Proceedings of the Ag. Collector of South Canara
dated 10th September 1870.

Read letter No 64 of 26th August 1870
from the Assistant Collector in charge of
the Cassergode Taluk.

Read also report from the Cassergode
Sheristadar explaining his conduct, which
had been animadverted on.

Mr Mr. Iyer thoroughly inspected
the Account Department in the Taluk Cutchery
at Cassergode and in his full report, which
does him great credit brought to notice
grave irregularities which had been going
on for a long time, and which came to a
climax lately in two acts of embezzlement
by the Shroff. The Sheristadar who from his
office is primarily answerable for the state
of his Department has not in the Ag. Collector's
opinion exonerated himself from the charges
of gross disobedience of orders, and irregu-
larity brought against him. He attempts
to shift the blame from himself to his
Gumastas in some cases - in another case, on
the Tahsilpar.

Had the Sheristadar been at all fit

for his post the irregularities brought to notice would not have occurred. It is clear that his Gumastas did what they liked with him the consequence being a most disgraceful state of affairs in his office.

From the evidence adduced in the two cases of embezzlement the Ag. Collector considers that facilities for the offence were afforded by the lax manner in which the Sheristadar conducted his duties. He is quite unfitted for the position he holds and the Ag. Collector resolves therefore to reduce him to an appointment of less responsibility.

Extract from the Proceedings of the Board of Revenue, Madras, dated 19th July 1871, No 3001.

The state of affairs disclosed in the Assistant Collector Mr. Macle's exhaustive and careful report shows that the late Sheristadar was either totally incompetent for the place, or so negligent as to be

equally unfitted for it, or both.

2. The Board have no hesitation in declining to comply with the Petitioner's request for re-instatement, & see no reason to interfere on his behalf. The Petitioner will be informed accordingly.

 CERTIFIED that (subject to the remarks below-recorded) qualifying service in { anterior } grades has been duly proved for 29 years { superior } equal to one half of the corresponding increments of 14 months and 3 days; and that a subawarded { pension } not exceeding Rs. 10 per mensem is admissible under Sections 61 & 68 (c) of the Civil Pension Code, The 1st Edition. The cause of delay in the submission of this application and the reason for dispensing with the applicant's service from 1 November 178, whilst the Medical Certificate declaring him unfit for further service is dated the 11 April 179 are explained in the Collector's reply to their office objection memo: N. A. 178 dated the 23 August last herewith submitted. 366

It will be seen from the remarks of the Collector opposite No. 1, on the 3rd page of the Register of Applications that the Character and past Conduct of the applicant were not thoroughly good. It was therefore with Government to make such reduction in the amount of Pension that may be sanctioned to the applicant as it may deem proper under Rule 1 Section 22 of the Civil Pension Code. 1st Edition.

MEDICAL CERTIFICATE UNDER SECTION 51 OF CIVIL PENSION CODE.

Certified that I (or we) have carefully examined (A) Sd. Ram Rao son of (B) Subah Cudum a, (C) Clerk in the (D) Mangalore. His age is, by his own statement, (E) 56 years, and by appearance about (F) 56 years. I (or we) consider (G) Sd. Rao to be completely and permanently incapacitated for further service of any kind, in the Department to which he belongs in consequence of (H) old age flatulent in both legs.

His incapacity does not appear to me (or us) to have been caused by irregular or intemperate habits. (If incapacity does not appear to be complete and permanent, the certificate should be modified accordingly, and the following addition should be made.)

I am (or we are) of opinion that (I) is fit for further service of a less laborious character than that which he has been doing, or may, after resting for (J) months, be fit for further service of a less laborious character than that which he has been doing.

A succinct statement of the Medical case and of the treatment adopted should, if possible, be appended.

VIDE your Application for Pension on behalf of S. Rama Rau. late
a Clerk in the Pudukottai District

The undersigned has the honor to enquire as follows—

- 1 What is the Country or House name of the applicant's father
- 2 Why the applicant was removed from the Service from the 1st November 1878, while the Medical Certificate declaring him unfit for "further Service" is dated the 11th April 1879 nearly 6 1/2 months after the date of removal.
- 3 Why there was a delay of nearly 8 months in the submission of the application. The Service Book is herewith returned for want of attestation of the entries in Column 11 pages 3 and 5 by the immediate head of office. The Document should be returned at an early date.

Reply.

1. The country name of the applicants father is "Sode".
2. At the expiration of his leave the applicant under the impression that he had completed the requisite period of service for a retiring pension put in an application for pension on the 1st November 1878 and did not return to duty. Hence he was recommended for pension from that date. In verifying his service, however, it was discovered that a few months were wanting to entitle him to a retiring pension and that as he had not completed the age of 55 years, a medical certificate was necessary. The applicant having in the meantime proceeded to Arkalgode in Mysore, there was some difficulty and delay in obtaining the Medical Certificate which was eventually received on 28th April 1879.
3. The delay in submitting the application was due partly to the late receipt of the Medical Certificate as stated above and partly to the time taken in ascertaining whether there were any records in this office or in the Sepion post, that might enable this office to verify the entry made in the Service Book regarding the applicants alleged innocence in the case in which he was suspended for 3 months in 1854.
4. The entries in column 11 page 3 and 5 of the Service Book, which is herewith returned, are already attested.

Suspended for three months from 10th Jan. 1854 to 9th April for having retained a revenue receipt which he was not permitted to do. He was ordered to be removed from the Mangalore Taluk. The Deputy Magistrate in his order dated 29th April 1855 has declared that there is no suspicion against him in the above case. He is now acting as a Gumastah in the Mangalore Taluk. (See footnote A.)

This order is issued in the discharge of his duties. He takes pain in furnishing on the 1st of each month the returns under the Magistrate's order. After my return to this Taluk he has acted as a Dece Kumshe for 7 months and afterwards was transferred for promotion to other Taluk. Since two years he acts as a Gumastah on a salary of Rs 17. I am perfectly satisfied with him in the discharge of his duties & in his character &c as far as I know. He is fit for promotion. 27th October 1869. Mangalore Taluk.
