Sir,

I have the honor to forward herewith a Pension Application from my Daffedar Sheik Dáde Miyá, and to request that you will be good enough to obtain the sanction of His Grace the Governor in Council for the pension.

The applicant's service from 13th August 1849 up to April 1856 and from August 1862 up to date has been verified with Salary bills.

But

But from May 1856 up to July 1862, the names of minor Servants were not given - and prior to 13th August 1849 the names of peons were not given.

Mr Glass' certificate marked A proves a service for more than 22 years prior to July 1860 and the certificate marked B given by Mr. Knox who succeeded Mr. Glass proves the applicant's service up to 11th July 1864 - These two certificates and the certificates marked C, D, E are herewith sent as also an English translation of the affidavit presented by the applicant.

The applicant says there are no contemporaries of his who can give testimony - In these circumstances I can see no reason to doubt that his Services was continuous.

I have the honor to be
Sir
