To
The Accountant General
Madras.

Sir,

I have the honor to forward an application for a superannuation pension of Rs 6. 10. 8 on behalf of Pappu Prakasam late Head Gunasta of Peddapur Taluk. His total service extends over a period of 35 years 3 months and 4 days of this a space of 1. 5. 8 has to be deducted on account of leaves. Of the remaining 33. 9. 25 y. m. d. 18. 10. 15 go as inferior service and there remains only a period of 15. 11. 11 as superior service, which being less than 15 years entitles him to no pension but to a gratuity of an amount equal to 12 months' salary i.e. Rs 240-2. The time allowed to him for retention in the Public Service after he was 55 years old having expired in December last, I have sanctioned his immediate retirement as the

assistant collector in charge of the (Poddapur
Taluk has stated in his letter noted in the
margin that he was no longer fit for further
service. I was then under the impression
that he was eligible for the pension now
recommended and I allowed him to receive
his pay up to the day on which he would be
actually relieved. It was on the 7th branch
last that he was discharged. I therefore request
that the Government will be pleased to
overlook the short period of 19 days which is
wanting to complete the service of 15 years to
entitle him for pension, but at the same
time I must point out here that this
misapprehension arose through his own
fault in not having kept his Service Register
properly. He was above 61 years when he was
discharged and consequently no medical
certificate accompanied this application.

3 His Service register is herewith forwarded.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in { ^{inferior} superior } grades has been duly proved for 14 years 11 months and 9 days; and that a ^{pension} ~~gratuity~~ { ^{pension} gratuity } not exceeding Rs. 240-0-0, is admissible under Section 61, 68(a) of the Civil Pension Code. The calculations have been duly verified. It will be seen from the Record of Application that previous to 1 November/61 the applicant had served in Superior Grades for a period of 8 years 2 months and 12 days from 9th September/45 to 30th November/53, when he was degraded to an Appointment in Inferior Grades on 1st of Decr 1854. In the absence of information as to the real cause of this degradation, it may be concluded that the change was due to misconduct.

on the part of the applicant, who was similarly punished on a previous occasion. Under the provision of Section 77 of the Civil Pension Code, such a case should in view of this degradation be considered as having forfeited his former superior service.

Should Government however in view of the hardship inflicted in granting a gratuity to a person who would have been eligible for Pension had he been allowed to remain in service for an additional period of 21 days, be pleased to overlook the degradation referred to above and permit the applicant to combine his former superior service with that of his latter his service with them amount to 23 years 1 month & 21 days, entitling him to an elevated Pension not exceeding Rs. 6-10-8 per annum equal to one third of the applicant's pay under Sec 61, 68(b) & 77 of the Civil Pension Code 4th Edition.

The Character and past conduct of the applicant do not appear to have been thoroughly satisfactory. It needs therefore with Government to make such reduction in the amount of retiring allowance that may be sanctioned to him as it may think proper.

The delay in the submission of this application is explained by the Collector in his reply to this office Memo No. A.P.H. dated 16th November last herewith transmitted.

1 a The applicant states that he was transferred
from the post of No 12 to that of No 10 on
his own application, owing to domestic

domestic inconveniences.

He is not willing to accept an inferior
pension. As almost all his public life
(about 36 years) was spent in the dis-
charge of foot service, he prays that the
short time of 19 days may be overlooked
which is wanting to entitle him to
one-third Superior pension as has
been done in the case of other indi-
viduals - & I request that the foot
will be pleased to do so as already
recommended by me in my letter
dated 20th September last No 3596
the Accountant General.

c The applicant's services have been verified by the Record-keeper from the records of his Office.

2. The Service Book is herewith returned filling up the columns omitted.

3. The certificate required is herewith forwarded.

4. The delay in submitting the pension application is due to the search that had to be made to the old records regarding his services, and the delay in answering this, is due to the

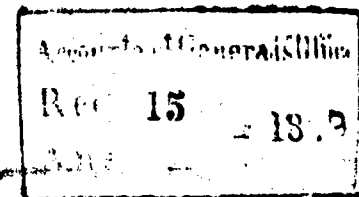

applicant having been sick and not being able to furnish the required information earlier.

The medical certificate produced by him is also forwarded.

The undersigned has the honor to Enquire whether the applicants state
ment that he was reduced to an appointment, (the pay
of which was Rs. 10 a month) from 1st December 1855 at
his own request owing to domestic inconvinience, is borne
out by the records of the Collector's Office. If not why was
he so reduced?

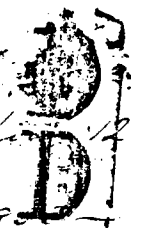

The verification of the applicants service by a record
keeper is insufficient. The Collector is therefore requested to
be so good as to cause the verification to be submitted
by a subordinate gazetted Officer and the result reported
to this Office at an early date.

In the event of pension being refused by Government
the applicant will be entitled only to a gratuity of Rs. 240

The reduction of Tuppu Prakashan from Rs 12 to Rs 10 was made on the 1st December 1855 (not 1853).

2. In December 1855 he was merely transferred from one post of Rs 10 to another of the same pay. No reason for the reduction in 1853 or transfer in 1855 is on record. Both orders are silent as to the reasons for the change.

3. The verification of the applicant's services by the record keeper has been checked by the Treasury Deputy Collector and found to be correct.

Brought to my notice on the 20th June 1879. I have obtained the Record keeper's certificate of D. Prakashan's pay/allowance from the 1st December 1853, and it is the quite correct. His reduction from Rs 12 to Rs 10 was made on the 1st December 1853, and is stated by the Accountant General in the certificate 1855, on the latter date he was merely transferred from one post of Rs 10 to another of the same pay. - His reason for the reduction in 1853 is not on record. - His orders are silent as to reasons for the change. 23rd June 1879.
