Adverting to your No $\frac{3628}{20-6-79}$ I have the honor to report that it appears that the services of Xascar Croppoo Naidoo were retained on the ground that no proper person was found till the 31st October 1878 for the appointment. Copy of letter No. 558 S. E. 3rd dated 11th March 1879 from the Examiner P.W. Accounts Madras to the Superintending Engineer 3rd Circle.

I have the honor to return the enclosed Service Book and Gratuity application of Anicut lascar Cooppoo Naidu and to state that the applicant's services cannot be verified from the Audit Registers owing to the omission in them of the names of members in inferior grades.

2. No charges on account of any appointment of lascar on the Caverippauk Tank Establishment appear to have been passed during the years from 1856/57 to 1858/59. But from 1st May 1859 to 30th June 1863 the appointment of lascars on Rs. 4 permensem on that Establishment and from 1st July 1863 on Rs. 4-8-- in the Palar Anicut Establishment appears in the Registers of this Office. It should be explained whether the applicant's services are borne out by the records of the Divisions concerned.

3. The entries in the enclosed Service Book show

show that the applicant was employed as Anicut lascar on the Caveripauk Channel and on the Poodoopady Anicut, but the entries made in the 2nd page of the Gratuity application represent that the applicant was employed as Lascar in the Palar Anicut throughout his service from 1857 to 1878. Further it is observed from the applicant's affidavit that he drew pay at Rs. 4 per mensem for about the first two years of his service in the Public Works Department while the entries in the 2d page of the application and Service Book show that he drew Rs 4-8-. per mensem from the commencement of his services. Please explain the discrepancy.

4. I have to request that the evidence of two or more of the applicant's contemporary servants may be obtained agreeably to rule 4 Section 74 of the Civil Pension Code to prove that the applicant was employed on the permanent Establishment of Government without breaks from 1857 to 1878.

5. As the applicants services subsequent to the date (2nd August 1878) of Medical Certificate of unfitness for further service, will not count towards Gratuity under rule 1. Sec. 55 of the Civil

Pension

Pension Code. the period from 2d August to 31st October 1878 should be classed as non qualifying in the 2d page of the application.

6. The date of application and the amount of pension drawn by the applicant in the Military Department should be noted against items 1 & 3 on the 1st & 3d pages respectively of the Gratuity application.

7. The service book should be completed with the signature of the Head of office in Column 11 on the 1st page.

Sir,

Enc: 5
1 Application
1 Service Book
3 Statements.

Referring to your endorsement without No. and date on Examiner's letter, No. 558 S.E. 3rd dated Chepauk the 11th ultimo I have the honor to state that the services of Lascar Coopoo Naidoo can best be verified from the Acquittance Rolls submitted with the Monthly Accounts to the Examiner (then styled as Controller) though his name as well as that of other inferior members was not as a rule shown in the Pay Abstracts.

The Lascar appears from the records of late Wallaja Range to have been attached to Pala

Anicut and Channels from April 1857. Though the statement of his contemporary servants vary with respect to the months. He drew pay from 1st April 1857 to 30th June 1863 at Rs 4 and from 1st July 1863 to 31st October 1878 at Rs 4-8-0 per mensem and has thus secured an uninterrupted service during the above periods. He was first entertained on the Cauverypak Channel and Palar Anicut and subsequently transferred to Doosy Head sluice of Palar Anicut the establishment however belongs to Palar Anicut only and hence it was stated in the 2nd page of application for gratuity that the lascar was employed throughout on the Palar Anicut i.e. from 1857 to 1878.

The Applicant's affidavit cannot absolutely be depended upon in as much as the man is over 70 years and consequently his memory is defective especially with respect to transactions which took place some 20 years ago for instance he stated in his affidavit that he drew pay at Rs 4 for the 1st two years while in reality it is ascertained from the records that he received at that rate for upwards of 6 years this incorrect statement is the result of ~~the~~ old age. The entries in his service Book and application for gratuity are now accordingly altered.

The statements of his contemporary servants are herein enclosed agreeably to rule 4 Sec: 74 of the Civil Pension Code to affirm that the Lascar has been employed on the permanent Establishment without breaks since 1857.

The Lascar's services subsequent to 2nd August 1878 are classed as non-qualifying in the 2nd page of the application.

The omissions pointed out i.e. date of application and amount drawn in the

Military Department are duly noted and the service book is completed in every respect.

The applicants services for the entire period of his service cannot be verified from the Audit Registers of this office owing to the omission in them of the names of members in inferior grades.
