Naidupett Deputy Collector's Office,
Naidupett, 2d June 1871

From,
C. Cundasawmy Mudaliar,
Deputy Collector of Naidupett.

To,
G. Vans Agnew Esquire,
Collector of Nellore

Sir,

I have the honor to bring to your notice the conduct of Cherukunnedi Latchminarsu, 1st Class Revenue Inspector of Rapoor Taluq:

2. In April last, I sent an order to the Taluq Sheristadar of Rapoor for certain urgent information, & he had to get it from the Village of Pumbarti, & so wrote a Takeed to the Revenue Inspector for the information on the 22d April, the day on which he received my order & sent it by a special peon.

3. The Peon accordingly started that night & proceeded to Pumbarthy, the head Quarters of the Inspector, the next day. But he was not to be found there. The Peon made a search for him in some other Villages of his Range on the 23rd & 24th but without effect. Having however heard from some one that the Inspector had gone to his village Doulati in Nellore Taluq he proceeded

thither at once. He found the Inspector there & delivered the cover to him on the morning of the 25th. As the Inspector was performing some ceremony in his house that day, he was unable to start at once. On the evening of that day, the peon & the Inspector proceeded to Penubarty & the former received from the Inspector the reply he gave after the necessary enquiry, & returned to Rapoor the following day (27th April) where he gave a Kaifiat to the above effect before the Taluq Sheristadar.

4. The Inspector was immediately called upon for an explanation by the Taluq Sheristadar, & the latter has forwarded to me with his arzi No 165 of the 15 Ultimo 2 reports× as per margin & is apparently satisfied with his explanation. But I am clearly of opinion that the 1st of these reports was got up *after* the Inspector had been taken up by the peon at Doulati as will be seen from the following paragraphs.

× Extra No 1 of the 23rd April 1871. No 17 of the 8th May 1871.

5. The 1st report of the Inspector is dated 23rd April, the day on which he was known to be absent from his range and it reached the Taluq Sheristadar on the 28th i.e. one day after the Taluq Sheristadar had dispatched his report to me. This report bears Extra No 1

6. In this report, the Inspector states

that he and one Subbiah Karnam of Dwaraumur were summoned as witnesses by the District Munsiff of Nellore to appear on the 7th April, but that as it was the Jamabandi time, the Plaintiff in that case requested the hearing to be postponed till the 24th of that month; that Karnam Subbiah, the other witness wrote to him that they must appear on the 24th at the Court, that, on failure, a warrant would be issued for his apprehension, that he (the Karnam) was going by Doulati, and if the Inspector would join him there on the 24th, they both might go to the Court together; that he received this letter dated 17 on the 23rd April, when he was at a hamlet of Neroor & that he was therefore going to Nellore direct.

7. In his 2nd report dated 8 Ultimo, he states that he left his range for the reasons stated in his 1st report, that on passing by the village of Doulati on the 24th he met some parties returning from Nellore, that they informed him that the Court was to be adjourned from that date, that he therefore returned & on his way back he met the peon & proceeded to Penubarthy to procure the required information.

8. He does not say a word of the village of Doulati being his own nor of his having performed any ceremony there. The summons of the Court does not require him to appear on the 24th, nor was any notice sent to him either by the party on whose behalf he was to appear as a witness

or by his Vakeel. There was no necessity for him to quit the station so suddenly merely on a letter written to him by another citizen like himself; The Inspector has his Duffedar always with him whenever he moves within his range. When this is the case, what was the reason of his having given Extra No 1 to his arzi of the 23rd April? Again, the report was written from a hamlet of Arnoor a village not more than 20 Miles from Rakon. Granting that the report was written on the date which it bears viz 23rd, the report must have reached the Talug Sheristadar on the following or the 3rd day, but it actually reached him on the 28 of that month, after a delay of 5 days.

9. The Talug Sheristadar, I regret to state, does not seem to have taken the trouble of ascertaining the cause of this delay or of the 1st arzi of the Inspector having been entered as Extra No 1. These do not seem to have raised any suspicions in him about the genuineness of the 1st report. He affects to believe that the urgency of the affair necessitated him to quit his range, but states that the Inspector ought to have arranged for his urgent reports reaching its destination without delay.

10 I need scarcely repeat that the 1st report was prepared after the return of the Inspector to Pumbarty and antedated although he seems to have managed to get a letter from the Kurnam of Duraramenur to support the explanation. Moreover a notice was published in the District Gazette of 1st April last, page 161, to the effect that the Nellore Munsiff's Court would be adjourned from the 24th of that month,

& the Inspector ought therefore to have even supposing that the Kurnam's report he received was genuine, that there was no use of his going to the Court on the 24th. I am of opinion that he went to his village on account of his own private affairs.

11. Although the absence is one which can be disposed of by a fine, still it is aggravated by the false defence set up. It moreover appears from the past correspondence of this office that when Cherookoornoodi Lakshmanaroo was in charge of the present 3rd class Revenue Inspector's range he was very often running into his village which is very close to it & was for this reason transferred to the Western Range on the representation* of the Late Tahsildar Raghavachari in November 1868. For these reasons I beg to recommend that he may be suspended for 2 Months.

The Kaifiat of the peon & the Talug Sheristadar's arzi No 165 of the 15 Ultimo together with its enclosures are forwarded for reference, & I request that they may be returned when no longer required.

Enclosure one

The correct date of the birth day of the applicant is 5 May 1821 and not "5 May 1827" as erroneously entered in the fair copy of the application. It is requested that the necessary alteration may be made in the copy sent to your Office.

During his long service of 35 years the applicant was once suspended for 4 months for having absented himself from Office without leave & was once under dismissal for 5 months & 2 days but subsequently restored to his post under the Board's Proceedings dated 24 October 1872 Min. From these Proceedings it will be observed that the Board have noted that the Divisional Officer acquitted the applicant of all blame.

Under these circumstances the undersigned was & is still of opinion that there is nothing to affect the character of the applicant nor the pension to which by his service he is fairly entitled.
