CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that those portions of the applicant's service which cannot be verified from records, be accepted by Government on the strength of the affidavit and the contemporary evidences furnished, his qualifying service in inferior grades will amount to 34 years 7 months and 27 days; and that an awarded pension not exceeding \$400 per annum equal to one half of the applicant's pay will be admissible under Section 76(b) of the Civil Service Code 4th Edition. The calculations have been duly verified. It will be seen from the History of service that subsequent to 31st May 1861, the applicant held the post of a Town Surveyor on pay of \$2400 a month, and that he was without employ for 1 day viz. 1st July 1861. But the precise cause of the above change is not traceable from the records. It is concluded therefore that the applicant must have been thrown out of employ on the 31st May 1861, owing to abolition of his appointment. Vids Collector's reply to this Office Memo No. A.D.H. dated 13th December 1878. It will be seen further from the above reply that the applicant died on the 12th May 1879. Payment of any arrears of pension that may be sanctioned, should be made to his legal heir (vids Para 9 of the Collector's reply.)

The delay that has occurred in the disposal of this case is due to a reference to the Collector in December 1878 the reply to which was received in this Office only last month.

* If actual beginning and terminating dates could not be given, it will be sufficient to state approximately the total period during which the applicant was employed in each stage and line.

The Inspector of Post Offices who was called upon to explain why the applicant was reduced from the permanent post of P.O. to that of an acting one on P.O. 4, states in his letter N^o 8559 dated 17th March last as follows—

I do not see any reference in my office Copy of Application to his reduction to P.O. 4 ^{from P.O. 5} or to his having been made an acting peon at Rajahmundry. The runners in those days, I am told, were paid according to the miles they ran: this may be some light on the subject. I also perceive that the same peon seems to have been applied to runners by the Revenue Department.

But from the pay abstracts of the District Post for June and July 1861 in this office it appears that the applicant

acted for person Lingaluri Manikyalu
from 1st to 30th June and that he (applicant)
was appointed person permanently from
2nd July (i.e.) Jakkhu Subbarayudu on
the latter joining the Police force.

Drawing the attention of the
Inspector to the above, he was asked to
explain how he considered the services of
the applicant from July 1855 up to 31st
May 1861 as qualifying. He forwards a
communication no. 372 dated 13th April
stating "that there can be little doubt
however although the proofs of his service
cannot be so nicely scrutinized, that
the man is a long service runner and
deserving of pension and that acquittance
rolls previous to January 1874 must be
in your possession."

On my telling him that the rolls of
the Imperial Post ought to be in the

possession of his Department as the
applicant was a runner of that Dept.
up to 1861, he now states in his letter
No. 957 dated 12th ultimo that those
papers are not in existence and that they
seem to have been either sold or destroyed.

From the Affidavits dated 20th
Instant taken again under my orders
from two of the contemporary employees
of the applicant, it appears that the
latter was in employ at Chendurthy
from 1st July 1855 up to 31st May 1861
drawing a salary of Rs. 5 and from thence
that he was on his own application
transferred to the Rajahmundry Post office
on a salary of Rs. 3 or 4 and that the post
held by him at Chendurthy was permanent.
Translations of the Affidavits are also
forwarded.

It will be seen therefore that there
is

Nothing in records to show why he was reduced to an acting post of Rs. 4. If as the Inspector says the runners were paid in those days by the number of miles they ran, I cannot believe that the applicant obtained Rs. 5 a month for 6 years from 1st July 1853 to 31st May 1861. Here it should be noted that this period was proved only by contemporary employees. It is probable that the applicant's post was abolished and that therefore he had to accept an acting appointment. This is corroborated by the fact of his having been as, proved by records, without employ for a day viz 1st July 1861.

2. There are no records to explain this and the memory of the applicant as well as that of his contemporaries servants is blank on this point.

(a) The memos required and the annual

The Inspector of Post Offices in his letter No. 1691 dated 24th Instant informs me that the applicant Inti fangayya died at Kovur near Rajahmundry on the 16th May 1879 and that he has left a son aged 14 years named Venkataswami.

The delay in answering this reference is due to references having had to be made to the records of this office and to the Inspector.

The applicant has no service book, under Section 72 of the Civil Pension Code.

Deposition of Gelam Rayudu, postal
runner on Barsoor line.

Mr. G. Rangappa was postal runner at
Chendurthi on 5 Rs from 1st July 1855 to 31st
May 1861. I know this. I then used to be at
Prattipadu Station. I used to carry the
tappal, and deliver it to him. That
appointment was a permanent one. But
as the Collector did not agree with him and
as he was a resident of Sivur, he got himself
transferred to this place, though the pay was
less. His pay was then Rs 3. He was on Rs 3 pay
for 2 or 3 years and was then promoted to 4 Rs.
Both these appointments were permanent, or
retiring. I do not know if he acted on Rs 4

for a month. He came to be appointed on 3 Rs
as stated above, when Zalkha Subbarayudu
vacated the place by joining the Police Depart
I do not know why he was without any employ
whatsoever on 1st July.

I have heard this. It is correct.
