion that the applicant's letter of resignation vitiated his former service, but as it was apparently never acted on the Government consider that the resignation was not complete and that there is nothing to prevent Mr. Wood's entire service being reckoned as qualifying.

4. Copy of these Proceedings will be forwarded for the information of the Government of India.

Gratuity. — Granting an invalid gratuity of Rupees 180 to Mr. J. Wood, late Sub-Overseer's Writer, Vayalpad Taluk, Cuddapah District.

Certified that I have carefully examined Joseph Wood, son of Basil Wood, — Overseer's writer of Vailpaud Taluq - His age is, by his own Statement years, and by appearance about 50 years. I consider Joseph Wood to be completely and permanently incapacitated for further service of any kind, or in the Department to which he belongs, in consequence of premature old age and infirmity and defective eyesight.

He is, and has been for a long time, subject to Asthma also, from which he suffers severely three or four times in a month.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Sir,

I have the honor to forward a medical Certificate, application for pension and Service Register with a Statement showing the Calculation of the average emoluments drawn by Joseph Wood,

---

Copy of Letter No. 374 dated 8th March 1879 from the Examiner P. W. Accounts, Madras to the Superintending Engineer 2nd Circle.

In returning the gratuity application and Service book of Joseph Wood late Sub Overseer's writer, Cuddapah District, I have the honor to enquire whether the applicant's services from 1st September to 30th November 1863 have been verified from Pay Abstracts and Acquittance Rolls. His services from 1st September to 31 October 1863 cannot be verified owing to the omission in the audit register of the names of incumbents. The applicant is shown in the register to have drawn Rs. 10 for November 1863 but it is not known for what period the amount refers. Please state the period for which the Sum of Rs. 10 was drawn.

2. According to the audit registers, the applicant's moiety pay for 20 days in January 1871 and full pay for 7 days in June 1874 was stopped. The cause of the 1st Stoppage is not noted in the audit register but that of the 2nd is shewn to be due to the applicant's absence without leave. These two periods together with the period from 5th to 15th February 1871 during which

the

the applicant has drawn only half pay have been shown as "Service reckoned towards gratuity" in the application. The necessary alteration should be made with reference to the above remark with a note whether the applicants absence without leave for 7 days in June 1874 can be treated as leave without allowances under Section 9 Supplement I of the Civil Leave Code.

3. The audit registers further show that the applicant resigned his appointment of overseers writer in the Sidhout Range on the 14th April 1875 and that on the 15th May 1875, he was appointed as Suboverseers writer in the Madhanapalle Division. In the History of Service of the application, however, the applicant is shown to have been in transit for one month from 15th April to 14th May 1875. I request that the papers in connection with the resignation and reemployment of the applicant may be forwarded to this office for reference.

4. The applicant appears to have had sick leave and leave without allowances from 28th March to 26th April & 27th April to 12th May 1878 respectively. The necessary corrections should be made in the gratuity application & the Service book and the same returned to this office.

5. The

5. The gratuity application and the Service book should be completed with the signature of the Superintending Engineer on the 3rd Page of the former, & in column 11 on the 1st page & 12 on the 3rd, 5th, 7th, 9th pages of the letter.

6. Under Section 59(a) & 69(a) of the Civil Pension Code, gratuity is calculated upon the emoluments drawn by a person at the time of his retirement. Hence, the statement of calculation of the average emoluments in the present case is unnecessary.

7. The enclosed Medical Certificate does not show whether the applicants incapacity is due to irregular or intemperate habits vide Section 54 Civil Pension Code. The omission should be supplied and the Certificate retransmitted to this office.

8. The cause of the delay in the submission of the application for over 5 months should be explained.

The applicant's services for the period from 1st September to 30th November 1863 cannot be verified from the Audit Registers of this Office. They have, however, been duly verified from the records of the Superintending Engineer's Office. His services from 1st December 1863 to 8th September 1878 have been verified from the audit registers of this Office. The applicant is shown to have been absent without leave for several short periods in June, December 1874 and January 1875 as will be seen in the History of Service attached to the application. The applicant resigned his appointment on the 15th April 1875 on the ground that he was ill-treated by the overseer under whom he served; he was, however, allowed to withdraw his resignation and transferred to another Taluq, as Sub Overseer's writer. The period from 15th April to 14th May 1875 for which no pay was drawn for the applicant is shewn by the Superintending Engineer 2nd Circle in the History of Service as time spent in transit without pay.

Certified that should Government be pleased to treat the several periods of absence, without leave, of the applicant, as leave without allowances, and to consider the period from 15th April to to 14th May 1875, as spent in transit, qualifying service in Superior Grades would amount to 14. years, 3 months and 8 days and an invalid Gratuity not exceeding Rs. 180, equal to twelve months' pay, would be admissible under Section 59 (a) of the Civil Pension Code. The calculations have been duly verified.

Countersigned with the remark that as the applicant is reported to have resigned the service on the 14th April 1875 his service prior to 15 May 1875 the date on which he reentered the service as Sub overseer's writer was vitiated and cannot therefore count towards a retiring allowance. Under these circumstances the applicant can reckon service for Gratuity only from 15 May 1875, which after deducting the leaves enjoyed by him subsequent to that date amounts to 3 years and 1 day entitling him to an Invalid Gratuity of Rupees 45-"-" equal to 3 month's pay under Section 68(a) of the Civil Pension Code 4th Edition. Should Government however be pleased to grant him a higher amount of Gratuity overlooking the break caused by his resignation of the Public Service it is respectfully pointed out that that grant should be reported for the confirmation of the Government of India Vide section 89 of the Civil Pension Code.

From the Supg. Engineer 2nd Circle
" Examiner of Works Accounts dated 10th May 1879 No. 480.
" Asstt. Accountt. General of 30th May 1879 No. A.D.I / 143

Order thereon 10th July 1879 No. 384.

His Grace the
Governor in Council
is pleased to grant
to Mr. Joseph Wood
late writer Sub Overseer's
office Voilpaid taluq
Cuddapah District
an invalid gratuity
of Rupees 180-0-0
equal to 12 months
pay for his qualifying
superior service of
yrs. m. ds.
14-5-8

2. The applicant
applied to this
immediate superior
range officer on
the 14th April 75
for permission to
resign the service
but appears to

have withdrawn
his application
almost immediately
for on the 27 of the
same month
the District Engineer
remarked that
he had done so
& transferred
him to another
range
3. The Act. Acct. Genl
is of opinion ~~considers~~ that
the applicants
letter of resignation
vitiated his former
service but as it
was apparently
never acted on
the Government
consider that
the resignation was
not complete
and that there
is nothing to
prevent Mr. Woods
entire service being

reckoned as
qualifying

4. Copy of these
proceedings will
be forwarded for
the information
of the Govt. of India.
