DEPUTY SUPT. 1878 25·10 No. 7 REVENUE SURVEY

Certified that I have carefully examined, Sesha Iyengar son of Appama Iyengar, a Deputy Surveyor in the Revenue Survey Dept. His age is by his own statement 46 years, and, by appearance about 46 years, I consider Sesha Iyengar to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of Aortic Aneurism. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Succinct statement of case of Sesha Iyengar

States that he has suffered from difficulty of breathing and pain in Chest for about 5 years. Appears to have been frequently on the sick list and on leave during last two years.

Suffers from a frequent short irritable cough, much aggravated by any exertion such as walking. Over a space below the 2d rib, and immediately to the right of the Sternum, there is slight dullness and the heart's sounds are abnormally clear. A slight impulse can also be felt from this point across to left Sterno-Clavicular articulation. Hearts sounds normal, 2d sound unusually sharp and clear. Radial pulses unequal; right small, weak, and occasionally intermittent, left, of fair volume and strength. Number of beats 74. Chest generally resonant on percussion, respiratory murmurs appear normal in character, but are marked by the Cardiac sounds. Cough when severe causes vomitting. General health otherwise fair.   II

VIDE ~~your~~ Application for Pension on behalf of C. Seshayengar late a Deputy Surveyor No. 1 Revenue Survey Party

THE undersigned has the honor to enquire–

1 Why in the Register of application the applicants' Pay in 1862 is shewn to have been Rupees 20 instead of Rupees 25 a month as entered in the annual returns for that year on record in the Accountant General's Office–

2 Whether the applicant's detachment on temporary duty as Detail Surveyor under the Deputy Director of Revenue Settlement in Trichinopoly in Augt. and September 1862, was on the understanding that when that duty ceased, he would revert to his substantive appointment in the Survey Department–

3. Why the above Temporary duty is shewn in a

batta

both the application and the Service Book as "Substantive" permanent".

It will be seen from the accompanying letter✕ (to be returned) from the Dy. Director of Revenue Settlement Coimbatore, that the applicant was temporarily employed under the Deputy Director of Revenue Settlement in Trichinopoly for 2 months (i.e. in August and September 1862) - The Register of application of the applicant however shows that he rejoined the Revenue Survey Department on 1st September 1862. Please state the circumstances under which he was employed in both Departments during September 1862 and whether the acquittance Rolls of both the Offices shew that he drew Pay in the two Offices for that month.

Explanation to the Memo of Accountant-General, No $\frac{A.D.W.}{133}$ dated 17th April 1879.

I. In May 1862 the actual pay of the individual was 20 Rupees only; but in the annual statement the sanctioned rate of pay for the grade was entered.

II. He was temporarily detached to do work in the Settlement Department on the understanding that he would revert to his substantive appointment in the Survey Deptt. on completion of the work in the former.

III. As the individual was employed under the same designation as detail surveyor, which he held permanently in the Survey Deptt. and his deputation was only made on public grounds for a very short period, his service for the above period was accounted for as "Substantive" Permanent both in the application & Service Book.

IV. In the month of September 1862, the applicant had drawn his pay only in the Survey department and not in the Settlement, although he was temporarily employed under the orders of the Dy. Director of Rev: Settlement. Copy of the letter received from the above officer on this subject is sent herewith.
