Sir,

I beg to acknowledge receipt of your Memos Nos. 29 & 30 and in reply to them, I beg to State for your information and that of the Executive Engineer North Canara that I Came to Sirsi in April 1862 as StoreKeeper in the District Engineers Office, and only in January 1862 having been promoted to the Accountantship in the Haliyal Range Office in February I brought to Haliyal my Family from Mangalore, thinking that thereby I would save the double Expenses to which I was liable from the time I Came to Sirsi leaving my Family at Mangalore, but to my greatest disappointment, both myself and my Family are being troubled by Constant attacks of fever, which not permitting me to attend regularly to my public duties, I do not think that I can do any thing better than by going down to Mangalore for the benefit of my health and that of my family and for this purpose I applied you for 3 months leave.

As I find now from the Executive Engineer's letter to your address which I beg to return herewith, that the leave applied for cannot be granted I beg that this my address should be considered as my resignation for my appointment.

I beg &ca

With reference to your endorsement No. 6 of the 23rd Ultimo on the Examiner's letter No. 27 of the 19th Idem, I have the honor to forward herewith the Affidavit taken from Mr. B. J. The Applicant is shown to have been employed on the Establishment of the Assistant Civil Engineer 2nd Division under Lieut Marschack as Maistry on Rs. 35 per mensem from 1st March to 30th September 1854 but his services during this period cannot be verified.
