This Dy. Surgeon Pension application was returned to the applicant for want of further information regarding his father's name & residence at the village of Poonchi N. I have the honor to report as follows:-
 1st Regarding the name or country name of the applicant's father, he had been called upon to furnish this information, but before any reply was received, a report from the late Surgeon's wife intimating his death on the 7th instant, having been received the information cannot be obtained.

2. Regarding his service as an additional surgeon, the additional appointment held by the applicant from 11th December 1863 to 31 March 1865, was a quasi-permanent one; he has been so styled in the pay list in consequence of the actual no. of awards that grade having been in excess of the sanctioned number, but however the expenditure was met with from one of the same Budget allotment. The detailed memo of the Medical Officer, called for in the latter part of para 2 of the Hon. General's letter for considering the applicant's suit for further service &c. has been recorded in a separate paper attached to the original certificate herewith returned.

This Deputy Surveyor on appearing before me to be invalided mentioned that he had been working for a long period in the Malarial District undergoing repeated attacks of Fever and dysentery and the consequences were enlargement of Spleen, extreme weakness and tremor of both upper and lower limbs on least exertion.

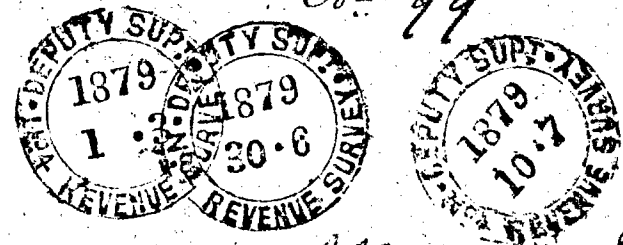

In appearance he was really so, attended with premature old age and distinctly marked arens senilis in both eyes.

Certified that I have carefully examined Mr. Seshagiri Rao son of Mr. V. Krishna Rao, a Deputy Surveyor, No. 4 - Revenue Survey Party Madras.

His age is by his own statement 54 years and by appearance about 54 years.

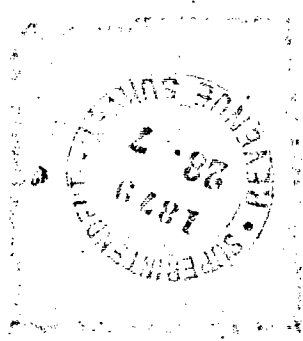

I consider Mr. Seshagiri Rao, to be completely and permanently incapacitated for further service of any kind in the department to which he belongs in consequence of General debility and Old age.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.
