By the fact of the Applicant having retained a lien on his permanent appointment of 1st Jumastak while holding the temporary appointments, it appears to me that he was acting in the temporary appointment on the understanding that he would return to his permanent appointment after those temporary appointments should cease.

2. I think it right to recommend the Applicant for a Compensation Pension.

Under G. O. 11th February 1877 No 265, Judicial Department, the whole Establishment of the Sub Court of Chicacole was abolished and it was not possible to provide a suitable employment for the Applicant as there were at the time simultaneous reductions almost everywhere in all Court Establishments.

The saving effected by the reduction of the Applicant is Rupees 25 per mensem, and is included in the net saving of Rupees 1770 as shown in para 6 of G. O. 19th November 1878 No 2343, Judicial Department.

3. From the Acquittance rolls of the Sub Court it appears that while the Applicant was

was acting in the above mentioned temporary appointments no other else was confirmed in his permanent appointment of 1st Gunastah on Rapes 18, and the result is that the applicant retained a lien on his permanent appointment while holding the temporary appointments.

4. In the Service Book of the applicant the words "1st Gunastah" are entered in the 3rd Column against every temporary appointment, so that (no further) no further correction is necessary.

The Service Book is herewith returned.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

SIGNATURE.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for {superior} *26* years *3* months and *11* days; and that a {pension} not exceeding Rs. *966* is admissible under Section *59* of the Civil Pension Code. The calculations have been duly verified. It will be seen from the entry opposite to No. *11* of the Register of Application that the Sub Judge *Chandra* originally recommended the applicant for a retiring pension in consequence of the abolition of the Court. Subsequently however that Officer recommended him for a compensation. *Finance* having been informed that the former class of pension would not be admissible inasmuch as the applicant had rendered less than 30 years service.

With reference to rule 1 section 59 of the Code the District Judge states that it was not possible to provide a suitable employment, and in accordance with rule 6 of the same section, he reports that a drawing of Rs. *25* per month to Government resulted from the abolition of the applicant's post.

While District Judge's Memo Dated 23rd July last herewith transmitted - It will further be seen from the entry opposite to No. *11* on the 1st page of the application that the Sub Judge recommended the applicant for a pension of Rs. *1069* in lieu of Rs. *966* per month, to which latter only he would seem to be entitled under the rule. The difference, it is presumed, is due to the inclusion in the calculation of "average emolument" of the additional deputation allowance and Acting Allowances drawn by the applicant during the last 5 years of his service, and inadmissible under clause C-1 section 80 of the Civil Pension Code 1st Edition.

FROM THE ACCOUNTANT GENERAL, MADRAS,

TO THE *Dis^y Judge Ganjam*

VIDE your Application for Pension on behalf of *J. Lakshmanan late*

D. Warden of the Sub Court Chicacole received from
the Sub Judge Chicacole

The undersigned has the honor to enquire.

1. Whether the applicant held the several Temporary appointments detailed in the Register of an application on the understanding that he would return to his permanent appointments after those temporary appointments ceased.
2. Why the applicant was recommended for a Retaining Pension when he was not entitled to it, not having completed 30 years qualifying service required by section 71 of the Civil Pension Code 4th Edition.

Should the *Dis^y* Judge with reference to the above be inclined to propose a compensation ^{pension} in lieu of a Retaining Pension the conditions required in rules 1 and 6 under section 59 of the Code should be

fulfilled. Otherwise he should be classed under Invalid Pension in which case a Medical Certificate in support of his incapacity for further service being produced.

The annual returns on record in this Office for the years from 1876 to 1878 show that the applicant while holding temporary appointments, retained his place on his appointment as *Guanasta* in Pay of Rupees 18 a month. If this be correct the *Indo* is requested to make the necessary corrections in the accompanying Service Book, which should be retransmitted to this Office at an early date.
